**Concord, NH: House Speaker Sherman Packard's (R-Londonderry) statement regarding HB 10-FN - relative to establishing the parental bill of rights – after it failed to pass on a 189-195 vote:**

"I am disappointed that some of my colleagues voted to deny parents' inherent rights to direct the upbringing, education, and care of their own children.

Our message to parents is simple. Republicans have your back. And you can rest assured we will continue to make legislative efforts to protect your right to be involved in raising your children."
