July 15, 2013

Representative Mary Jane Wallner Chair, Fiscal Committee of the General Court Legislative Office Building – Room 210-211 Concord, NH 03301

Dear Chair Wallner:

Requested Action

Pursuant to RSA 12-L:14, II, on November 1, 2012, the McAuliffe Shepard Discovery Center Commission presented the Discovery Center's business plan for the operation of the Discovery Center by the McAuliffe Shepard Discovery Center Corporation, for approval by the Fiscal Committee of the General Court.

This item, included in the Consent Calendar as Item #5 at the Fiscal Committee's December 21, 2012 meeting, was tabled.

The McAuliffe Shepard Discovery Center Commission sunsetted on March 31, 2013, as Chapter 12-L:3 was repealed by CH 173:8,I, Laws of 2012, effective March 31, 2013.

As there is no longer a requesting agency for this item, we suggest the Fiscal Committee itself withdraw this item.

Explanation

RSA 12-L:14, II states, "The McAuliffe-Shepard discovery center commission shall submit a business plan for the operation of the discovery center to the fiscal committee of the general court for approval by November 1, 2012.". The commission complied with this legislative requirement. As this item was tabled by the Fiscal Committee at its December 21, 2013 meeting and not taken up again before the effective repeal date of RSA 12-L:3 (March 31, 2013), the discovery center commission is no longer in existence and cannot take any further action on this item, including requesting its approval or withdrawal.

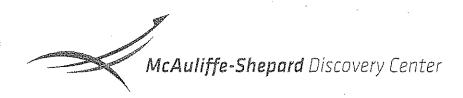

RSA 12-L:14, III states, "The [McAuliffe-Shepard Discovery Center corporation] board is empowered to manage and operate the McAuliffe-Shepard discovery center beginning January 1, 2013. The Board began operating the Discovery Center on January 1, 2013 and is now in its seventh month of operating the Discovery Center. The Discovery Center Commission gave a copy of the business plan to the McAuliffe-Shepard Discovery Center Corporation to assist in its operation. The Corporation appreciated the business plan and has put it to use as needed. The Corporation will continue to draw on the business plan where helpful, and to revise it as necessary for its operations.

Sincerely

Dr. James R. MacKay

Chair, McAuliffe-Shepard Discovery Center Commission

November 1, 2012

Representative Ken Weyler Chairman, Fiscal Committee of the General Court Legislative Office Building – Room 210-211 Concord, NH 03301

Dear Representative Weyler:

Requested Action

Pursuant to RSA 12-L:14, II, the McAuliffe Shepard Discovery Center requests approval for the business plan for the operation of the McAuliffe-Shepard Discovery Center.

Explanation

RSA 12-L:14, II states, "The McAuliffe-Shepard discovery center commission shall submit a business plan for the operation of the discovery center to the fiscal committee of the general court for approval by November 1, 2012."

With assistance from Executive Service Corps and the McAuliffe-Shepard Discovery Center Corporation Board of Directors, the Discovery Center has completed its business plan and looks forward to discussing it with the Fiscal Committee of the General Court. We hereby submit for Fiscal Committee approval the McAuliffe-Shepard Discovery Center Business Plan, dated November 1, 2012, for your approval.

Sincerely,

Paul A. Burkett, Esq.

Executive Summary

The McAuliffe-Shepard Discovery Center ("Discovery Center") will undergo a major transformation at the end of 2012. Having originated as the Christa McAuliffe Planetarium in 1990, the Discovery Center undertook a significant expansion in 2009. Currently a state agency, the Discovery Center will transform into a purely private, not-for-profit 501(c)(3) organization effective January 1, 2013, through New Hampshire law CH173, Laws of 2012. This change will provide the Discovery Center with more operational flexibility and better access to private funding, thereby enabling the organization to better serve its constituents in the generations to come.

The Discovery Center hired the Executive Service Corps (ESC) in July 2011 to analyze and recommend the best way to transform itself into a fiscally-independent entity, consistent with New Hampshire Chapter 224:88(II), Laws of 2011. ESC presented its report in November 2011. The Discovery Center then retained ESC in 2012 to help it (a) form a new board of directors; (b) conduct a market analysis; (c) develop a marketing plan; and (d) develop a business plan. This document is the business plan, which incorporates by reference the market analysis and marketing plan. The purposes of this business plan are to guide the Discovery Center's transformation into a vibrant and enduring not-for-profit organization that fulfills its mission; and to demonstrate the Discovery Center's viability and value to supporters and other stakeholders.

This business plan describes the mission, objectives, marketplace, structure, and procedures which will guide the Discovery Center for the upcoming year and beyond. It is intended to be a helpful information source for all of the Discovery Center's stakeholders, including its board of directors, officers and staff, members, donors, visitors, the State of New Hampshire, and the wider community.

TRANSITION

Much has to be done before the 1 January 2013 spinoff to ensure that the Discovery Center will continue to prosper and to serve its constituents in the coming years. These urgent transition tasks are constrained by limited funds as well as by the need for all staff to continue to do their "day jobs". All require several months of advance work. The transition tasks can be categorized as follows:

- Governance, organizational and staffing tasks
- Programs and services tasks, such as exhibit enhancements
- Marketing promotional tasks
- Fundraising and development tasks
- Transaction-processing tasks (contracts and vendor relations)
- Day One Tasks (announcements, special events, cutovers)

HISTORICAL DATA AND FORWARD-LOOKING STATEMENTS

This document, including components incorporated by reference, contains "forward-looking statements". Examples of such statements include plans, projections, and assumptions, explicit or implied, regarding future actions or events. All such statements are subject to known and unknown risks, which could materially affect the Discovery Center's future operations, results and condition. The Discovery Center endeavors to monitor, mitigate and adapt to such risks.

Discovery Center historical data is presented on a *pro forma* or "as if" basis, reflecting the results of the McAuliffe-Shepard Discovery Center Corporation's state-agency predecessor. Such historical data has in many cases been reclassified or otherwise adjusted for comparability.

Mission and Objectives

The Discovery Center's mission is "to educate, engage and inspire people of all ages in the fields of science, technology, engineering and mathematics through operation of a science center focused on astronomy, aviation, Earth and space science".

The Discovery Center's objectives include the following: "to be a catalyst for learning and discovery about, and delight in, the universe in which we live, inspired by the pioneering efforts of Alan Shepard and Christa McAuliffe; to encourage young people to pursue careers in science, technology, engineering and mathematics (STEM); and to become a national leader in STEM education.

SWOT

A "Strengths, Weaknesses, Opportunities and Threats" summary is a useful way to portray an organization's current position compared with where it wants to go.

	HELPFUL	HARMFUL
INTERNAL	STRENGTHS Staff well-regarded by visitors Spacious, modern facility Ample, onsite parking Talented and engaged board of directors Named for / dedicated to two internationally known, highly-regarded space pioneers Interpretive areas (astronomy, aviation, Earth & space science) popular with the general public State-of-the-art planetarium system Good peer network	WEAKNESSES Reputation for tired exhibits and planetarium Uncertainty about future Lack of skilled marketing director Lack of skilled fundraising and development director Lack of experienced exhibits and curatorial staff Small donor base Inability to produce professional full-dome planetarium shows in-house Volunteer program not well developed
EXTERNAL	 OPPORTUNITIES Transition presents chance to reinvent Name recognition for planetarium Abundance of technology businesses in southern NH National emphasis on STEM education Good reputation with NASA, space science teams at UNH, Dartmouth, & other institutions Proximity to source of partnerships, interns, volunteers, work-study students (NHTI) 	 THREATS Competition (other museums and attractions) Technological obsolescence Continued regional economic weakness Susceptibility to weather U.S. Congress may limit funding and resources available from prospective grant sources (e.g. NASA, NSF, IMLS) School budgets and testing impede schools' ability to send students on field trips

Governance, Organization and Staffing

The Discovery Center will be governed by a Board of Directors, who, in addition to providing fiduciary oversight, appointing officers, and approving the annual budget, will be actively engaged in fundraising and advising. The board will consist of between nine and 23 voting members who will serve staggered three-year terms. One member shall be appointed by the speaker of the New Hampshire House of Representatives and one member shall be appointed by the Senate President, per CH 173, Laws of 2012. The Discovery Center executive director is an *ex officio*, nonvoting member of the board. The board may include non-members on its committees and may be assisted from time to time by an Advisory Committee, which will provide advice and expertise.

OFFICERS AND STAFF

The Discovery Center's officers shall consist of an Executive Director (ED), and, reporting to the ED, an Education Director, Marketing Director, Operations Director, Development Director, and Finance & Administration Director. Their responsibilities will be as follows:

- Executive Director In consultation with the Board, sets the direction for the Discovery Center and assures that it achieves its mission. Works with the Board on short-, long-range and strategic planning, setting annual and long-range goals and objectives and fundraising. Directs, oversees and implements Board policies, business, annual, long-range and strategic plans and initiatives, recruits and directs staff. Serves as the public face and voice of the Discovery Center to the staff, supporters, the media, and the public. Ex-officio member of the Board, liaison between Board and staff.
- Education Director Develops and implements the Discovery Center's educational programs and initiatives; ensures that programs and services properly support the Discovery Center's mission and meet the needs of its constituents and stakeholders. Works with the marketing director on outreach to the educational community and general public to be sure the programs are well-attended.
- Marketing Director Strategically positions the Discovery Center as a key educational and visitor attraction, on a local, regional, national and international level. Oversees all branding and communications. Works with top leadership to keep awareness of the Discovery Center high in key target markets. Analyzes markets using surveys and other two-way communications tools, incorporates findings into annual and long-range marketing plans and immediate actions when necessary. Coaches staff and board in communications including crisis communications.
- Operations Director Oversees and implements all visitor services, facilities management, private rentals, special events and volunteer program. Works closely with marketing director on visitor surveys and other feedback, and with development director on special events. Ensures that the facility is adequately staffed for all events.
- Development Director Works with the executive director and Board on all fundraising initiatives and activities including
 capital, annual, memberships and special projects; develops and implements annual and long-range fundraising plans
 and strategies, including prospecting, cultivation, relationship building and maintenance, and acknowledgement of
 donors and sponsors; develops and writes grants and oversees implementation of and reporting on grant-funded
 initiatives.
- Finance & Administration Director Finance, accounting, human resources, oversight of retail operations. Works with board secretary, treasurer and contracted accounting firm on audits and federal, state and local reporting requirements. Oversees all Discovery Center financial transactions and contracting.

