IV. If prepaid wireless telecommunications service is sold with one or more other products or services for a single, non-itemized charge, then the tax shall apply to the entire non-itemized charge except as provided in RSA 82-A:2, V(e).

V. If a minimal amount of prepaid wireless telecommunications service is sold with a prepaid wireless device for a single, non-itemized charge, then the seller may elect not to apply the tax to such transaction. For purposes of this subparagraph, an amount of service denominated as 10 minutes or less, or $5 or less, is minimal.

VI. The seller shall be liable to remit all taxes required by this section that are collected from consumers, including all such taxes that the seller is deemed to collect where the amount of the tax has not been separately stated on an invoice, receipt, or other similar document provided by the seller to the consumer, in accordance with RSA 82-A:7.

VII. The prepaid commercial mobile radio service E911 surcharge imposed under RSA 106-H:9, I-a shall not be subject to the tax imposed by this section.

258 Applicability. Sections 252-257 of this act shall apply to taxable periods ending after December 31, 2019.

259 Findings. The general court declares that:

I. An adequate supply of housing that is affordable to a range of incomes is essential to New Hampshire’s economic and community development goals.

II. Access to an efficient and inexpensive legal appeals process is fundamental to protecting private property rights against unreasonable governmental regulation and processes.

III. Individual homeowners who are denied local permits for additions or other simple modifications to their homes often abandon their legal right to appeal because of the time and expense involved in a superior court appeal.
IV. Abutters and other parties with standing to appeal local land use decisions on housing developments often abandon their legal right to appeal because of the costs associated with court appeals.

V. There are several factors that inhibit builders’ ability to meet the demand for new housing in New Hampshire. Significant among these factors are local land use regulations and board practices that can arbitrarily thwart development or impose costly delays. These powers are delegated to municipalities by the state, and must be used in a manner that is consistent with state law.

VI. Builders may appeal local land use decisions to the superior court, but such appeals are expensive and time consuming, often leading builders to either abandon their appeals or completely avoid seeking development permits.

VII. The cost of litigating such matters in court is significant, and by establishing an alternative process, but without eliminating the option of court appeals, will help to reduce costs of litigation for all parties.

VIII. It is appropriate and necessary to establish an alternative track for review of local decisions on housing and housing development without diminishing anyone’s existing legal right to pursue a remedy in superior court and without affecting local control or changing the legal standards by which local decisions are adjudicated.

260 New Chapter; Housing Appeals Board. Amend RSA by inserting after chapter 678 the following new chapter:

CHAPTER 679
HOUSING APPEALS BOARD

679:1 Board Established. There is hereby established a housing appeals board, hereinafter referred to as the board, which shall be composed of 3 members who shall individually and collectively be learned and experienced in questions of land use law or housing development or both. At least one member shall be an attorney licensed to practice law in the state of New Hampshire, and at least one member shall be either a professional engineer or land surveyor. The members of the board shall be full-time employees and shall not engage in any other employment, appointments, or duties during their terms that is in conflict with their duties as members of the board.

679:2 Appointment; Term; Chair. The members of the board shall be appointed by the supreme court and commissioned by the governor for a term of 5 years and until their successors are appointed and qualified; provided, however, that any vacancy on the board shall be filled for the unexpired term. The initial members of the board shall serve staggered terms of 3, 4, and 5 years. The supreme court shall designate one member as chair to serve in that capacity for the duration of his or her term.
679:3 Removal. Any member may be removed by the same authority for inefficiency, neglect of duty, or malfeasance in office; but, before removal, the member shall be furnished with a copy of the charges and have an opportunity to be heard in defense.

679:4 Compensation. Each member of the board shall receive the annual salary prescribed by RSA 94:1-a and reasonable expenses, including transportation, subject to the approval of the governor and council.

679:5 Authority; Duties.

I. It shall be the duty of the board and it shall have power and authority to hear and affirm, reverse, or modify, in whole or in part, appeals of final decisions of municipal boards, committees, and commissions regarding questions of housing and housing development. This includes, but is not limited to:

(a) Planning board decisions on subdivisions or site plans.
(b) Board of adjustment decisions on variances, special exceptions, administrative appeals, and ordinance administration.
(c) The use of innovative land use controls.
(d) Growth management controls and interim growth management controls.
(e) Decisions of historic district commissions, heritage commissions, and conservation commissions.
(f) Other municipal permits and fees applicable to housing and housing developments.
(g) Matters subject to the board's authority may include mixed-use combinations of residential and nonresidential uses. Such different uses may occur on separate properties, provided such properties are all part of a common scheme of development.

II. In exercising its authority under this chapter, the board shall have the power to award all remedies available to the superior courts in similar cases, including permission to develop the proposed housing.

III. Relative to RSA 674:58 through RSA 674:61, the board shall have the power and authority to hear and determine appeals of decisions of local land use boards regarding proposals for workforce housing, including but not limited to whether the municipality’s land use ordinances and regulations provide a reasonable and realistic opportunity for the development of workforce housing; whether the local land use board has imposed conditions of approval that render the proposal economically unviable; and whether a denial by a local land use board was unreasonable or unlawful.

