1 and specifications therefor shall be awarded in accordance with the provisions of RSA 21-I and RSA
2 228.

3 II(a). The appropriations made for the community college system in paragraph XV of section
4 1 and the sums available for these projects shall be expended by the trustees of the community
5 college system of New Hampshire.

6 (b) The appropriations made to the community college system in paragraph XV of
7 section 1 are available for all costs incidental to the completion of the projects enumerated including
8 but not limited to the costs of the services for architects, engineers, and other consultants of such
9 kind and capacity as the community college system board of trustees may, in its discretion, wish to
10 employ on such terms and conditions as the board determines. These moneys shall be spent under
11 the direction of the community college system board of trustees and pursuant to policies adopted by
12 the board of trustees.

13 (c) Any authorization contained in this act which is at variance with the requirements of
14 applicable federal law and regulations shall be controlled by the terms of federal law and
15 regulations.

16 4 Land Acquisition. Any land acquired under the appropriations made in sections 1 and 2 of
17 this act, if any, as may be acquired under the appropriation shall be purchased by the commissioner
18 of the department of administrative services or the commissioner of the department of
19 transportation with the approval of governor and council.

20 5 Bond Authorized. To provide funds for the total of the appropriations of state funds made in
21 sections 1 and 2 of this act, the state treasurer is hereby authorized to borrow upon the credit of the
22 state not exceeding the sum of \$327,900,862 and for said purposes may issue bonds and notes in the
23 names and on behalf of the state of New Hampshire in accordance with the provisions of RSA 6-A.
24 The source of funds are as follows: general fund \$112,552,491, highway fund \$15,995,000, and other
25 funds \$16,288,000.

26 6 Payments.

27 I. The payment of principal and interest on bonds and notes issued for the projects in section
28 1 of this act shall be made when due from the general fund of the state.

29 II. The payment of principal and interest on bonds issued for the projects in section 2 of this
30 act shall be made from the highway fund.

31 7 Powers of Governor and Council. The governor and council are hereby authorized and
32 empowered:

33 I. To cooperate with and enter into such agreements with the federal government, or any
34 agency thereof, as they may deem advisable, to secure federal funds for the purposes hereof.

35 II. To accept any federal funds which are, or become available for any project under sections
36 1 and 2 beyond the estimated amounts. The net appropriation of state funds for any project for
37 which such additional federal funds are accepted shall be reduced by the amount of such additional

1 funds, and the amount of bonding authorized by section 5 shall be reduced by the same amount.

2 8 Transfers. The individual project appropriations provided in sections 1 and 2 of this act,
3 except as provided in section 3 of this act, shall not be transferred or expended for any other
4 purposes; provided that if there is a balance remaining after an individual project, which is fully
5 funded by state funds, is completed, accepted, and final payment made, said balance or any part
6 thereof may be transferred by governor and council, to any other individual project or projects, which
7 are also fully funded by state funds, within the same section and from the same funding source,
8 provided that prior approval of the capital budget overview committee is obtained.

9 9 Reduction of Appropriation and Bonding Authority. If the net appropriation of state funds for
10 any project provided for by sections 1 and 2 is determined on the basis of an estimate of anticipated
11 federal, local, or other funds, and if the amount of such funds actually received or available is less
12 than said estimate, then the total authorized cost for such projects and the net appropriation of state
13 funds thereof shall be reduced by the same proportion as the proportion by which federal, local, or
14 other funds are reduced. The amount of bonding authorized by section 5 shall be reduced by the
15 amount that the appropriation of state funds is reduced pursuant to this section.

16 10 Bureau of Public Works Design and Construction Inspection Services; Davis-Bacon Act
17 Compliance. The appropriations for those projects which are managed by the bureau of public works
18 design and construction, department of administrative services, may be expended to fund temporary
19 personnel for the purpose of providing construction inspection services and Davis-Bacon Act
20 Compliance services for projects utilizing federal funds, for those projects included in this act.