The Discovery Center's past staffing has included 14 full-time and 37 part-time employees; in its new organizational structure, its goal is to have 12 full-time employees (including officers) plus approximately 12 part-time employees who work from 2-30 hours per week. Until fundraising targets are met, the Discovery Center will start the first quarter of 2013 with seven full-time staff and 14 part-time staff, increasing its staffing as revenues allow. The Discovery Center also relies on volunteers and occasional work-study staff members, as well as on contracted services such as for information technology and maintenance. Staffing levels may change over time, but the emphasis will be on attracting, rewarding and retaining experienced, dedicated, full-time staff and a well-trained, enthusiastic contingent of volunteers drawn from the community and area colleges.

Organizational and Governance Goals

- Organizational design supports the Discovery Center's mission, goals and objectives
- Leadership is credible and earns high respect
- The board and top leadership cultivate a culture of trust, ethics and stewardship
- The board, executive director, staff, volunteers and members are deeply connected with and committed to the Discovery
 Center

MSDC-BusinessPlan-2012.docx Revised 1 November 2012 Page 5 of 30

- Employees understand what they are expected to do, how what they do affects the mission of the organization, employees' goals, objectives and evaluations are tied to the mission and organization plans, goals and objectives.
- Employees understand how what they do affects the mission of the organization
- Processes are simplified and barriers eliminated
- Employees are well-trained, empowered, valued, and enjoy their jobs
- Succession planning is in place, and appropriate individuals are developed and mentored
- The Discovery Center celebrates diversity in its board, staff, volunteers, visitors and program leaders and participants
- Accessibility is a key factor in the design of facilities, staff and volunteer assignments, exhibits and programs

RECRUITMENT AND SELECTION

The Discovery Center will recruit to fill positions internally and externally. All recruitment activities will seek top-quality candidates while conforming to Title VII and all other relevant state and federal labor laws, including tracking and reporting of the recruitment process. The Discovery Center is an equal-opportunity employer.

The board of directors is responsible for recruitment, hiring, evaluation and termination of the executive director. The executive director is responsible for recruitment, hiring, evaluation and termination of all other staff. The executive director may enlist the aid of the board in selection of top staff leadership, and may delegate recruitment and evaluation of mid- and entry-level staff to the appropriate staff director.

WORKPLACE ENVIRONMENT

The Discovery Center will provide a safe, accessible and comfortable workplace environment, meeting or exceeding all applicable state and federal laws. This objective will be met through the appropriate facilities, equipment, and training. Additionally, the Discovery Center will provide appropriate avenues for resolving grievances.

The Discovery Center will comply with all relevant labor laws, including

- Required postings i.e. Minimum Wage, Child Labor etc.
- EEO (Equal Employment Opportunity)
- OSHA reporting requirements and "right to know"
- Employment at will
- Pre-employment I-9 and visa verification
- FMLA (Family & Medical Leave Act)
- ADEA (Age Discrimination in Employment Act)
- FLSA (Fair Labor Standards Act)
- HIPAA (Health Information Portability and Accountability Act)

STAFF TRAINING AND DEVELOPMENT

The Discovery Center will provide staff training in the areas of workplace safety; organizational ethics and conduct; anti-discrimination and anti-harassment issues. This training will be given to all paid and unpaid staff shortly before or after the transition to a private organization; and to all new staff members shortly after they join the organization. Furthermore, the Discovery Center will provide regular refresher training in these essential areas.

The Discovery Center will encourage and facilitate staff development in relevant professional skills, including providing financial assistance for professional development where appropriate. The Discovery Center will maintain relationships with area education centers such as NHTI, Concord's Community College to help with such purposes.

COMPENSATION

Staff compensation should be

- (a) Fair: How much would you or I want to be paid if we were doing that job?
- (b) Sufficient to attract and retain talented employees.
- (c) Flexible.
- (d) Performance-based.

As a guide, the Discovery Center should use outside annual salary surveys by organizations such as The Association of Science and Technology Centers, New England Museums Association, NH Center for Nonprofits, American Association of Museums, and Chronicle of Philanthropy.

Compensation components will include base salary or wage, and, in line with norms, employer-sponsored medical insurance and possibly a defined-contribution retirement plan; paid vacation time, sick time, and holidays. In the short term the Discovery Center may be unable to afford to provide or subsidize dental or vision care, medical insurance for spouses and families or retirement. The Discovery Center may also provide employees with limited discounts for themselves, family and friends for the Discovery Center admissions, events, services, and merchandise.

Performance reviews should be conducted each September, with compensation **merit adjustments** effective on the first day of each fiscal year (January 1) and based on the table below (merit increase percentages to be revised each year before the performance review process). Merit adjustments for partial-year employees will be prorated based on date of hire or date of job change (whichever is appropriate).

Performance Rating →	Greatly Exceeds Expectations	Exceeds Expectations	Meets Expectations	Slightly Short of Expectations	Substantially Short of Expectations
Merit Increase %	Up to 4.0%	Up to 2.5%	Up to 1.5%	0.0%	0.0%

AT-WILL EMPLOYMENT

The Discovery Center is an "at-will" employer, and, as such, does not guarantee employment. Either the Discovery Center or the employee may terminate the employment relationship at any time, with or without cause, and with or without notice, for any reason or no reason as long is the decision is not based on age, sex, race, ethnicity, country of origin, religion, sexual orientation, veteran status, or disability, consistent with state and federal law.

Market Analysis

The Executive Service Corps distributed a market analysis entitled *Acquiring and Satisfying Customers* via email on 9 May 2012. That report is an integral part of this Business Plan and is incorporated by reference into it. It is also available by request from the Discovery Center board members or officers.

Marketing Plan

MSDC-BusinessPlan-2012.docx Revised 1 November 2012 Page 7 of 30

The Executive Service Corps has separately distributed a marketing plan entitled *McAuliffe-Shepard Discovery Center 2013 Marketing Plan* on 17 August 2012, which is incorporated into this business plan by reference. It is available by request from the Discovery Center board members or officers.

Website Strategy

If we are to increase the onsite Discovery Center visitors to an annual rate of 85,000 by December 2015 – representing an increase of 25,000 – the website needs to play a pivotal role in creating awareness and persuading potential visitors who find the website to visit. As a benchmark, 25,000 annual visitors would be about 625 additional groups of four people each month, while the website currently has from 4,500 to 7,500 unique visitors each month.

We know from the visitors' survey that 29% of current visitors became aware of the Discovery Center through the internet. We also know that only 56% of New Hampshire residents were aware of the Discovery Center, and in two counties, Grafton (37% aware) and Sullivan (41% aware), it was much lower.

Seventy-one percent of visitors are from within a one hour drive of the Discovery Center, which means that 29% are from more than an hour's drive, or most likely visitors from out of state. It is safe to assume that the out of state awareness is significantly less that 56% and probably approaches zero as we move farther from Concord, New Hampshire.

According to the survey, 55% used the internet in planning the current visit. That suggests a very big role for the website in 1) reminding those who are online looking for an activity about the Discovery Center and 2) for persuading those who visit the site to visit the Discovery Center.

Summary - Role of the Website in Marketing

- 1. Raise awareness among those who are not aware of the Discovery Center.
- 2. Persuade those who come to the website looking for activities to visit.
- 3. Provide easy access to what is happening to promote more visits by members and core customers.
- 4. Eventually provide online ticketing in order to improve the customer experience, assist in collecting better market intelligence, and free up resources for other activities.
- 5. Provide online educational experiences that build a regional and national following.

Strategy

- Awareness Strategy
- Search Engine Optimization
 - o Add keywords or Meta Tags to major pages
 - Add links in
 - Add new verbiage with increased keyword density
- Persuade Strategy
- Improve first page
- · Compelling copy and graphics
- Improve access
- Simplify the site
- User friendly analysis

Website Marketing Plan Outline

Now

- Understand Website Statistics
- Develop a Management Report combine web visits with data from the e-newsletter into a monthly report
- Improve the Keywords or Meta tags Improve the keyword density on 5 to 10 pages Make sure Alt Tags are helpful
 and reinforce keywords

Start to monitor TripAdvisor.com and similar sites

Continuous

- Look to increase links in from tourism sites, government, STEM organizations
- Add online booking of tickets, retail sales, donations
- Re-do the website design
- Consider a makeover of the current home page this might be done on the cheap now.
- Improve content editor consider a Word Press Site, see below
- · Review and adjust for mobile compatibility

Goals

- We need to see a 25% increase in the monthly unique visitors from 2011, or seek outside Search Engine Optimization (SEO) help.
- Develop Home Grown SEO

Programs and Services

The Discovery Center provides the following programs and services:

Exhibits - indoors and outside, primarily interactive

Planetarium shows

School Field Trips

Educational Workshops, Programs and Activities, on- and off-site

Observatory

Events

Gift Shop and Café

Facility Rentals

Program Impact Table as of 31 December 2012; Target Goal by January 1, 2015 is 100% 5s

	Effecti		Breadth / Revenu			Profitabil			WGTD

Events	5	5	5	2	2	2	21	5%	1.05
Gift Shop & Café	4	4	4	2	2	2	18	10%	1.80
Facility Rentals	5	4	2	4	5	5	25	10%	2.50
TOTALS	31	29	25	17	22	18		100%	19.9

5 = Excellent; 4 = Good; 3 = Acceptable; 2 = Needs Improvement ASAP; 1 = Poor; 0 = Not Applicable

Planetarium Shows

The 103-seat planetarium will continue to provide shows generally five times each day during regular Discovery Center public hours, plus shows for field trips, groups, special evening shows and presentations. "Tonight's Sky" show is updated continually; other shows are rotated on and off the schedule every few months, with a new show opening two to four times per year.