IV. After local remedies have been exhausted, appeals may be brought before the board by an applicant to the municipal board, committee, or commission, or by any other aggrieved or injured party who can demonstrate legal standing to appeal pursuant to RSA 677:4 or RSA 677:15. The municipality shall be a party to the action. If the applicant is not the party initiating the action before the board, then the applicant shall automatically be an intervenor. The board shall grant

- Page 91 -

intervenor status to abutters and to any other aggrieved or injured party who can demonstrate legal
standing to appeal pursuant to RSA 677:4 or RSA 677:15.

I. Appeals shall be filed with the board within 30 days of the final decision of a municipal
board, committee, or commission. At the same time an appeal is filed with the board, the applicant
shall notify the municipal board, committee, or commission of such appeal.
II. The municipal board, committee, or commission shall within 30 days of receipt of such
notice submit to the board a certified record of its proceedings on the matter subject to the appeal.
III. The board shall hold a hearing on the merits within 90 days of its receipt of a notice of
appeal.
IV. The board shall make a decision on an appeal within 60 days after conducting a hearing
on the merits.

679:7 Jurisdiction; Court Appeals.
I. In matters within its authority the board shall have concurrent, appellate jurisdiction
with the superior court. An election by any party to bring an action before the board shall be deemed
a waiver of any right to bring an action in the superior court, but shall not abrogate any party’s right
to appeal decisions of the board to the supreme court; as such, the board shall retain jurisdiction of
any matter originally brought before it. At any time during an appeal to the board, if the board
determines that it does not have jurisdiction to hear the appeal, the appellant shall have 30 days to
file an appeal with the superior court.

II. In an appeal of a local decision on housing or housing development, any claim that is
within the board’s authority under RSA 679:5 and that has previously been or is subsequently
included in an appeal in superior court by another party to the decision or by any other aggrieved or
injured party who can demonstrate legal standing to appeal pursuant to RSA 677:4 or RSA 677:15
shall automatically be stayed by the court to provide the party with standing the opportunity to
intervene in the matter before the board. If intervenor status is granted, the stay of the court action
regarding those claims shall continue during the pendency of the appeal to the board. After the
board has decided the appeal, the court shall dismiss the matter before it to the extent the matter
has been resolved by the board. Any claim included in an appeal to superior court that is not within
the board’s authority shall not be subject to automatic stay by the court.

679:8 Quorum; Disqualification; Temporary Members.
I. In all matters a majority of the board shall constitute a quorum to transact business.
II. No member of the board shall represent a party or testify as an expert witness or render
any professional service for any party or interest before the board, and any member having an
interest in the subject matter shall be disqualified to act therein.
III. If, in the event of a disqualification or temporary disability of a member or members of
the board, it shall become necessary to do so, the board, subject to the approval of the supreme court,
shall appoint such number of temporary board members as shall be necessary to meet the
requirements herein imposed. Such temporary board members shall serve with respect to such
matter until the same has been fully disposed of before the board.

IV. Temporary board members shall have the same qualifications as regular board members
in whose place they are acting.

V. A temporary board member shall be compensated at the rate of $75 for each day devoted
to the work of the board and shall be reimbursed the necessary and reasonable expenses incurred by
him or her in the performance of his or her duties.

VI. In the event of a vacancy on the board, the appellant may elect to continue the
proceedings while awaiting the appointment of a successor board member.

679:9 Hearing Procedure; Standard of Review.

I. Appeals to the board shall be consistent with appeals to the superior court pursuant to
RSA 677:4 through RSA 677:16. Appeals shall be on the certified record, and except in such cases as
justice may warrant, in the sole discretion of the board, no additional evidence will be introduced.
Consistent with the contested case provisions of RSA 541-A, the rules of evidence shall not strictly
apply. In addition to the provisions of RSA 91-A, the board shall record the proceedings of any
hearing before it and shall make such recording available to the public for inspection and recording
from the date of the hearing to a date which is 15 working days after the board has made a final
decision on the matter which is the subject of the hearing, or, if an appeal is made from such
decision, the date upon which the matter has been finally adjudicated, whichever date is later.

II. The board shall not reverse or modify a decision except for errors of law or if the board is
persuaded by the balance of probabilities, on the evidence before it, that said decision is
unreasonable.

679:10 Representation by Nonattorneys. Nonattorneys, including professional engineers,
architects, and land surveyors, may represent any party before the board. Nothing in this section
shall prevent the board from denying representation by any individual it deems to be improper,
inappropriate, or unable to adequately represent the interests of the applicant to the municipal
board, committee, or commission.

