**Moving Forward For Our Troubled Youth**

**Concord, NH** - Following the passage of House Bill 49-FN-A, Senator Sharon Carson released the following statement:

"The passage of House Bill 49-FN-A protects juvenile Granite Staters currently being held in the Sununu Center from needing to be moved to an out-of-state facility," stated Senator Carson.

"This is another step in transitioning youthful offenders to a safe, secure facility, here in New Hampshire. I remain confident that an effective, permanent solution will be found this year."