Exhibits

The Discovery Center typically has an average of 20 exhibits at any one time. Eighteen of these are permanent, maintained, updated/upgraded on a regular basis, while two are temporary – one major, one minor – and typically rotated every three months.

The 2012 Discovery Center visitor and member surveys identified the need to <u>freshen and upgrade</u> the exhibits, and the Discovery Center intends to respond aggressively and enthusiastically to this need.

Permanent and traveling exhibits are the core experience in the science center, providing visitors an engaging, interactive way to learn about space science, astronomy, aviation and Earth science. They create the environment of a science center and serve as important educational tools as well as entertainment. Changing exhibits, limited exhibit downtime, and updates/upgrades of permanent exhibits are critical to engendering and increasing repeat visitation.

The majority of permanent exhibits incorporate National Science Standards in their design. Permanent exhibits include:

- aviation and aerospace exhibits in the central atrium and second floor;
- a flight school, model light aircraft, and aviation simulators planned for 2014;
- a flight timeline focused on aviation, rocketry and space flight milestones in place by late 2013;
- an Earth science room including remote sensing equipment, a model Earth that can also transform into other planetary bodies as needed, a meteorology station, and satellite imagery of the region;
- an electromagnetic spectrum exhibition, incorporating lasers, visible light and methods of viewing/utilizing light from the non-visible ends of the spectrum including model satellites with New England components, some elements of which are in place now and more to be added in 2013-2015;
- simulators shuttle, lunar, aviation;
- an exhibit on living and working in space; and
- individual exhibits and a resource room focused on Christa McAuliffe and Alan Shepard, in place by fall 2013.

In addition to education and entertainment, a goal of the Discovery Center is to inspire young people to pursue excellence and careers in science, mathematics, engineering and technology. "Real People, Amazing Jobs" are a component of key exhibits, featuring a person working in a field related to the exhibit (airplane mechanic, space physicist, teacher, astronaut).

Tours, live demonstrations, exhibit-related activities, and informal interpretation by docents will enhance the exhibit experience for school and public visitors and private groups. A flexible staging area in the central atrium allows large group science demonstrations and presentations.

Education

The Discovery Center will pursue its key educational mission by providing education-oriented exhibits, workshops, planetarium shows, professional development for educators, and events; and by encouraging visits and program participation by families, school groups, scout groups, summer youth camps, and other youth-oriented organizations. The Discovery Center will work with teachers and school administrators to ensure that its programs align optimally with school curricula, and will explore the possibility of allowing students to earn academic credits through completion of the Discovery Center activities. These possibilities include operating a charter school within the Discovery Center [Note: Operation of a charter school is not included within the scope of this business plan.] The Discovery Center incorporates NH Science Frameworks and national STEM Standards/Guidelines in its programs and exhibits.

Observatory

The Discovery Center's facility includes a rooftop observatory with a professional astronomical and a solar telescope and "Go To" technology, suitable for nighttime or daylight (solar) observations. The Discovery Center will connect a telescope to a video display and/or provide internet access by late 2013.

MSDC-BusinessPlan-2012.docx Revised 1 November 2012 Page 10 of 30

Events

The Discovery Center hosts several events each year to bring together aviation and space science educators and experts with visitors: Aerospacefest, an aviation and space festival for families; the Astronomy Bowl, a high school competition; a science symposium for educators and the end of each school year; NASA-initiated events such as an International Observe the Moon Night; and events centered around astronomical and space science occurrences and issues.

Gift Shop and Café

The onsite gift shop, the Science Store, provides a large selection of items for sale that are consistent with the Discovery Center's mission. These include games, models, books, and other items focused on space science, technology, engineering, and mathematics. The purpose of the shop is to generate revenues for Discovery Center operations and to extend the visitor experience.

The onsite café, the Countdown Café, provides light meals, snacks and beverages for the convenience of visitors, and also caters events and facility rental functions. The café contract focuses on creating a partnership between the café operator and the Discovery Center that provides excellent service to Discovery Center visitors, adds value to private rentals, and allows both partners to flourish financially. The current café operator's contract will be extended for one year, and reviewed in 2013 before going out to competitive bid for 2014-2016.

Because the gift shop and café are onsite and consistent with the Discovery Center's mission, they fully qualify as not-for-profit components of the Discovery Center.

Facility Rentals

The Discovery Center rents portions or all of its facility for business meetings, seminars, group and private functions. We are able to provide tables and chairs, audio-visual equipment, food and beverages and educational programs. The Discovery Center's modern, spacious facility; its convenient access; and its ample, onsite parking have made facility rentals an increasing source of revenue. Recent customers have included family rentals for birthdays, wedding parties, and bar mitzvahs, college and high school reunions, corporate annual meetings, gathers of social service groups, and company parties.

The Discovery Center will continue to promote facility rentals as a source of high-margin revenue, so long as these rentals do not interfere with our educational mission. IRS Publication 588 includes guidance on tax exemption for this type of revenue.

Fundraising and Development

The development director will be responsible for development and oversight of all of the McAuliffe-Shepard Discovery Center's fundraising activities, supported by the executive director and the board of directors. This function includes:

- Prospect review, donor cultivation, developing a strong and growing donor base
- Soliciting donations from individuals, private foundations, and businesses; coaching and teeing up board and committee
 members and the executive director to make solicitations; including annual appeals, capital appeals special projects and
 planned giving.
- Writing, securing and reporting on grants from private foundations, businesses, and government agencies (e.g., NASA, NOAA, IMLS, FAA, Dept. of Energy, Dept. of Education, NEA, NEH).
- Grants and donations from private foundations, businesses, government agencies, and individuals. Grants and donations
 may be money, exhibits, equipment, or services (such as providing speakers, internships, volunteers, promotion,
 sponsorship, or other support).

MSDC-BusinessPlan-2012.docx Revised 1 November 2012 Page 11 of 30

- Memberships offered to individuals and organizations.
- Development partnerships and alliances.

ALLIANCES

The Discovery Center establishes alliances with various other STEM organizations to share ideas and resources and to coordinate events. Among those organizations are:

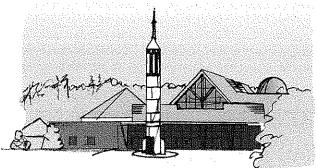

- NASA resources from Headquarters and Centers including Jet Propulsion Laboratory, Goddard Space Flight Center, Johnson Space Center.
- Smithsonian National Air and Space Museum historical artifacts, networks.
- UNH Institute for the Study of Earth Oceans and Space expert consultation.
- Harvard-Smithsonian Center for Astrophysics guest speakers and consultation.
- Society of Experimental Test Pilots funding, program and exhibit support.
- Association of Naval Aviation funding and exhibit support.
- Plymouth State University –meteorology consultation and internships.
- Dartmouth College expert consultation and internships.
- Daniel Webster College Aviation Sciences consultation and internships.
- Sea-Lake-Summit-Sky program collaboration with Squam Lakes Science Center, McAuliffe-Shepard Discovery Center, Seacoast Science Center, and Mt. Washington Observatory.
- NH Astronomical Society –night sky viewing with telescopes and program support.
- NH Aviation and Space Education Council workshops, content support, outreach.
- NH Aviation Historical Society program and exhibit collaboration.
- NH Public Television exhibit and show content, program collaboration.
- NH Department of Education state educational frameworks guidance, networks, outreach.
- NEA, NEH and NH affiliates, IMLS funding source.
- School Districts (NH, ME, VT, No. MA) content guidance and outreach.
- NH Space Grant Consortium UNH, Dartmouth, McAuliffe-Shepard Discovery Center, PSU, H.A. Rey Center, Mt. Washington Observatory, Community College System of NH, FIRST funding, collaborations, shared expertise
- NHTI, Concord's Community College—internships, work-studies, volunteers, program and exhibit support.
- Mt. Washington Observatory Earth Sciences consultation and support.
- Civil Air Patrol Aviation support, programs.
- Aircraft Owners and Pilot's Association General Aviation support and consultation.
- Experimental Aircraft Association Aviation expertise and consultation.
- National Museum of Naval Aviation artifact loans.
- US Naval Institute archive data.
- Aerospace Industries Association program support.
- Association of Science-Technology Centers, American Alliance of Museums, New England Museums Association networking, resources, and professional development.

Facilities

The McAuliffe-Shepard Discovery Center occupies a 45,223 square foot facility, including a 9,000 square foot planetarium facility constructed in 1990, a 1997 1500-square-foot program space expansion, plus a 34,123 square foot addition built in 2009. The entire facility is heated and air conditioned for year-round operation. The Discovery Center will lease the facility from the State of New Hampshire for \$1 per year through a 10-year renewable lease beginning in January 2013. Highlights of the facility are:

- Two floors devoted to air and space exhibits, totaling 13,000 square feet of exhibit space.
- A 103-seat planetarium with state of the art Digital Sky full-dome video system, one of the most advanced in New England.
- A stunning 50-foot-high central atrium space.

- Two floors devoted to air and space exhibits, totaling 13,000 square feet.
- A Rooftop Observatory with telescopes including a 16" computerized telescope; 10 person capacity.
- Multi-purpose classroom, event and meeting spaces (1 large; 2 smaller), and flexible exhibit and event space (portable stage and seating in main hall) to accommodate traveling exhibits and special events.
- Café and Gift Shop offering an inexpensive, quality dining experience and fun science-related items from around the universe.
- Administrative offices with board room meeting area (upper level) and volunteer station (lower level).
- Large workshop for creating and maintaining exhibits.
- Outdoor picnic exhibit areas and picnic spaces, featuring gardens, a rocket plaza with a 92-foot-high Mercury Redstone rocket replica and a science playground.
- Parking Lot with 125 parking spots for visitors, three parking spots for school buses with a covered drop- off grand entrance

Finance and Administration

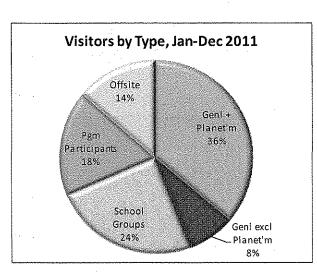

Financial History and Outlook Summary

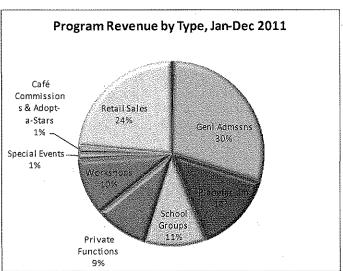

The Discovery Center has a 2013 operating budget of \$1.3 million. This is down substantially from earlier years due to the absence of the NH state funding and charges from previous years.