679:11 Board Meetings. The board's deliberative processes in adjudicatory proceedings held
pursuant to RSA 541-A shall be exempt from the public meeting and notice provisions of RSA 91-A.
Decisions and orders in adjudicatory proceedings shall be publicly available, but only after they have
been reduced to writing, signed by a quorum of the board, and served upon the parties, and shall set
forth the board's rulings of law and findings of fact in support of its decisions. Discussions and
actions by the board concerning procedural, administrative, legal, and internal matters shall be
exempt from the meeting and notice provisions of RSA 91-A:2.
679:12 Rules and Regulations. The board may adopt rules under RSA 541-A necessary for carrying out its functions including but not limited to rules of procedure to be followed in hearings conducted by it not inconsistent with the provisions of this chapter.

679:13 Administration of Oaths, Subpoenas, Etc.; Fees. The board shall have authority to administer oaths and to compel the attendance of witnesses to proceedings before it. The board shall have the power to subpoena and subpoena duces tecum. Witnesses compelled to appear shall be paid the same fee and mileage that are paid to witnesses in the superior court of the state. A subpoena or subpoena duces tecum of the board may be served by any person designated in the subpoena or subpoena duces tecum to serve it. Any testimony given by a person duly sworn shall be subject to the pains and penalties of perjury. All applications or petitions to the board for which no filing fee has been otherwise specified by statute shall be accompanied by a $250 filing fee. Costs and attorney's fees may be taxed as in the superior court.

679:14 Notice. The board shall serve notice in writing of the time, place, and cause of any hearing upon all parties at least 20 days prior to the date of the hearing.

679:15 Appeal. Decisions of the board may be appealed to the supreme court by any party in accordance with the provisions of RSA 541 as from time to time amended.

679:16 Enforcement of Decisions. After a decision of the board becomes final, the board shall, at the request of any party, file a certified abstract thereof in the Merrimack county superior court. The clerk of said court shall forthwith enter judgment thereon and such judgment may be enforced as with any final judgment of the superior court.

679:17 Staff. The board shall have such clerical, administrative, and technical staff as may be necessary within the limits of the appropriation made therefor.

679:18 Office. The board shall be provided with an office in Concord in which its records, documents, and books shall be kept, and with a suitable room in which it may hold hearings.

679:19 Neglect to Comply With Board's Orders. Neglect or failure on the part of any municipality to comply with such orders shall be deemed willful neglect of duty, and it shall be subject to the penalties and damages provided by law in such cases.

I.(a) Any adult defendant or juvenile respondent who has been assigned counsel or a public
defender shall be subject to an order by the court, pursuant to this section, regarding payment to the
state for counsel fees and expenses paid by the state on behalf of the defendant or juvenile, and
regarding payment of an administrative service assessment. Any payment obligation shall apply
only to a defendant who has been convicted or a juvenile who has been found delinquent.

(b) Upon entering a judgment of conviction or a finding of delinquency, and the issuance
of sentence or disposition, the court shall enter a separate written order setting forth the reasons for
the court's conclusion regarding the financial ability of the defendant or the juvenile, including any
person liable for the support of the juvenile pursuant to RSA 604-A:2-a, to make payment of counsel
fees and expenses, and administrative service assessment. In its discretion, the court may conduct
an ability-to-pay hearing to assist in its determination. If the court finds that there is an ability to
pay some or all of the counsel fees and expenses and the assessment, either presently or in the
future, it shall order payment in such amounts and upon such terms and conditions it finds
equitable; any payment obligation shall not commence until the conviction and sentence or the
finding of delinquency and disposition has become final. If the court finds that there is no such
ability to pay, it shall so order, and any payment obligation shall terminate.

(c) In assessing ability to pay upon or after the entering of a judgment of conviction and
the issuance of a sentence, neither the court nor the office of cost containment shall consider income
that is exempt from execution, levy, attachment, garnishment, or other legal process under any state
or federal law, and shall be reduced only by the amount of expenses which are reasonably necessary
for the maintenance of the defendant and his dependents.

(d) If the court determines that the defendant is financially unable to repay any fees and
expenses to the state, the repayment obligation shall be waived. A copy of each order finding that
the defendant has an ability to pay fees and assessments shall be forwarded to the commissioner of
the department of administrative services and the office of cost containment. An order waiving the
repayment obligation shall not be forwarded. Neither the commissioner of the department of
administrative services nor the office of cost containment shall have the authority to alter the court's
determination that a repayment obligation is waived.

(e) After the judgment of conviction is entered and a repayment order is issued, a
defendant subject to a repayment order under this section may, if his or her circumstances have
changed since the date of the court's order, petition the court for relief from the obligation imposed
by this section, which may be granted upon a finding that the defendant is unable to comply with the
terms of the court's order or any modification of the order by the court.

(f) The maximum payment amount for counsel fees and expenses shall be according to a
schedule established by the administrator of the office of cost containment with the approval of the
administrative justices of the courts. Any payment obligation for fees and expenses shall not exceed the amount of the state's flat rate payable to a contract attorney as established pursuant to RSA 604-B. The administrative service assessment shall not exceed 10 percent of the counsel fees and expenses. Payment shall be made to the office of cost containment unless the defendant or juvenile is placed on probation or sentenced to a period of conditional discharge, in which case repayment shall be made to the state through the department of corrections. Any payment obligation attributable to a juvenile shall terminate when the juvenile reaches the age of majority, except when the juvenile has been certified and tried as an adult.

