STATE OF NEW HAMPSHIRE

In the Year of Our Lord Two Thousand Fifteen

AN ACT relative to eligibility to vote and relative to availability of voter information.

Be it Enacted by the Senate and House of Representatives in General Court convened:

1 Voter; Domicile. Amend RSA 654:1, I to read as follows:

I. (a) Every inhabitant [of the state], having [a single] established domicile [for voting purposes] in this state for no less than 30 consecutive days before any election where the inhabitant offers to vote, being a citizen of the United States, of the age provided for in Article 11 of Part First of the Constitution of New Hampshire, shall have a right at any meeting or election, to vote in the town, ward, or unincorporated place in which he or she is domiciled.

(b)(1) An inhabitant’s domicile for voting purposes [is that one place where a person, more than any other place, has established a physical presence and manifests an intent to maintain a single continuous presence for domestic, social, and civil purposes relevant to participating in democratic self-government.] shall be the principal or primary home or place of abode of a person. Principal or primary home or place of abode is that home or place in which his or her habitation is fixed and to which a person, whenever he or she is temporarily absent, has the intention of returning after a departure or absence therefrom, including when the person is absent because of military service or temporarily absent as described in RSA 654:2.

(2) In determining what is a principal or primary place of abode of a person, without limitation the following factors or evidence relating to such person may be taken into account: civic and community participation, the place where a person spends most nights of the year, the location from which a person would apply for a passport or other federal identification, residence for income or other tax purposes, eligibility for a resident hunting and fishing license, and a New Hampshire driver’s license.

(3) A qualified voter who has left his or her home and gone into another state or town of this state for a temporary purpose only shall not be considered to have lost his or her domicile as described in RSA 654:2.

(4) A person shall not be considered to have gained a domicile in any town or ward of this state into which he or she comes for temporary purposes only, without the intention of making it his or her home but with the intention of leaving it when he or she has accomplished the purpose that brought him or her there. Evidence that a person who, prior to arriving in New Hampshire, was domiciled in another state and is temporarily
present in New Hampshire for any purpose including, but not limited to vacation, short-
term temporary work, volunteering for social or civic purposes, or volunteering or working
on political campaigns is not sufficient evidence that the person has established a domicile
in New Hampshire.

(5) If a qualified voter moves to another state, with the intention of making
it his or her permanent home, he or she shall be considered to have lost his or her domicile
in this state.

(c) A person has the right to change domicile at any time, however a mere intention to
change domicile in the future does not, of itself, terminate an established domicile before the person
actually moves.

2 New Paragraphs; Voter; Domicile. Amend RSA 654:1 by inserting after paragraph I-a the
following new paragraphs:

I-b. Any person who establishes a voting domicile that otherwise meets the requirement of
paragraph I, later than 30 days before any election where the inhabitant offers to vote shall vote at
the polling place for the town or ward of his or her most recent previous domicile. Except that any
person who transfers an existing New Hampshire voter registration and satisfies the requirements
of this chapter for proving his or her new domicile may vote at the polling place for the town or ward
of his or her new domicile.

I-c. Any person who met the requirements of this chapter to register to vote in New
Hampshire who has established a voting domicile outside of New Hampshire within the 30
consecutive days before an election and is not allowed to register and vote in that election in the
state of his or her new domicile because he or she established that new domicile within 30
consecutive days before that election may vote at the polling place for the New Hampshire town or
ward where he or she was previously domiciled.

3 Voter Registration Form. Amend RSA 654:7, IV to read as follows:

IV.(a) [A] Standard registration application [form] forms shall be used throughout the state.
The registration [form] forms shall be no larger than 8 1/2 inches by 11 inches.