	Pro Forma,	for Years End	led June 30	Forecast Jul-Dec	Budge YE Dec 3
	2010	2011	2012	2012	201

SOURCES OF REVENUE

Revenue from programs and services is closely tied to the number of visitors. The pie charts below are for January — December 2011, but the patterns have been fairly consistent over the years. General-public visitors comprise 44 percent of the total. Most (36%) visit the Discovery Center, view the exhibits, and attend a planetarium show. School groups comprise about a fourth of the total visitors. Workshops and other programs attract 18 percent of the total, and the Discovery Center visits to schools and other venues brings our exhibits and speakers offsite to 14 percent of our total customer base.

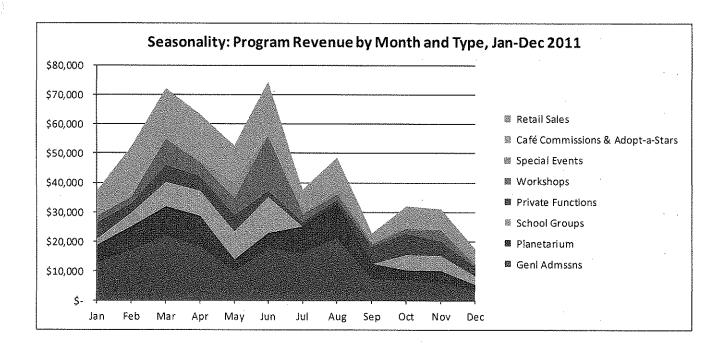

Activity is highly seasonal, as one would expect, and as shown in the line graph below. Visitor numbers peak February through May, with an influx of school field trip and school vacation visitors; summer visitors are mainly general public; visitation is generally weak in fall, largely due to the school calendar, and general tourism patterns (fall is outdoor / foliage time in NH).

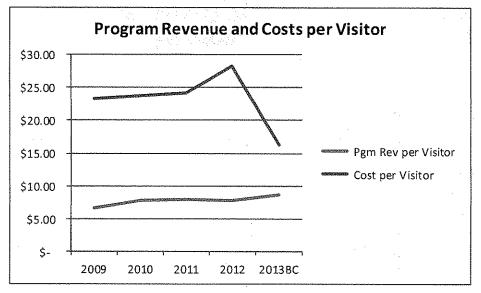

Revenue seasonality, except for private functions, is consistent with the visitation pattern, as shown in the next graph.

MSDC-BusinessPlan-2012.docx Revised 1 November 2012 Page 14 of 30

The Discovery Center can respond to and perhaps mitigate this revenue seasonality by adjusting days and hours of operation, pricing, programs, and promotional efforts, including targeting market segments appropriate for each season and focusing efforts on making its outdoor areas — especially the science playground — a strong draw for families, especially during the summer and fall seasons.

Program revenue is expected to cover only half of the Discovery Center's future costs, as shown in the graph below. The sharp decline in costs per visitor in 2013 is primarily due to the elimination of the facility construction bond payments, which peaked in fiscal 2012 at \$379 thousand, or \$5.70 per visitor. Also contributing to the decline in per-visitor costs are overall cost reductions plus a planned 19 percent growth in visitors.

Notes:

2009-12 data is on a July 1 to June 30 basis. 2013 Business Case data is on a going-forward January to December fiscal year.

Costs per visitor in 2009-12 include facility construction bond repayments, which have no counterpart in 2013 and beyond.

EXPENSES COMPONENTS AND TRENDS

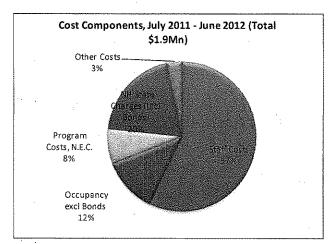

The Discovery Center plans to spend \$1.3 million during each of the next few years. That total is down sharply from the \$1.9 million spent by the predecessor state agency in the fiscal year ending 30 June 2012. The reasons for \$0.6 million planned savings are:

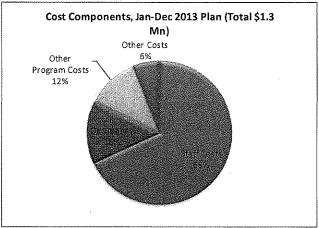

- \$400 thousand saved from elimination of the facility construction loan repayments.
- \$200 thousand saved from reduced staffing, reduced benefit levels and increased use of volunteers. \$70 thousand in anticipated facility maintenance savings because the State of New Hampshire will retain responsibility for certain maintenance responsibilities.

These savings are partially offset by having to fund certain services, such as insurance, that were previously handled by the State.

After the Discovery Center spinoff, staff costs will represent two-thirds of total costs. Most of these staff costs are relatively fixed, but the Discovery Center will have some flexibility in its scheduling of part-time staff. Occupancy costs are primarily energy (natural gas and electricity) and maintenance, and vary slightly with hours of operation. "Other Program Costs" are primarily exhibit and show rentals, program equipment and supplies, and speaker fees. "Other Costs" consist primarily of advertising and promotion and various administrative costs.

The graphs below show the principal cost components by major account for the July 2011 – June 2012 fiscal year, and for the January – December 2013 fiscal year.

Expenses and Profitability by Program or Service

Expenses and profitability by specific program or service is difficult to determine and interpret, because most of the costs are essentially fixed facility and staffing costs. Nevertheless, the Discovery Center will endeavor in the future to evaluate its various actual and proposed services based in part on their financial profitability.

BALANCE SHEET

The Discovery Center will start its "life" on 1 January 2013 with a \$227,000 cash and cash equivalents balance to cover working capital requirements. Its other assets will principally comprise pledged grants and donations, owned exhibits, furniture and fixtures, supplies inventory, and, at times, minor prepaid expense assets, such as prepaid insurance premiums.

There should be no material liabilities, but at any balance sheet date there are likely to be accrued short-term liabilities for outstanding payroll, accrued holiday and vacation time, and unpaid invoices, generally not exceeding one month's operating

MSDC-BusinessPlan-2012.docx Revised 1 November 2012 Page 16 of 30

expenses. The building will continue to be owned by the State of NH and leased to the Discovery Center for \$1 per year under a ten-year, renewable lease agreement.

Transaction Processing, Accounting, Controls and Compliance

The Discovery Center has been using the State of New Hampshire's transaction processing, accounting and controls systems. Beginning 1 January 2013, the Discovery Center will utilize new procedures and systems to process all receipts and disbursements, and to manage accounting and financial reporting.

- Program fees, grants, and other receipts will be processed internally and deposited in either a federally-insured bank account or an appropriate investment account.
- Payroll-related processing will be done through a third-party provider specializing in such services.
- All other payables will be processed internally and through a federally-insured bank account.

The Discovery Center will develop and utilize an appropriate accounting system to generate invoices and make payments, utilizing Intuit's Quickbooks fund accounting software running on secure in-house hardware and properly backed up. Training will be provided to the finance and administration director and at least one other full-time employee.

The key purpose of accounting is to safeguard an organization's assets. The Discovery Center will utilize the above-mentioned accounting services, including its built-in checks and balances, for proper general ledger and fixed asset accounting.

The Discovery Center will perform a full accounting close each month, and generate timely reports for the executive director. Quarterly and year-end reports will be provided to the board of directors. The Discovery Center will provide stakeholders and the public with appropriate financial information as well as, of course, the required IRS Form 990.

The Discovery Center's board of directors will hire an external, independent accounting firm to conduct an annual review of the financial reports and controls, and respond promptly if any material issues arise.

MSDC-BusinessPlan-2012.docx Revised 1 November 2012 Page 17 of 30

The Discovery Center will maintain and enforce an <u>expense approval table</u> to ensure proper, independent signoffs for all expenditures. It may be modified from time to time with approval from the board of directors.

EXPENSE APPROVAL LEVELS - EFFECTIVE 1 JANUARY 2013

Approval By	Contracts With Total Value	Asset Purchases or Lease Total Value	Routine Disbursements within Budget
Board of Directors Executive Committee	> \$25,000	> \$25,000	> \$50,000
Executive Director	Up to \$25,000	Up to \$25,000	Up to \$50,000
Finance Director	Up to \$5,000	Up to \$5,000	Up to \$10,000
Other Staff Officers	Up to \$2,500	Up to \$2,500	Up to \$2,500
Bookkeeper			Up to \$1,000

To ensure proper controls, all payments require approvals from two individuals, except for budgeted, routine disbursements to established vendors for under \$1,000.

Reporting, Planning and Forecasting

The Discovery Center will prepare an annual budget, which must then be approved by the board of directors. Monthly and quarterly reporting will track actual results and forecasts against that budget. This information will be provided to the board of directors at least quarterly.

Information Technology

The Discovery Center will obtain the majority of its information technology support and other services, including application support, telecommunications, security and backups, from a third-party provider of such services, and may employ a part-time staff member to interface with the third-party vendors, or assign this responsibility to a full-time staff member as part of his/her duties.

Risk Management & Security

Risk management consists of (a) risk identification; (b) risk avoidance, including security; (c) risk mitigation, including insurance.