(g) In a case where counsel has been appointed, and a repayment order issued, the defendant shall be required to notify the clerk of the court and the office of cost containment of each change of mail address and actual street address. Whenever notice to the defendant is required, notice to the last mail address on file shall be deemed notice to and binding on the defendant.

329 Statement of Findings.

I. The general court hereby finds that:

(a) The ongoing mental health, substance misuse, and child protection crises have taken a significant toll on New Hampshire’s children and families, impacting all child-serving systems and placing increased pressure on the children’s behavioral health system;

(b) The New Hampshire department of health and human services recently released an Adequacy and Enhancement Assessment of New Hampshire’s child welfare system, which called for sweeping reforms including further integration of services with the children’s behavioral health system; immediate enhancements to the service array for children with significant emotional, behavioral and mental health needs; and transformation of New Hampshire’s child-serving system to one that is based on early intervention, evidence-based services, and accountability for outcomes;

(c) Recent changes to child welfare funding at the federal level with the passage of the federal Family First Prevention Services Act also drive the need to transform New Hampshire’s child-serving system;

(d) The state of New Hampshire faces a significant shortage in its capacity to provide children with early and effective home and community-based services and therefore must rely on expensive, residential and inpatient treatment that drain the state resources;

(e) Adoption of interventions that are proven to be effective such as mobile crisis and stabilization services will provide support and treatment to families in crisis and will in many cases avoid costly, restrictive, and often unnecessary institutional care;

(f) Increasing access to mobile crisis response and stabilization services for children can also help the state meet its legal obligations under the Early and Periodic Screening, Diagnostic and Treatment (“EPSDT”) provisions of the federal Medicaid Act and the integration mandate of the federal Americans with Disabilities Act. EPSDT is a federally mandated robust benefit for Medicaid-eligible children under age 21, designed to address children’s health concerns before they become advanced and treatment is more difficult and costlier;

II. Therefore, the department of health and human services shall expand home and community-based behavioral health services for children to include mobile crisis response and stabilization services and make the following improvements to the child-serving system as recommended by the Adequacy and Enhancement Assessment and in alignment with the federal Family First Prevention Services Act and EPSDT.

Upon being so notified, the arrangement shall within 30 days file with the commissioner all information which, in the belief of the arrangement, proves the reasonableness and adequacy of the condition noted as being inadequate.

[IV] IV. If the commissioner determines, after reviewing the information filed, that an inadequate condition exists, the arrangement shall implement, within 30 days, a plan to correct the inadequacy and shall file proof of reasonable improvement or adequate condition with the commissioner within 6 months of the implementation of the plan. If the commissioner is satisfied that the plan submitted to improve the inadequate condition of the arrangement is sufficient, he shall so notify the arrangement. The arrangement shall report quarterly to the commissioner until the causes of the inadequate condition have been corrected.

No judgment creditor or other claimant of a multiple-employer welfare association shall have the right to levy upon any of the assets or securities held in this state as a deposit under this section.

(d) Is printed or otherwise reproduced in such manner as to render any material provision of the form substantially illegible.

(e) Contains provisions which are unfair or inequitable, or contrary to the public policy of this state or which encourage misrepresentation.

III. **Each self-funded arrangement shall issue to each covered employee a policy contract, certificate, summary plan description, or other evidence of the benefits and coverages provided.** The evidence of the benefits and coverages provided shall contain in boldfaced print in a conspicuous location, the following statement: "The benefits and coverages described herein are provided through a trust fund established and funded by a group of employers."

IV. **Each self-funded arrangement shall provide to each covered employee, on request, a written statement of the dollar amount of allowable benefit for any procedure which is requested by the appropriate procedure code.**

415-E:10 **Self-Funded Arrangements;** Termination of Arrangement. For **self-funded arrangements,** if an arrangement is terminated for any reason, it shall pay all outstanding claims, debts, and obligations. In addition, the trustees may purchase such additional insurance as they consider necessary for protection against potential future claims. Any funds remaining in the arrangement after satisfaction of all obligations upon termination shall be paid to participating employers and/or covered employees as of the termination date in some equitable manner meeting with the approval of the commissioner, including, without ruling out other alternatives, equally on a per capita basis to each participating employer and/or employee who is covered under the arrangement as of the effective date of termination.

II. In addition to information called for and furnished in connection with the annual report, if reasonable grounds exist, the commissioner may request information which summarizes paid and incurred expenses, and contributions or premiums received, and may request evidence satisfactory to the commissioner that the arrangement is actuarially sound. Such information and evidence shall be furnished to the commissioner by the arrangement as soon as reasonably possible after requested by the commissioner, but no later than 30 days after such request, unless the commissioner, for good cause, grants an extension.

