STATE OF NEW HAMPSHIRE

*In the Year of Our Lord Two Thousand Fourteen*

AN ACT                    requiring the certification of airborne radon mitigation systems.

*Be it Enacted by the Senate and House of Representatives in General Court convened:*

1            325:1 New Section; Airborne Radon Mitigation Installer Certification Required. Amend RSA  
2 310-A by inserting after section 189 the following new section:

3            310-A:189-a Airborne Radon Mitigation Installer Certification Required.

4            I.(a) Any person engaged in the design or installation of airborne radon mitigation devices in  
5 New Hampshire shall hold a current certification from either the National Radon Proficiency  
6 Program offered by the American Association of Radon Scientists and Technologists, Inc., or the  
7 National Radon Safety Board.

8            (b) A person certified under subparagraph (a) shall be responsible for all workers who,  
9 under his or her supervision, perform tasks necessary to install an airborne radon mitigation device.  
10 Workers performing such tasks under the supervision of a person so certified shall not be required to  
11 be certified under subparagraph (a).

12            II. The board of home inspectors shall inform the public through their website that persons  
13 engaged in designing or installing airborne radon mitigation devices shall be certified under  
14 paragraph I and shall provide links to the websites of the certifying organizations.

15            III. Whoever falsely claims to be certified under this section through advertising, signage, or  
16 other written or oral representation shall be guilty of a violation if a natural person or guilty of a  
17 class B misdemeanor if any other person.

18            325:2 Effective Date. This act shall take effect January 1, 2015.

19

20 Approved: August 1, 2014

21 Effective Date: January 1, 2015