RISK IDENTIFICATION

The key risks which the Discovery Center faces are:

- A drop in the number of visitors, and therefore in program fees, caused by reduced interest in the Discovery Center's programs and services, increased competition from alternative venues, weather patterns, regional economic weakness, or long-term demographic changes. The Discovery Center must compete with other regional STEM-oriented educational resources as well as other youth-oriented entertainment attractions. Nevertheless, the Discovery Center is the largest youth-oriented dedicated STEM facility in New Hampshire. The other similar facilities include the Seacoast Science Center (60 miles distance); Squam Lakes Science Center (20 miles distance); Montshire Museum (60 miles distant); Boston Science Museum (60 miles distant). The Discovery Center's on-site visitor levels are sensitive to weather, being adversely affected by especially good weather (when potential visitors prefer outdoor activities), hence the need for an outdoor component (science playground).
- An inability to obtain sufficient grants and other donations which are necessary to supplement the program fees.
- Loss of key officers or other staff members.

Other notable risks are:

- Health and safety risks to staff and visitors, due, for example, to the use or misuse of exhibits, or inappropriate conduct with visitors.
- Facility risks to the structure, systems, furniture and fixtures, machinery and equipment (damage, theft, loss, obsolescence).
- Unexpected costs; loss or theft of funds.
- Data risks (loss, damage or theft of data related to staff, visitors, donors, or key operational activities).
- Legal risks (regulatory compliance, litigation).
- Legislative actions that affect the lease or amount of funds allocated to start-up costs or facility maintenance.

RISK AVOIDANCE

Risks will be mitigated primarily through the following actions:

- Ongoing monitoring of visitors and the market, including awareness and impressions of the Discovery Center; linked to the ability to rapidly change hours of operation, pricing, and other attributes.
- Active partnering with donors and potential donors to solicit support and ideas.
- Employee job rotation, training (including periodic refresher courses), and succession planning.
- Facility design, both interior and exterior, including full compliance with local fire codes and OSHA regulations.
- Financial controls to safeguard financial, physical and intangible assets.
- Electronic data controls, including security and backup systems.
- Adherence to a Document Retention and Destruction Policy.
- Adherence to an employee Conflict of Interest Policy.
- Adherence to an employee Whistleblower Policy.
- Procedures and staff background checks, to mitigate the potential for inappropriate behavior with visitors.
- Security duties and training for frontline staff.

RISK MITIGATION

The Discovery Center will mitigate market risks through adjusting hours of operation and programs based on weather, competition, regional economic conditions.

The Discovery Center will maintain appropriate levels of insurance covering: property & casualty (including exhibits coverage); directors & officers; and general liability. The Discovery Center will not need insurance coverage for the facility itself, as it will remain owned by the State of New Hampshire, but may choose to purchase coverage for the amount of the State's catastrophic coverage deductible (\$1 million).

Legal

The Discovery Center must comply with all federal, state and local laws and regulations applicable to a 501(c)(3) organization. These relate primarily to governance, reporting, and staffing. The Discovery Center must maintain the staff, systems and procedures to comply with these requirements. Additionally, it will utilize outside legal counsel where appropriate.

Communications

The Discovery Center will engage in active, ongoing, two-way communications with all of its key stakeholders: the board of directors and staff; donors, members and other supporters; visitors; area schools; and the general community.

Communications will include newsletters; an active website; active social media participation; and personal visits to schools, area businesses, and civic organizations; timely reporting on all grants as required by the grantors; and an annual report. The 2012 visitor and member surveys highlighted the importance of word-of-mouth communication, and reminds us that every board and staff member, donor, supporter, and, indeed, every stakeholder, is part of the Discovery Center's communications team.

It is the executive director's responsibility to ensure that communications with the various stakeholders are <u>consistent</u> and <u>timely</u>. But the specific communications will be managed by the directors of marketing and development.

- External communications with donors, members, sponsors, other supporters, visitors, area schools, and the general community.
- Internal communications with trustees, officers and staff

Organizational Social Responsibility

The Discovery Center strives to operate in a manner that is sensitive to the natural environment and to the community and wider society in which it exists. Specific actions to pursue environmental sustainability and overall organizational social responsibility (OSR) are:

- Include environmental sustainability and organizational social responsibility measurements in the key performance indicators regularly reported to the board.
- Include these indicators in the staff performance goals, so that they affect promotions and compensation.
- Minimize energy use and carbon emissions, primarily through facility management and operations.
- Minimize waste through our purchasing, usage, and disposal / recycling.
- Make OSR an explicit factor in the vendor selection process.
- Incorporate OSR as a component in our exhibits and educational activities.

Key Performance Indicators and Contingency Actions

The following key performance indicators (KPIs) will help the Discovery Center remain on course to achieve its objectives. They can be viewed monthly, quarterly, and annually:

- Operational KPIs
 - Total Facility Operation Hours
 - Facility Utilization Index
 - Energy use (electricity kWH and gas cf)
 - o Water use (gallons)
 - Waste generated (cf?)
- Market & Program KPIs
 - o Total Visitors (onsite and offsite, first-time and repeat)
 - Total New Exhibits, Shows & Events
 - o Total New and Repeat Private Rentals
 - Quality Rating of Exhibits, Shows and Events
 - Net Promoter Index
- Financial KPIs
 - Total Earned Revenue
 - o Total Contributed Revenue
 - Total Expenses
 - Net Working Capital
 - Projected Cash Balance +1M, +2M, +3M
- Development KPIs
 - o Total Members
 - Total Donors + In-Kind Supporters
 - o Increase in Member and Donor Levels

The Discovery Center must monitor its KPIs, compare them with targets, and be prepared to trigger contingency actions if any of them exceed certain predefined thresholds.

Contingency actions may be program and revenue-related: changing opening hours, adjusting pricing, and/or adjusting marketing strategies, for example. Other contingency actions may be cost-related, such as delaying exhibit rotations, canceling some least-effective programs, and/or reducing staff costs.

As of October 31, 2012, during the transition period active fundraising for the new McAuliffe-Discovery Center has not yet begun; fundraising plans are in the early stages of development on the board level, and staffing needs to be augmented to bring on development assistance. The executive director will be able to focus strongly on fundraising once all administrative pieces are in place for the new Discovery Center.

Consequently, the Discovery Center must plan for a 1st quarter (Q1) budget that utilizes only start-up funds from the State (\$227K) and Touch the Future (~\$40K), plus anticipated Q1 revenues from earned income and memberships based on a three-year average of past earned Q1 revenues of \$178K; and it must not plan to spend all of the State and Touch the Future funds in case earned revenues are below target in Q1 or Q2-Q3.

As funds are brought in, staff and programs can be added to achieve the \$1.3M scenario of full staffing and full program offerings. While this may result in qualified staff from the former State Agency Discovery Center not being available for hire in Q2/Q3, the alternative would result in an unacceptable deficit.

For Q1, full-time staffing will include the executive director, plus five additional key positions, and recruitment will begin for the development director. Part-time staffing will be at the level of 6-7 full time equivalent (FTE) positions. Traveling exhibit rental will be delayed for one month. Medical coverage may be for staff only, not for spouses or family. This will result in a projected Q1 ending balance of \$195K.

As soon as general operating funds of \$75,000 in contributed revenue are secured, recruitment will begin for a director of finance and administration. As soon as an additional \$75,000 in contributed revenue exceeding target is secured, recruitment will commence for a marketing director. As funds are secured for grant-funded positions (typically for education team members), those positions will be brought on for the duration of the grant funding.

Contributed revenues and/or earned revenues exceeding target will result in bringing on additional staff, bringing in additional traveling exhibits, and other costs, leading to a migration from the 2013 Start-up budget to the planned \$1.3M business plan budget. New/above target funds must be at least \$5,000 in excess of costs for a full-year's funding of a full-time position's salary and benefits before any commitments are made for filling each additional full-time staff position. With the increased revenues, the Board of Directors, in consultation with the executive director, may opt to increase pay and benefits to current staff up to the \$1.3M budget's salary levels and/or increase program funding up to the \$1.3M budget level, before bringing on additional staff, once the positions for development director, finance and administration director, and marketing director are filled.

Anticipated earned revenues and memberships based on prior three-year average (two-year average for Q4) and \$1 general admission price increase:

Q1 \$178,000 Q2 \$192,000 Q3 \$109,000 Q4 \$ 99,000

In order to fulfill its mission, the Discovery Center will focus on its services to the public while steadily increasing its revenue stream so that it can migrate to its sustainable budget level of \$1.3M with an operating surplus that grows year by year, as soon as possible. Target date for this full transition to a sustainable level of operations is September 1, 2013.

MSDC-BusinessPlan-2012.docx Revised 1 November 2012 Page 21 of 30

Appendices

Appendix 1: Board of Directors Biographies

PAMELA A. BELLINO

A manager in the natural gas industry with 35 years of proven leadership experience in operations, customer service, labor relations, process improvement, and project management, including the execution of major cost reductions and productivity initiatives, and the motivation and development of employees, Bellino is currently director of customer service operations for Unitil Service Corporation and is responsible for a \$12 million budget. She is a graduate of Eastern Nazarene College and has had extensive board experience.

TRICIA A. BOUCHER, CPA

A Certified Public Accountant with 15 years of experience with the well-established accountancy firm Nathan Wechsler Company of Concord, NH, Tricia Boucher has many clients who are private non-profit charitable corporations, and serves as Treasurer of the Board for her church. She and her children are frequent visitors to, and passionate supporters of, the Discovery Center.

FREDERICK BRAMANTE

Past chair of the NH Board of Education, Bramante was a middle school science teacher who founded Daddy's Junky Music Store - which eventually grew into the 14th largest music product retailer in the United States. His innovative advocacy for student-centered mastery of learning led to meaningful redesign of education policy in New Hampshire. Bramante has a bachelor's degree in science from Keene State College and a master's degree in organizational leadership from Plymouth State University.

RICHARD CANTZ

Director of public policy and advocacy for Goodwill Industries of Northern New England, a private non-profit charitable foundation, Cantz's position entails working with legislators in the Northern New England states and numerous public advocacy groups. Cantz previously served as vice-president of resource development for the United Way of Greater Portland. He graduated from Springfield College with a degree in Clinical Psychology and his first work was with foster care services.