III. At least once every 3 years, each **such** arrangement shall have a report prepared by an actuary who is a member of the Society of Actuaries of the American Academy of Actuaries as to the actuarial soundness of the arrangement. The report shall be made available to the commissioner upon request. The report shall consist of, but shall not be limited to, the following:

valuation of present assets, based on statement value, and prospective assets and liabilities of the
plan and the extent of any unfunded accrued liabilities.

opinion the techniques and assumptions used are reasonable and meet the requirements and intent
of this chapter.

(g) Other factors or statements as may be reasonably required by the commissioner in
order to determine the actuarial soundness of the plan.

415-E:12 [Place of Business;] Maintenance of Records. Each arrangement shall [have and
maintain its principal place of business in this state and shall] make available to the commissioner
complete records of its assets, transactions, and affairs in accordance with such methods and
systems as are customary for, or suitable to, the kind or kinds of business transacted.

415-E:13 Qualification for Approval and Suspension[,] or Revocation of Approval.

I. Subject to other provisions in this chapter, the commissioner shall deny, suspend, or

(a) Has failed to meet the financial requirements of this chapter, RSA 420-G, or has
violated any lawful order or rules.

(b) Has refused to be examined or to produce its accounts, records and files for
examination, or if any of its officers has refused to give information with respect to its affairs or to

(c) To have had any type of insurance license revoked in this or any other state; or

(d) To have improperly manipulated assets, accounts, or specific excess insurance or to have otherwise acted in bad faith.

IV. To qualify for and retain approval to transact business, an arrangement shall make all contracts with administrators or service companies available for inspection by the department initially, and thereafter upon reasonable notice.

V. Failure to maintain compliance with applicable eligibility or filing requirements established by this section shall be grounds for suspension or revocation of approval of an arrangement, provided, however, that such arrangement shall have 60 days after notification by the commissioner to take such action necessary to correct the deficiency.

408 Multiple Employer Arrangements; Rehabilitation; Rulemaking. Amend RSA 415-E:15 and RSA 415-E:16 to read as follows:

415-E:15 Rehabilitation, Dissolution. 414 Small Employer Health Reinsurance Pool. Amend the chapter heading of RSA 420-K to read as follows:

SMALL EMPLOYER HEALTH [REINSURANCE POOL] RISK ADJUSTMENT PROGRAM

The members shall select the initial board at the organizational meeting and such initial board shall be subject to approval by the commissioner. The members shall elect each subsequent board at the annual meeting of members and each such subsequent board shall be subject to approval by the commissioner. The initial board and each subsequent board shall consist of at least 5 and not more than 9 representatives of members. The plan of operation shall become effective upon approval in writing by the commissioner consistent with the date on which the coverage under this section shall be made available. If the board fails to submit a suitable plan of operation within 60 days after its appointment, or at any time thereafter fails to submit suitable amendments to the plan of operation, the commissioner shall, after notice and hearing, adopt and promulgate a plan of operation or amendments [no later than October 1, 2005]. II. Sue or be sued, including taking any legal actions necessary or proper for recovery of any assessments for, on behalf of, or against members.

III. Take such legal action as necessary to avoid the payment of improper claims against the program.

IV. Define the array of health coverage products for which risk adjustment will be applied in accordance with the requirements of this chapter.

V. Establish rules, conditions, and procedures pertaining to the risk adjustment mechanism, including implementation and measurement time frames and the permitted risk corridor where no transfer of risk adjustment funds shall take place.

VI. Establish appropriate rates, rate schedules, rate adjustments, rate classifications, and any other actuarial functions appropriate to the operation of the program.

VII. Any such interim assessments shall be credited as offsets against any regular assessments due following the close of the fiscal year.

(b) Access from the New Hampshire comprehensive health care information system (CHIS), as described under RSA 420-G:11-a, member level information, including length of coverage, gender, age, and diagnosis, sufficient to measure and monitor risk for carriers issuing or administering small employer health insurance.

(c) Perform risk adjustment analysis which may include the use of data from the CHIS, including calculating New Hampshire specific relative weights as necessary, to analyze the difference in the medical care resources expected to be necessary to treat the 2 different populations, one covered in the small group insurance risk pool and the other covered by bona fide pathway II association coverage.

(d) Subject to the limitation in paragraph II, establish risk adjustment payments between carriers that are triggered whenever the average risk over any calendar year between bona fide pathway II association coverage and all other small group coverage differs by more than the maximum allowed amount, and that serve to create a net effect of reducing future expected risk score differences after payments to approximately the target amount. The commissioner shall establish the maximum allowed amount and the target amount by retaining actuarial experts. The standard that the actuarial experts shall use in recommending values for the maximum allowed amount and the target amount is that such amounts should be so determined as to prevent the pathway II association market from having an adverse impact on the availability and choice of coverage in the small group market and to prevent adverse selection against the small group market that is sufficient to cause the average premiums for small groups to increase at a rate that is significantly higher than the trend in claims costs.

