### JLCAR MEETING DATES AND RELATED FILING DEADLINES
#### JANUARY-JUNE, 2020

The JLCAR has voted to hold its regularly scheduled meetings for January through June, 2020 on the third Friday of the month as listed below, except as noted. The minimum 14-day “deadline” prior to the regular JLCAR meeting is listed for agencies to file final proposals or proposed interim rules* for placement on the JLCAR agenda pursuant to RSA 541-A:12, I and RSA 541-A:19, V. The JLCAR has also scheduled continued meetings as listed below on select Fridays to address items postponed from the prior regular meetings.

*NOTE: The filing deadlines relate to JLCAR meetings pursuant to RSA 541-A. However, if a proposed interim rule is filed with a rulemaking notice for publication in the Rulemaking Register, be aware that Thursdays—not Fridays—remain the filing deadline under the Drafting and Procedure Manual for Administrative Rules to have the rulemaking notice published the following week. Therefore, filing the notice together with the proposed interim rule no later than the Thursday **before** the 14-day statutory deadline would assure that both the 14-day deadline for filing the rule and the deadline for publication in the Rulemaking Register would be met. See description in §3.3 of Chapter 3 of the Drafting and Procedure Manual for Administrative Rules.

10. Fiscal Impact Statement (Prepared by Legislative Budget Assistant)

FIS # 19:240, dated 1/9/2020

1. Comparison of the costs of the proposed rule(s) to the existing rule(s):
   There is no cost when comparing the proposed rules to the existing rules except for the proposed amendment to Ath 302.04 (h)(1), which is to be renumbered as Ath 302.02 (h)(1). The new proposed Ath 302.02(h)(1) adds a requirement for a criminal history records check with an associated $25 fee paid by applicants for initial licensure.

2. Cite the Federal mandate. Identify the impact on state funds:
   No federal mandate, no impact on state funds.

3. Cost and benefits of the proposed rule(s):
   Proposed rule Ath 302.04(h)(1) would be renumbered as Ath 302.02(h)(1) and adds a requirement that applicants for initial licensure obtain a criminal history records check. The Department of Safety charges $25 for a criminal history records check pursuant to Saf-C 5703.06. The Athletic Trainers Governing Board cannot estimate how many applicants may be subject to this fee (see below) or how much revenue or expense may be realized by the Department of Safety pursuant to the proposed rule, but any revenue or expense is mandated by RSA 328-F:18-a and not the rule. RSA 328-F:18-a requires criminal background checks from applicants for initial licensure, reinstatement or conditional licensure for allied health licensees and was effective August 11, 2018 (Chapter 250:1, Laws of 2018).

   A. To State general or State special funds:
      There is no cost or benefit to the State general fund. There will be an indeterminable fiscal impact on the Criminal Records Check Fund, RSA 106-B:7, II due to an increase in criminal background record checks.

   B. To State citizens and political subdivisions:
      None.

   C. To independently owned businesses:
      None.

11. Statement Relative to Part I, Article 28-a of the N.H. Constitution:

   These rules do not violate Part I, Article 28-a of the New Hampshire Constitution. These rules do not mandate or assign this program to any political subdivision in any way.

5. Short Title: Organizational and Procedural Rules

6. (a) Summary of what the rule says and of any proposed amendments:

   The intended action is as follows:

   (1) To effectively readopt with amendments Occ 100, on organizational rules, to:

      (a) Make minor changes to the Board’s rules;

      (b) Point in Occ 103.05 to the Board’s “umbrella board’s” rules, the rules of the Board of Directors of the Office of Licensed Allied Health Professionals (“BOD”), for those organizational rules that can be made uniform for all the boards under the BOD, in an effort to simplify and consolidate the various boards’ rules; and

      (c) Remove those rules that are no longer necessary, because these rules are now duplicative of the rules under the BOD;

   (2) To repeal the entirety of the existing rules in Occ 200, on procedural rules, as part of an effort to make the rules for the boards under the BOD uniform, as contemplated by RSA 328-F:13, II, in an effort to simplify and consolidate various boards’ rules; and

   (3) To adopt a new Occ 201.01, to state that the BOD’s rules, the Chapter Ahp 200 rules, will govern with regards to various procedural matters.

   The rules in Occ 202 on misconduct complaints and disciplinary hearings, Occ 213 on settlements, Occ 2017 on explanation of adopted rules, and Occ 218 on voluntary surrender of license expired 1-26-13.

Agr 1701.03 (b) establishes an exemption and the process by which the exemption shall be documented for any entity that transfers feeder fish and rodents. Specifically, customers sign a statement that can be used to verify that the seller is exempt from regulation pursuant to RSA 437.    FIS # 20:003, dated 1/14/2020

1. Comparison of the costs of the proposed rule(s) to the existing rule(s):

   There is no difference in cost when comparing the proposed rules to the existing rules. Not applicable to Agr 1701 and Agr 1702 which are new rules.

2. Cite the Federal mandate. Identify the impact on state funds:

   No federal mandate, no impact on state funds.

3. Cost and benefits of the proposed rule(s):

   Any cost or benefit associated with Agr 1701.02, (a)-(d) is attributable to RSA 437:1, IV, (which defines pet vendors of dogs, cats, ferrets and birds), and not the rules. As amended, RSA 437:1, IV, (Agr 1701.02 (e)-(h)) provides that the definition of pet vendor shall also include entities that transfer amphibians, reptiles, fish or small mammals customarily used as pets in quantities set in rules adopted by the Department.

   Based on 200 current licenses and an annual cost to regulate pet vendors of $142,000, the Department calculated a cost of $710 per license ($142,000/200 licenses). Applying the $200 annual license fee, the cost per license not covered by the license fee is approximately $510. Additional licenses will be issued to entities that transfer amphibians, reptiles, fish or small mammals generating additional revenue to the general fund of $200 per license and additional expenditures for enforcement activities. The number of additional licenses and the associated expenditures and revenue are indeterminable; however the Department assumes it can manage any increased work associated with additional licenses within its current budget and staffing.

   A. To State general or State special funds:

      Indeterminable additional expenditure and revenues to the State general are described in #3. There is no cost or benefit to any State special fund.

   B. To State citizens and political subdivisions:

      None.

   C. To independently owned businesses:

      Pet Vendors that transfer amphibians, reptiles, fish, or small mammals customarily used as pets in quantities requiring a license will pay the $200 annual fee for a license. Pet Vendors may also incur additional administrative and other costs to become licensed such as maintaining written health protocols, obtaining local zoning approval and maintaining open hours for public access and unannounced inspections.