SHARON ENG (CURRENT BOARD SECRETARY)

Eng is president and co-owner of Contract Support Group, a contract manufacturing company specializing in electromechanical assembly located in Belmont, New Hampshire. Previously, she was director and founder of the Avalon Education Foundation in Hong Kong. Earlier in Hong Kong, she served in a variety of volunteer roles at the Chinese International School and at Crossroads International, organizing donations of furniture and clothing sent to Kosovo during that conflict. In the 1990s, Eng worked as a senior principal consultant at the Hay Group, the Asian regional headquarters of a human resources consulting firm. She has also worked as an investment broker, research and development engineer and as an investment engineer. She earned a BS degree from Vanderbilt University and an M.Ed. from the University of Hong Kong.

PAUL HIGGINS

A life-long New Hampshire resident who spent 18 years teaching automotive technology at the college level and was a self-employed automotive technician, Higgins is the founder of the Alex Higgins Memorial Space Camp Scholarship Program, which has sent 38 NH students to Space Camp over the past 11 years. Higgins has served on the Massabesic Audubon Center and the NH Audubon Society, and is a founding member of the Manchester NH Chapter of the Compassionate Friends (an international support group for bereaved parents). He has a B.A. in Education from Keene State College.

ROBERT INTRONE

Introne is a retired Air Force Officer and Meteorologist who served six terms in the NH legislature, including the House Committee on Science and Technology. A Pennsylvania State University graduate with a BS and an MS from Colorado State University, he has served on the boards of the Sports Car Club of America, Program Committee of the American Meteorological Society, America Legion, and Military Officers Association.

JAMES R. MacKAY, Ph.D. (CURRENT BOARD CHAIR)

A psychotherapist in private practice, Dr. MacKay has also served as a university professor, a director and coordinator of Community Mental Health Services, a major in the Medical Service Corps of the US Army Reserve, past mayor of Concord and a six-term state legislator. MacKay is current Chair of the NH Suicide Prevention Council, Vice-Chair of the Merrimack Valley Assistance Program (HIV/AIDS), a member of the City of Concord Airport Advisory Committee and the McAuliffe-Shepard Discovery Center Commission, a member of the Board of Directors of Goodwill Industries of Northern New England, Touch the Future, Inc., The Children's Lobby, NH Child and Family Services, and serves on the Suicide Fatality Review Board and the Executive Committee of the Merrimack County Legislative Delegation.

COL. WILLIAM MORAN

A retired Air Force Colonel with a distinguished career as a pilot, instructor pilot, evaluation pilot and member of the Society of Experimental Pilots, Col. Moran commanded the 46th Bomb Squadron. During his command, Moran's Squadron received the Air Force Outstanding Unit Award. After serving in increasingly significant assignments, his last as the Vice Commander of the Air Warfare Center at Nellis Air force Base in Nevada, Col. Moran worked as a small business account executive at an insurance agency. Presently, he is the New Hampshire Wing Commander of the NH Civil Air patrol. He graduated from the University of Rhode Island and immediately joined the USAF after graduation. He was a Distinguished Graduate of Officers Training School and then completed USAF pilot training.

STEVEN MURPHY (CURRENT BOARD TREASURER)

The senior vice president, chief financial officer and treasurer of Associated Grocers of New England, Inc., Murphy has had 24 years of experience in the grocery industry. The scope of his responsibilities at Associated Grocers include corporate accounting, corporate finance, IT systems and loss prevention. He serves on many committee assignments as part of the Executive Management Team of Associated Grocers of New England. Murphy has a BS in Business Administration from Boston University and an MBA from Southern New Hampshire University. He is a CPA and CGMA.

NANCY NADEAU

Vice President for Administration at Bellwether Community Credit Union, Manchester, Nancy Nadeau has had major responsibility since 1994 for planning, directing and overseeing all human resources and administrative functions including HR, payroll, facilities, security, training and business continuity. Nadeau has served on the Make-A-Wish Foundation of New Hampshire, Dress for Success, Volunteer NH, Saint John the Evangelist Church-Holiday Fair Chair, New Horizons for New Hampshire and as a Guardian ad Litem for CASA of New Hampshire. Nadeau has an A.A. in Business Administration from Southern New Hampshire University.

REP. WILLIAM REMICK

A retired science educator and four-term member of the New Hampshire House of Representatives serving on the Standing Committee on Science, Technology and Energy, Remick served four years in the United States Air Force. He has served as an educator in several significant capacities in this and other countries, and has served on elected school boards in addition to his professional work. Remick has a BA in Education from Keene State College and an M.S. from Southern Connecticut State College.

MSDC-BusinessPlan-2012.docx Revised 1 November 2012 Page 23 of 30

JAYME SIMOES

President of Louis Karno and Company Communications, LLC, Simoes manages all accounts for this company he founded in 1999, including directing the firm's strategy and marketing efforts. He was recently honored with the Advertising and Public Relations Award from the New Hampshire Travel Council. Simoes is a past president of the Public Relations Society of America - Yankee Chapter and is a 2003 recipient of the Union Leader's "40 under 40" award which honors New Hampshire's outstanding young professionals.

[Senate President Appointee: TBD, in place by January 2013]

[Speaker of the House Appointee: TBD, in place by January 2013]

JEANNE T. GERULSKIS

In her capacity as executive director, Gerulskis is an ex officio member of the board of directors.

She has been in the museum field for 22 years, with 15 years as the executive director of a science museum, the McAuliffe-Shepard Discovery Center (formerly called the Christa McAuliffe Planetarium from 1998-2008), five years as senior curator of programs and three years as program coordinator at Ketchikan Museums, a history and anthropology museum and Native American cultural center. Gerulskis is currently leading the transition of the Discovery Center from a state museum to a nonprofit operation, the McAuliffe-Shepard Discovery Center Corporation. Gerulskis holds a B.A. in economics from Williams College, where she also studied genetics, multi-variable calculus, chemistry, physics, art history and studio art. Under her leadership, the Discovery Center expanded from a stand-alone planetarium to a 45,000 square-foot science center with interactive science and engineering exhibits, a planetarium, science programs and an observatory, became a NASA Space Grant Affiliate Institution and NASA Educator Resource Center.

Appendix 2: Transition and Outreach Plan 2012

The following tasks must be completed as part of the Discovery Center's transition from a state agency to an independent, not-for-profit corporation. Note: C = Task Completed; P = Task in Process; O = Task Not Started

GOVERNANCE, ORGANIZATION & STAFFING

- C Create Board of Directors
- C Create Business Plan & submit to the Fiscal Committee of the General Court
- P Complete the Discovery Center legal formation
- P Define new organization structure, staffing & compensation structure
- P Create policies and procedures documents
- O Conduct staff workplace training

MARKETING

- C Conduct Market Analysis
- C Conduct Summer '12 Marketing Campaign
- C Create Marketing Plan (4Ps, etc.)
- P Improve online presence
- P Update website & social media sites
- O Aggressively publicize schedule

PROGRAMS & SERVICES

- P Improve exhibits
- P Address visitor survey suggestions
- P Improve exhibit turnaround w/ 3-Yr Plan
- P Analyze program offerings' ROI
- O Optimize schedule of exhibits & events
- O Collections Handling
- O Collections policies & procedures document
- O Implement collections policies & procedures

FUNDRAISING & DVLPT

- O Start \$450K/yr fundraising campaign
- O Improve donor acknowledgment program

FACILITIES

- C Compile full equipment inventory per HR1274
- O Conduct energy audit & implement
- P Fix planetarium roof & theater seats
- O Install security cameras
- P Improve outdoor facilities
- P Spruce up facility
- P Establish facility lease with State of NH

FINANCE & ADMIN

- O Transition Procedures & Accounting
- P Select bank, payroll, and audit vendors
- O Establish financial control procedures
- P Select & develop new accounting system
- O Review & migrate all the Discovery Center contracts
- P Establish 12/31/12 financial baseline
- P Information Technology
- O Select IT vendor
- P Dvlp VISTA & Crystal visitor statistics
- P Risk Management & Security
- P Dvlp & implement IT security
- P Dvlpt & implement workplace security
- P Obtain appropriate insurance

-	
Ρ .	Expense Optimization
C	Minimize staff-related costs
С	Ensure access to State of NH's purchasing discounts
COMMU	INICATIONS
P	Conduct Transition Outreach
Р	Regular staff communications
Р	Create Transition Message & Outreach Team
P	Visit or write to donors & supporters
P	Identify & visit area youth and civic organizations
0	Identify & visit area partners & supporters
0	Identify & visit area schools
0	Communicate Reopening
0	Invite Key Stakeholders to Reopening
0	Send Letter to Staff
0	Announce Reopening to Public
GRAND	REOPENING
0	Grand Reopening Event

##

Appendix 3: Conflict-of-Interest, Whistleblower and Harassment Policies

CONFLICT OF INTEREST POLICY

The reputation of McAuliffe Shepard Discovery Center is contingent upon adherence to the highest principles of fairness, honesty and integrity. It is vital that these principles be upheld and that the highest standards of conduct be maintained in all activities. It is the expectation of the Discovery Center that employees will avoid any activity or behavior that could conceivably be deemed by others as inappropriate or to negatively reflect upon the Discovery Center. Employees are therefore expected to refrain from:

- Participation in any commercial activity involving the Discovery Center in which the employee or any member of the employee's family or a personal friend has a personal interest.
- Acceptance of any gift or other favor that might be reasonably deemed by others to influence the employee's judgment or actions with regard to the Discovery Center.
- Use of any proprietary or confidential information learned in the course of employment by the Discovery Center for other than Discovery Center work-related purposes.

Furthermore:

- Employees who accept additional employment outside of the Discovery Center shall report such employment to their immediate supervisor.
- Employees must promptly report any *potential* conflict of interest that is, any circumstances that could cause concern to their immediate supervisor.

WHISTLEBLOWER POLICY

A Whistleblower as defined by this policy is an employee of McAuliffe Shepard Discovery Center who reports an activity that s/he considers to be illegal or dishonest to one or more of the parties specified in this Policy. The Whistleblower is not responsible for investigating the activity or for determining fault or corrective measures; appropriate management officials are charged with these responsibilities.

