\* Establishment of fees by Boards All Boards and Commissions which have not already established fees for examination applicants, applicants for a license or registration, a publication which they sell or any other program for which they are specifically authorized to charge a fee shall adopt rules under RSA 541-A relative to fees for such programs. Such fees shall recover, on an annual or biennial basis, the full cost of the program, including the cost of support and administrative services provided by other agencies, or 125% of the direct cost of the Board or Commission relating to the program, whichever is greater. A Board or Commission which establishes fees for examination applicants may expend such funds for examinations, related services, or supplies as needed, but not to exceed the direct cost of the examination.