(e) Provide a report to the insurance commissioner in a form and format acceptable to the commissioner.

II. The board shall not implement any adjustments until the number of lives covered by bona fide pathway II association coverage exceeds 2,000 member months for 3 consecutive months.
418 Immunity and Indemnification. Amend RSA 420-K:7 to read as follows:

II. Any person or member made a party to any action, suit, or proceeding because the person or member served on the board or on a committee or was an officer or employee of the [pool] program shall be held harmless and be indemnified by the [pool] program against all liability and costs, including the amounts of judgments, settlements, fines or penalties, and expenses and reasonable attorney's fees incurred in connection with the action, suit, or proceeding. The indemnification shall not be provided on any matter in which the person or member is finally adjudged in the action, suit, or proceeding to have committed a breach of duty involving gross negligence, dishonesty, willful misfeasance, or reckless disregard of the responsibilities of office. Costs and expenses of the indemnification shall be prorated and paid for by all members. The right of indemnification shall not be exclusive of other rights or defenses to which such person or the legal representative or successors of such person, may be entitled to as a matter of law. The commissioner may retain actuarial consultants necessary to carry out his or her responsibilities pursuant to this chapter and such expenses shall be paid by the [pool] program established in this chapter.

419 New Chapter; Commission on the Status of Health Coverage Markets for Individuals and Small Employers. Amend RSA by inserting after chapter 404-I the following new chapter:

CHAPTER 404-J

COMMISSION ON THE STATUS OF HEALTH COVERAGE MARKETS
FOR INDIVIDUALS AND SMALL EMPLOYERS

I. There is hereby established a commission on the status of health coverage markets for individuals and small employers.

(a) The members of the commission shall be as follows:

(1) Three members of the senate, one of whom shall be a member of the minority party, appointed by the president of the senate.

(2) Three members of the house of representatives, one of whom shall be a member of the minority party, appointed by the speaker of the house of representatives.

(3) The insurance commissioner, or designee.

(4) Three persons representing health carriers, appointed by the insurance commissioner, as follows:

(A) One person representing a health carrier with a significant presence in the individual market;

(B) One person representing a health carrier with a significant presence in the
small employer market; and

(C) One person representing a health carrier with an interest in providing or administering health coverage in the pathway II association market.

(5) Two producers, appointed by the insurance commissioner, one of whom shall be a producer with a significant clientele in the individual market and the other a producer with a significant clientele in the small employer market.

(6) A public member from an academic institution or charitable foundation who has health care and health insurance expertise, appointed by the senate president.

(7) A public member who shall represent the interests of persons who obtain their coverage through that market, appointed by the speaker of the house of representatives.

(8) A public member who shall represent the interests of persons who obtain their coverage through the individual market, appointed by the president of the senate.

(9) Two public members from organizations that represent the interests of the medically underserved, persons with pre-existing conditions, or persons with chronic health conditions, including mental health or substance use disorders, appointed by the governor.

(10) A public member who shall represent the interests of small employers sponsoring health coverage for their employees, appointed by the governor.

(11) A public member from the Business and Industry Association of New Hampshire or a New Hampshire chamber of commerce, appointed by the governor.

(12) A public member from a national organization with a New Hampshire chapter that is interested in qualifying as a bone fide pathway II association, as defined in RSA 415-E:1, III, appointed by the governor.

(b) Of the commission members listed under subparagraph (a), only the 6 legislative members shall be voting members. All other members shall serve in an advisory capacity only.

(c) Legislative members of the commission shall receive mileage at the legislative rate when attending to the duties of the commission.

(d) The commission shall be a public body subject to RSA 91-A, and its meetings shall be considered public proceedings.

II.(a) The commission shall evaluate the status of health coverage markets for individuals and small employers. This shall include the individual market, the small employer market, and alternative sources of coverage that may be available to individuals and small employers, including pathway II association coverage, transitional coverage, and short-term limited duration coverage. These markets shall be evaluated in terms of their performance in making available to individuals and small employers affordable coverage that provides access to medically necessary care on affordable terms. Consideration shall be given to market competitiveness, price, choice of plans, market size, market segmentation, the risk profile of the covered population in each market, adverse selection against specific markets, migration between markets, the rate of growth or diminution in
the overall number of covered lives, and other similar factors that may affect the coverage available
to individuals and small employers. Specifically, the commission shall evaluate markets and make
recommendations on the following:

(1) The performance and effectiveness of the small group market in itself and in
conjunction with other markets that may be available to small employers and their employees,
including, if applicable, pathway II association coverage. This shall include consideration of
coverage for pre-existing conditions and essential health benefits, premium rates and product
offerings, impact on premiums, the availability and choice of plans, the number of covered lives, and
the overall impact on the availability and affordability of coverage for higher risk individuals and
small employer groups. Based on this evaluation, the commission shall make recommendations in
its annual report for future program or legislative modifications, including, if applicable,
modifications to the risk adjustment program authorized under RSA 420-K, as well as a final
recommendation as to whether the general court should allow the continuation or should phase out
the market for pathway II association coverage.