Examples of illegal or dishonest activities include violations of federal, state or local laws; billing for services not performed or for goods not delivered; and other fraudulent financial reporting.

If an employee has knowledge of or a concern of illegal or dishonest fraudulent activity, the employee is to contact his/her immediate supervisor, the executive director, or any member of the board of directors. The employee must exercise sound judgment to avoid baseless allegations. An employee who intentionally files a false report of wrongdoing will be subject to discipline up to and including termination of employment.

Whistleblower protections are provided in two important areas — confidentiality and retaliation. Insofar as possible, the confidentiality of the Whistleblower will be maintained. However, identity may have to be disclosed to conduct a thorough investigation, to comply with the law and to provide accused individuals their legal rights of defense. MSDC will not retaliate against a Whistleblower. This includes, but is not limited to, the employee's right to protection from retaliation in the form of an adverse employment action such as termination, compensation decreases, or poor work assignments and threats of harm. Any whistleblower who believes s/he is being retaliated against must contact the executive director or any member of the board of directors immediately. The right of a Whistleblower for protection against retaliation does not include immunity for any personal wrongdoing that is alleged and investigated.

All reports of illegal and dishonest activities will be promptly submitted to the executive director (unless the activity involves wrongdoing on the part of the executive director; then the report will be submitted directly to the Chair of the Operations Committee of the Board of Directors) who is responsible for investigating and coordinating corrective action.

HARASSMENT POLICY

The Discovery Center, as part of its equal employment opportunity program, is firmly committed to providing its employees with a working environment free of all forms of unlawful discrimination, including sexual harassment. Actions or words that harass or intimidate Discovery Center employees, volunteers, vendors, or visitors are strictly forbidden and will not be tolerated. Such conduct will result in disciplinary action in accordance with Discovery Center policy, up to and including termination of employment.

For the purposes of Discovery Center policy, "unlawful harassment" is defined as verbal or physical conduct that on the basis of a protected characteristic has the purpose or effect, from the point of view of a reasonable person possessing that characteristic, either of interfering with an individual's employment performance or of creating an intimidating, hostile or offensive employment environment.

Unlawful harassment may include, but is not limited to, the following actions if, as isolated acts or as part of a pattern, they have the prohibited purpose or effect on employment performance or environment:

- jokes,
- derogatory expressions, or comments,
- the display of graphics, cartoons, or objects,
- sending or forwarding electronic mail messages,
- other conduct offensive to a reasonable person possessing a particular protected characteristic.

Sexual harassment is a particular type of unlawful harassment. In addition to conduct described in the preceding paragraph that is of a sexual nature, sexual harassment includes conduct that a reasonable person would judge to be:

- unwelcome sexual advances,
- requests for sexual favors,
- other verbal or physical conduct of a sexual nature when submission to or rejection of such conduct explicitly or implicitly affects employment decisions concerning an individual,
- or when the conduct has the purpose or effect of substantially interfering with an employee's performance,
- or creating an intimidating, hostile or offensive environment because of the employee's gender.

Any individual who feels s/he has been the recipient of unlawful harassment by anyone, including supervisory employees, coworkers, visitors, vendors, board members or other individuals doing business with the Discovery Center, is encouraged to come forward immediately and report her/his concern to her/his supervisor or any management level employee with whom the employee is comfortable. The Discover Center will take all complaints seriously; investigate the facts promptly and thoroughly; and take appropriate corrective action. Any employee making a good faith complaint of unlawful harassment, sexual harassment or discrimination-related harassment will be protected from any retaliation as a result of the complaint.

An employee who believes that s/he is being or has been subjected to any form of retaliation for having brought forward a good faith complaint, or having participated in an investigation of such a complaint, should immediately notify the employee's supervisor, the executive director, or any member of the board of directors.

Although employees are encouraged to bring any complaints of harassment to management, employees may also refer complaints of harassment to:

New Hampshire Commission on Human Rights 2 Chennel Drive, Concord, NH 03301

The United States Equal Employment Opportunity Commission ("EEOC")

JFK Federal Building, Room 475, Boston, Massachusetts 02203 / 1-617-565-3200

Appendix 4: Document Retention and Destruction Policy

Federal and state laws require the retention of certain documents for specified minimum periods of time. At the same time, privacy requirements mean that certain data pertaining to staff and visitors must be secured or destroyed after a designated period of time. Not-for-profit organizations should have a written, mandatory document retention and periodic destruction policy. Policies such as this will eliminate accidental or innocent destruction. In addition, it is important for administrative personnel to know the length of time records should be retained to be in compliance with the policy.

Document Destruction

The Document Retention and Destruction Policy identifies the record retention responsibilities of staff, volunteers, members of the board of directors, and outsiders for maintaining and documenting the storage and destruction of the organization's documents and records.

The organization's staff, volunteers, members of the board of directors, committee members and outsiders (independent contractors via agreements with them) are required to honor the following rules:

- a) Paper or electronic documents indicated under the terms for retention in the following section will be transferred and maintained by the Discovery Center's finance director, executive director, or the the Discovery Center board of directors:
- b) All other paper documents will be destroyed after three years.
- c) All other electronic documents will be deleted from all individual computers, data bases, networks, and back-up storage after one year.
- d) No paper or electronic documents will be destroyed or deleted if pertinent to any ongoing or anticipated government investigation or proceeding or private litigation (check with legal counsel or the human resources department for any current or foreseen litigation if employees have not been notified), or ongoing grant-funded project.
- e) No paper or electronic documents will be destroyed or deleted as required to comply with government auditing standards (Single Audit Act).

Document Retention

The following table indicates the Discovery Center's minimum document retention policy. These may change based on changes in federal or state requirements. In addition, federal awards and other government grants may provide for a longer period than is required by other statutory requirements.

MSDC-BusinessPlan-2012.docx Revised 1 November 2012 Page 29 of 30

Type of Document	Minimum Requirement
Accounts payable ledgers and schedules	7 years
Audit reports	Permanently
Bank reconciliations	2 years
Bank statements	3 years

Retirement and pension records	Permanently
Tax returns and worksheets	Permanently
Timesheets	7 years
Trademark registrations and copyrights	Permanently
Withholding tax statements	7 years

HOUSE OF REPRESENTATIVES

CONCORD

February 27, 2013

Fiscal Committee of the General Court The Honorable Mary Jane Wallner, Chairman State House Concord, NH 03301

Dear Representative Wallner and Members of the Committee,

RSA 14:30-a, III requires the Fiscal Committee to consider recommendations proposed to it by the Legislative Performance Audit and Oversight Committee.

At its February 22, 2013 meeting, the Legislative Performance Audit and Oversight Committee voted to recommend six new performance audit topics for the Office of Legislative Budget Assistant, Audit Division. The new topics are:

- 1. Department of Corrections, Division of Community Corrections.
- 2. Department of Health and Human Services, Health Facilities Administration, Assisted Living and Nursing Facility Inspections.
- 3. Department of Health and Human Services, Electronic Benefit Transfer Cards.
- 4. Department of Resources and Economic Development, Economic Development Programs.
- 5. Police Standards and Training Council, The Council in Performance of its Charter.
- 6. Community Development Finance Authority, Program Results.

I respectfully request the Fiscal Committee's approval of these topics at its next meeting.

Sincerely,

Representative Lucy McVitty Weber, Chairman

Joint Legislative Performance Audit

and Oversight Committee

Virginia M. Barry, Ph.D. Commissioner of Education Tel. 603-271-3144

Paul Leather
Deputy Commissioner of Education
Tel. 603-271-3801

STATE OF NEW HAMPSHIRE

DEPARTMENT OF EDUCATION 101 Pleasant Street Concord, N.H. 03301 FAX 603-271-1953 Citizens Services Line 1-800-339-9900

July 24, 2013

The Honorable Mary Jane Wallner, Chairman Fiscal Committee of the General Court State House Concord, NH 03301

Her Excellency, Governor Margaret Wood Hassan And the Honorable Council State House Concord, New Hampshire 03301

REQUESTED ACTION

Pursuant to RSA 9:16-a, authorize the NH Department of Education to transfer \$1,525,000.00 between classes in order to maximize the use of available funds. This action is to be effective upon Fiscal Committee and Governor and Council approval through June 30, 2014, with a budget as follows. Source of funds is 100% Federal Grants.

EXPLANATION

Principle #2 of the New Hampshire ESEA Waiver specifies the delivery of technical assistance to the identified priority and focus schools. The technical assistance will be delivered through the New Hampshire Statewide Networked System of Support and by contracted educational coaches/specialists. In order to meet this expectation, the New Hampshire Department of Education intends to contract with these individuals under Class 102. To meet this expectation, the appropriation for Class 102 needs to be increased.

The following represents appropriation balances after the approval of the requested changes:

- 1. Class 050 Personal Services Temp \$37,571.76. Funding is needed to cover the cost of part-time temporary positions for the balance of this fiscal year.
- 2. Class 072 Grants Federal \$52,089,102.70. Balance of funds is in excess of anticipated expenditures for this fiscal year.
- 3. Class 102 Contracts for Program Service \$1,505,674.00. Additional funds are needed due to anticipated increase in expenditures for this fiscal year.

4.

EXPLANATION

The Department of Health and Human Services, Division of Community Based Care Services, seeks approval to transfer funds between class codes in accounting unit 29850000 – Balance Incentive Program (BIP). This accounting unit is the operating account for the Balancing Incentive Program Grant received from the Centers for Medicare and Medicaid Services (CMS). The Balancing Incentive Program funds are being used to enhance community-based long-term services and supports for Medicaid recipients across New Hampshire. The goal is to rebalance long-term care services and supports by allowing those needing long-term care through Medicaid to remain in their homes and communities to the greatest extent possible, while keeping institutional services available when they are necessary. The result will be that individuals in need of long-term services and supports will receive the right services, at the right time, in the right place.

