WITHOUT THE NEIGHBORS CONSENT  
NO DOCK IS POSSIBLE. LIFE IS BAD

46' OF SHORELINE, LIFE MIGHT BE GOOD?

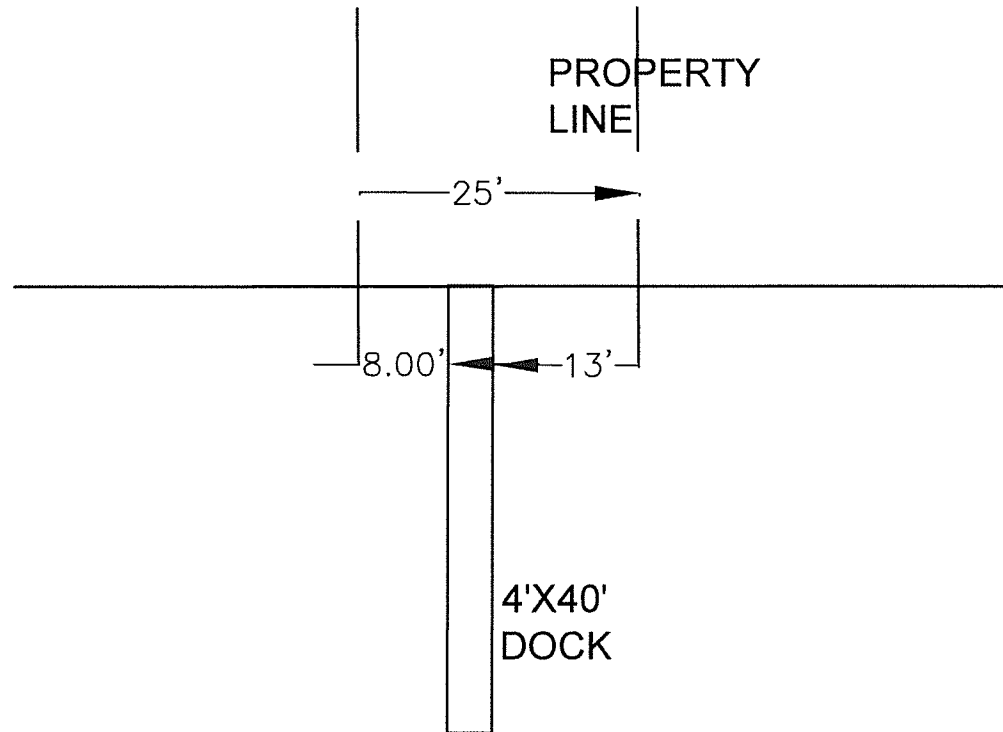

46' OF SHORELINE, LIFE IS NOW BAD !

## SUGGESTED DOCK OFFSETS FOR NARROWER LOTS

FOR NEW DOCKS: REMOVE THE REQUIREMENT TO USE A IMAGANARY PROPERTY LINE THAT EXTENDS OVER THE WATER. DEVELOP A NEW MATRIX USING LENGTH OF SHORELINE. FOR DOCKS WITH LESS THAN 46' OF SHORELINE, PERMIT A NARROWER SIZED DOCK THAT WILL ONLY PERMIT ONLY ONE SIDE OF THE DOCK TO BE USED TO TIE A BOAT TO.