(2) The performance and effectiveness of the individual market in itself and in
conjunction with other markets that may be available to individuals and sole proprietors, including,
if applicable, pathway II association coverage. This shall include consideration of the migration of
sole proprietors to the pathway II market and the effectiveness of screening procedures in validating
sole proprietorship status, the price and availability of coverage for individuals who do not qualify
for an advanced premium tax credit or cost sharing reduction assistance through the marketplace
exchange, and the design and effectiveness of the risk sharing mechanism and 1332 waiver for the
individual market authorized under RSA 420-N:6-a. Based on this evaluation, the commission shall
make recommendations concerning the individual market risk sharing mechanism under the 1332
waiver, any changes that are needed to screening and monitoring procedures for compliance with the
hourly work standard to qualify as a sole proprietor under pathway II association coverage, and any
other legislative or regulatory measures that would promote market stability and growth in the
individual market.

(b) The commission shall not make any recommendation that includes the use of new
general funds.

(c) The commission shall solicit information from any person or entity the commission
deems relevant to its study.

III. The insurance commissioner shall provide information and reports to the commission on
a biannual basis concerning the status of the individual, small employer and, if applicable, pathway
II association markets as necessary to allow the commission to carry out its duties. The commission
shall have the authority, at any time, upon a finding that pathway II association coverage is having
an adverse impact on the availability and choice of coverage in the individual or small employer
markets or is causing average premiums for individuals or small groups to increase at a rate that is
significantly higher than the trend in claims costs, to recommend that the commissioner limit
pathway II associations to the writing of existing business only or adjust the risk score differential
amount in RSA 420-K:4, I(d), and the commissioner shall have authority to implement this
recommendation by order pursuant to RSA 400-A:14 and this paragraph.

IV. The members of the commission shall elect a chairperson from among the members. The
first meeting of the commission shall be called by the first-named senate member. The first meeting
of the commission shall be held within 45 days of the effective date of this section. Four of the 6
voting members of the commission shall constitute a quorum.

V. The commission shall submit an annual report on or before November 1 of each year with
its findings and any recommendations for proposed legislation, and a final report on December 1,
2024 to the president of the senate, the speaker of the house of representatives, the senate clerk, the
house clerk, the governor, and the state library. If applicable, the commission's reports shall contain
the commission's recommendation regarding whether the market for pathway II association
coverage should continue or be phased out.

420 Individual Health Insurance; Market; Contingency. RSA 404-G:12, I and II are repealed
and reenacted to read as follows:

I. Notwithstanding RSA 404-G:11, and if supported by the recommendations of actuarial
experts retained by the department, the commissioner may request that the board of directors of the
association develop a plan of operation to support the affordability and accessibility of health
insurance in the state's individual health insurance market. The proposal may include resumption
of a risk sharing program similar to that referenced in RSA 404-G:5, creation and operation of a
reinsurance program, or such other program as the board finds will best support the availability and
affordability of health insurance in the state and may also include the development of a waiver
application under the Act. The commissioner shall approve the revised plan of operations if the
commissioner finds that the plan will further the purpose of this chapter as stated in RSA 404-G:1, I,
and is otherwise consistent with New Hampshire and federal law.

II. The board’s proposal may include a recommendation that the state apply for a waiver
under the Act, or any successor to the Act. If the approved plan includes an application for a waiver,
the commissioner and the board shall proceed in accordance with RSA 420-N:6-a. If the waiver is
approved by the federal government, the board shall prepare a revised plan of operations consistent
with the terms of the waiver, and shall implement it upon approval by the commissioner.

421 Federal Health Care Reform 2010; Waiver. RSA 420-N:6-a is repealed and reenacted to
read as follows:

420-N:6-a Waiver. If such action is supported by the recommendations of actuarial experts
retained by the department as being consistent with the purposes of RSA 404-G:1, I, the
commissioner shall, at the earliest practicable date, submit an application on behalf of the state to
the United States Secretary of the Treasury, and if required, to the United States Secretary of
422 Repeal. The following are repealed:

I. RSA 404-J, relative to the commission on the status of health insurance markets for individuals and small employers.

II. 2017, 221:8, relative to the 2020 amendment of RSA 404-G:12.

423 Applicability. Sections 399-419 of this act shall take effect 60 days after the insurance commissioner, with the advice of the department of justice, certifies to the secretary of state and the director of legislative services that the federal rule codified at 29 C.F.R. section 2510.3-5(b) is legally valid and the issues raised by the opinion issued on March 28, 2019 in State of New York v. United States Department of Labor, United States District Court of the District of Columbia, Civil Action No. 18-1747 have been resolved. I. A business organization which derives gross business profits from business activity both within and without this state, and which is subject to a net income tax, a franchise tax measured by net income, or a capital stock tax in another state or is subject to the jurisdiction of another state to impose a net income tax or capital stock tax upon it, whether or not such tax is actually imposed, shall apportion its gross business profits so as to allocate to this state a fair and equitable proportion of such business profits. Except as provided in this section, such apportionment shall be made [on the basis of the following 3 factors] in the following manner:

