

Amendment to HB 271

1 Amend RSA 125-C:10-e as inserted by section 3 of the bill by replacing it with the following:

2

3 VI. This section shall only pertain to [~~PFCs~~] **PFAS** for which at least one *peer reviewed*
4 study has been conducted in accordance with generally accepted scientific principles that
5 demonstrates that the [~~PFC~~] **PFAS** of concern is known to cause or may reasonably be anticipated to
6 cause acute, chronic, mutagenic, reproductive, or developmental health effects in humans as a result
7 of exposure to such [~~PFC~~] **PFAS**. The implementation of this section shall only rely upon standards
8 that are based on federal maximum contaminant levels, health advisories, provisional health
9 advisories, standards that are derived from federally published toxicological data, or more restrictive
10 New Hampshire state standards.
