COVID-19 testing set up for legislators and staff on Saturday, December 12

CONCORD, NH – Senate President Chuck Morse (R-Salem) and Acting Speaker Sherman Packard (R-Londonderry) released the following statement today:

"Because the health, safety and peace of mind of our legislators and staff is our top concern, we have arranged, in conjunction with DHHS, for special drive-up testing clinics on Saturday, December 12 at two locations. No appointments are necessary for those individuals who wish to take advantage of this option.

The tests are available at both of the state's National Guard Test Sites: 19 Terrill Park Drive in Concord and at 2 Garden Lane (Exit 4 Park and Ride) in Londonderry on Saturday from 12:00pm - 3:00pm. This testing is open to all legislators, legislative staff, and their families. Testing at these sites is also available to the public from 8:00am to 12:00pm on Saturday.

Many other testing options are also available across the state. The following link provides a listing of all NH COVID-19 testing locations for PCR testing, with additional information available on the state testing website at https://www.dhhs.nh.gov/dphs/cdcs/covid19/documents/covid-testing-sites.pdf.

It is our goal to provide the information and support that people need during these stressful times. We are grateful to DHHS for setting up this special testing event and we will continue to work with them going forward to ensure the best health outcomes possible for all Granite Staters."