(a) For taxable periods ending before December 31, 2022:

(1) The business organization’s gross business profits shall be apportioned on the basis of the following 3 factors:

[(A)] (A) The percentage of value of the total real and tangible personal property owned, rented and employed by the business organization everywhere as is owned, rented and employed by it in the operation of its business in this state. Property owned by the business organization shall be valued at its original cost. Property rented by the business organization shall be valued at 8 times the net annual rental rate. Net annual rental rate is the annual rental rate paid by the business organization less any annual rental rate received by the business organization from subrentals.

[(B)] (B) The percentage of total compensation paid by the business organization to employees everywhere as is paid by the business organization to employees for services rendered within this state. Such compensation is deemed to be disbursed for services in this state if the
service is performed entirely within this state, or if the service is performed both within and without this state and the service performed without this state is incidental to the service within this state, or some of the service is performed in this state and [(4)] (i) the base of operations or, if there is no base of operations, the place from which the service is directed or controlled is in this state, or [(2)] (ii) the base of operations or the place from which the service is directed or controlled is not in any state in which some part of the service is performed, but the individual performing such service resides within this state.

[(6)] (C) The percentage of the total sales, including charges for services, made by the business organization everywhere as is made by it within this state:

[(4)] (i) Sales of tangible personal property are made in this state if the property is delivered or shipped to a purchaser, other than the United States government, within this state regardless of f.o.b. point or other conditions of sale, or the property is shipped from an office, store, warehouse, factory or other place of storage in this state and [(4)] the purchaser is the United States government, or [(4)] the business organization is not taxable in the state of the purchaser.

[(2)] (ii) Sales other than sales of tangible personal property are in this state if the business organization’s market for the sales is in this state, as follows:

[(4)] 1. In the case of sale, rental, lease, or license of real property, if and to the extent the property is located in this state;

[(4)] 2. In the case of rental, lease, or license of tangible personal property, if and to the extent the property is located in this state;

[(4)] 3. In the case of sale of a service, if and to the extent the service is delivered to a location in this state;

[(4)] 4. In the case of sale, rental, lease, or license of intangible property, if and to the extent the property is used in this state;

[(4)] 5. In the case of interest income, if and to the extent the debtor or encumbered property is located in this state;

[(4)] 6. In the case of dividend income, if and to the extent the business organization’s commercial domicile is in this state; and

[(4)] 7. In the case of other income, if and to the extent the income is derived from sources in this state.

[(4)] (iii) In the case of sales other than sales of tangible personal property, if the state or states of assignment cannot be determined, the state or states of assignment shall be reasonably approximated.

[(4)] (iv) In the case of sales other than sales of tangible personal property, if the taxpayer is not taxable in a state to which a sale is assigned, or if the state of assignment cannot be determined or reasonably approximated, such sale shall be excluded from the denominator of the sales factor.
(2) A fraction, the numerator of which shall be the property factor in subparagraph [I(a)] I(a)(1)(A) plus the compensation factor in subparagraph [I(b)] I(a)(1)(B) plus 2 multiplied by the sales factor in subparagraph [I(e)] I(a)(1)(C) and the denominator of which is 4, shall be applied to the total gross business profits (less foreign dividends) of the business organization to ascertain its gross business profits in this state.

(b) For taxable periods ending on or after December 31, 2022, the business organization's gross business profits shall be apportioned by multiplying the total gross business profits (less foreign dividends) of the business organization by the sales factor in subparagraph I(a)(1)(C).

II.(a) If the applicable method of apportionment in paragraph I does not fairly represent the business organization's business activity in this state, the business organization may petition for, or the commissioner may require, in respect to all or any part of the business organization's business activity, if reasonable:

1. The exclusion of any one or more of the apportionment factors;
2. The inclusion of one or more additional apportionment factors which will fairly represent the business organization's business activity in the state; or
3. The employment of any other method to effect an equitable apportionment of the business organization's gross business profits.

(b) For foreign dividends from unitary sources, the following formula shall be used to modify factors relating to included dividends:

2. Apply this percentage to the dividend payor's foreign property, payroll, and sales for taxable periods ending before December 31, 2022, or to the dividend payor's foreign sales for taxable periods ending on or after December 31, 2022.
3. Sum the results in subparagraph (2) for all dividend payors.

5. Apply the resulting percentage to the foreign dividends.
6. Add this amount to the amount of New Hampshire taxable business profits computed pursuant to RSA 77-A:3, I and II(a).

III. When 2 or more related business organizations are engaged in a unitary business, as defined in RSA 77-A:1, XIV, a part of which is conducted in this state by one or more members of the group, the income attributable to this state shall be determined by means of the applicable combined apportionment factors of the unitary business group in accordance with paragraphs I and II.
