NH Republicans Protect Granite State Entrepreneurs

Concord, NH – Senator Dan Innis (R- Bradford) on the passage of SB189 that protects New Hampshire entrepreneurs from a backdoor income tax:

“We’ve continued to emphasize our belief in, ‘No Income Tax’, and we mean in all forms. We will not allow a backdoor income tax to be imposed on our New Hampshire business owners,” stated Innis.

“Granite State entrepreneurs work hard to start their companies, and their compensation shouldn’t be turned into a hindrance because of current state tax codes. We’re remedying this hurdle for business owners and making it easier for companies to flourish in our state.”