The transfer of funds is necessary to operationalize certain infrastructure changes that will improve access and improve processes for eligibility determination. The changes will make it easier for individuals to learn about and be linked to community long term services and supports through a streamlined eligibility and enrollment process, as well as providing individual assistance, helpful materials, central website, and 1-800 number. These "No Wrong Door" infrastructure changes are a requirement of the BIP grant, alongwith the creation of tools to facilitate person-centered assessment and care planning, conflict free case management services, and improved oversight and quality measures. While the class line codes in the BIP budget for FY 14/15 allow for the funding of a wide range of community-focused improvements, additional class codes are needed to allow direct funding of DHHS efforts that will underpin these community efforts.

The funds transfer requested here will enable the Division of Client Services to implement a number of positive changes in the business model for their long-term care specialists. Rather than limiting these staff to working from a central location in Concord, DCS is preparing to transform their approach by converting many of these staff into mobile workers, with the flexibility to spend time on-site in various locations around the State. This flexibility will make them more readily available in communities across the State, to clients and to agency staff members. This availability will allow improved coordination and teamwork between DHHS and community organizations, resulting in better response times and streamlined application and eligibility determination processes. This mobile capacity will also allow staff to work on cases from other areas of the State as necessary.

If federal funds become no longer available, general funds will not be requested to support the program expenditures.

Area served: statewide.

The Honorable Mary Jane Wallner, Chairman and Her Excellency, Governor Margaret Wood Hassan August 19, 2013 Page 3

Source of Funds being transferred: 100% Federal Funds.

The Honorable Mary Jane Wallner, Chairman
Fiscal Committee of the General Court
and
Her Excellency, Governor Margaret Wood Hassan
and the Honorable Executive Council
State House
Concord, New Hampshire 03301

REQUESTED ACTION

1. Pursuant to RSA 14:30-a, VI, authorize the Department of Resources and Economic Development to RETROACTIVELY budget and expend the balance of a State Small Business Credit Initiative (SSBCI) grant award from the US Department of Treasury in the amount of \$3,009,272 for the purpose of providing credit assistance to small businesses upon Fiscal Committee and Governor and Executive Council approval from July 1, 2013 through June 30, 2015. The original request to accept and expend funds for Fiscal Years 2012 and 2013 was approved by the Fiscal Committee on June 17, 2011 - FIS #11-190 and the Governor and Executive Council on June 22, 2011 - Item #82A. 100% Federal Funds

Funds to be budgeted in account titled, <u>State Small Business Credit Initiative</u>, as follows with authority to adjust encumbrances and appropriations between each of the State fiscal years through the Budget Office if needed and justified:

03-35-35-350010-86840000 State Small Business Credit Initiative

			2014	2015
			Requested	Requested
			Budget	Budget
000-406816	Federal Funds		(\$2,809,272)	(\$200,000)
041-500801	Audit Fund Set Aside		\$2,806	\$200
571-500929	Pass Thru Grants		\$2,806,466	\$199,800
		TOTAL:	\$2,809,272	\$200,000

2. Further authorize the Department to enter into a RETROACTIVE and SOLE SOURCE extension to the agreement with the New Hampshire Business Finance Authority (NHBFA) (VC #170393), Concord, NH for administration, oversight, reporting, and support services in compliance with the SSBCI grant award upon Governor and Executive Council approval from July 1, 2013 through June 30, 2015. There is no additional funding involved in this time extension. The original agreement was approved by Governor and Executive Council on July 13, 2011 - Item #38.

EXPLANATION

In June 2011, the US Department of Treasury awarded the Department of Resources and Economic Development (DRED) a SSBCI grant in the amount of \$13,168,350. This SSBCI grant, which is a component of the Small Business Jobs Act of 2010, provides State's with funds to help local entrepreneurs expand their businesses and to put more Americans back to work.

TDD ACCESS: RELAY NH 1-800-735-2964

) recycled paper

In November 2010, Governor Lynch designated the NHBFA to apply for these funds on behalf of the State of New Hampshire. However, after submission of a grant application in March 2011, the NHBFA received notification that they were ineligible to apply for the funds due to being a quasi-state entity and not having the legal capacity to bind the State. Therefore, DRED stepped in and agreed to serve as the pass-through entity in order to resolve this issue.

Once approval was received from the Fiscal Committee and the Governor and Executive Council to accept the grant, DRED then entered into a 2-year agreement with the NHBFA to provide administration, oversight, reporting, and support services in compliance with the SSBCI grant. Over the last 2 years, the NHBFA has effectively and successfully carried out the scope of work under this agreement. However, not all of the programs have been completed nor has all of the funding been expended to-date.

At this time DRED is respectfully requesting **RETROACTIVE** approval to budget and expend the remaining funds, as well as, **RETROACTIVE** and **SOLE SOURCE** approval to extend the NHBFA agreement from July 1, 2013 through June 30, 2015 in order to continue the programs remaining under the grant. This request is retroactive as the first scheduled Fiscal Committee for the new biennium occurs after the original requested end date for this grant. Additionally, DRED did not feel it appropriate to request an extension for the NHBFA's oversight of the grant without having proper approval for the funding in place.

The following programs will continue to be supported by this funding:

- Existing Capital Access Program;
- Loan Guarantee Reserves;
- Collateral Shortfall Program;
- Venture Capital Fund; and
- Providing Aid to Local Development Organizations.

The NHBFA will continue to target funding towards manufacturing companies and estimates that approximately 769 small businesses will be served by these programs, with nearly 4,800 jobs being retained and/or created. They also estimate that the program will result in \$156.7 million in private investment overall.

The following appropriations are requested for Fiscal Years 2014 and 2015:

Class 041 – Audit Fund Set Aside \$3,006, amount needed for audit set-aside (.001); and Class 571 – Pass Thru Grants \$3,006,266, amount needed for pass-through to NHBFA for program management and compliance.

Indirect costs are not allowed on pass-through funds per OMB circular A-87. In the event that Federal Funds are no longer available, General Funds will not be requested to continue the support of these programs.

Respectfully submitted,

Jeffrey J. Rose Commissioner

EXPLANATION

The US Department of Treasury is set to award the Department of Resources and Economic Development (DRED) a SSBCI grant contingent upon Fiscal Committee and Governor and Executive Council approval. The SSBCI grant, which is a component of the Small Business Jobs Act of 2010, is to provide State's with funds to help local entrepreneurs expand their businesses and to put more Americans back to work.

In November 2010, the Governor designated the NH Business Finance Authority (NHBFA) to apply for these funds on behalf of the State. After submission of a grant application in March 2011, the NHBFA received notification in May that they were ineligible to apply for the funds due to being a quasi-state entity and not having the legal capacity to bind the State. Therefore, DRED stepped in and agreed to serve as the pass-through entity in order to resolve this issue.

Upon approval of this item, DRED will seek approval by the Governor and Executive Council to enter into an agreement with NHBFA to provide administration, oversight, reporting, and support services in compliance with the SSBCI grant through June 30, 2013.

The following appropriations are requested for Fiscal Years 2012 and 2013:

Class 041 – Audit Fund Set Aside \$13,168, amount needed for audit set-aside (.001); and Class 571 – Pass Thru Grants \$13,155,182, amount needed for pass-through to private entity for program management and compliance.

Indirect costs are not allowed on pass-through funds per OMB circular A-87.

The following programs will be supported by this funding:

- Existing Capital Access Program (approx. \$1,400,000);
- Loan Guarantee Reserves (approx. \$3,000,000);
- Collateral Shortfall Program (approx. \$2,500,000);
- Venture Capital Fund (approx. \$2,000,000); and
- Providing Aid to Local Development Organizations (approx. \$3,787,000).

The NHBFA will target funding towards manufacturing companies and estimates that approximately 769 small businesses will be served by these programs, with nearly 4,800 jobs being retained and/or created. They also estimate that the program will result in \$156.7 million in private investment.

In the event that Federal Funds are no longer available, General Funds will not be requested to continue the support of these programs.

Treasury Announces State-by-State Funding Allocations to Support \$15 Billion in Small Business Lending, Create New Jobs

10/8/2010 TG-896

State Small Business Credit Initiative Critical Component of Small Business Jobs Act President Obama Signed into Law This Week;

All 50 States, DC, and the U.S. Territories Now Eligible for Funds to Help Local Entrepreneurs Expand Their Businesses and Put More Americans Back to Work;

WASHINGTON – Today, the U.S. Department of the Treasury announced individual State Small Business Credit Initiative (SSBCI) funding allocations for all 50 states, the District of Columbia, and the U.S. territories, which will support \$15 billion in new small business lending through innovative local programs that help entrepreneurs expand their businesses and create new jobs. These SSBCI funds are a critical component of the Small Business Jobs Act President Obama signed into law last week to help unlock credit and provide targeted tax cuts for small businesses. (A full listing of the state-by-state allocations announced today is included below.)

"Innovative local initiatives that support small business lending are under extraordinary pressure because of state budget difficulties," said Treasury Secretary Tim Geithner. "These funds will provide vital support to successful state-level programs that help local entrepreneurs obtain the credit they need to put more Americans back to work. President Obama fought hard for the Small Business Jobs Act because it will help ensure that small businesses continue to strengthen our nation's recovery and serve as critical engines for job creation."

Under the SSBCI, states are offered the opportunity to apply for federal funds for programs that partner with private lenders to extend greater credit to small businesses. States are required to demonstrate a minimum "bang for the buck" of \$10 in new private lending for every \$1 in federal funding. Accordingly, the \$1.5 billion funding commitment that the federal government will make for this program is expected to support \$15 billion in additional private lending.

The SSBCI allows states to build upon existing, successful state-level small business lending programs, including examples such as collateral support programs, Capital Access Programs (CAPs), and loan guarantee programs.

The SSBCI allows states to build upon existing, successful state-level small business lending programs, including examples such as collateral support programs, Capital Access Programs (CAPs), and loan guarantee programs.

- o <u>Collateral Support Programs for Small Manufacturers</u>: Collateral support programs help viable businesses that are struggling to get credit because the value of the collateral they hold has fallen, often due to the decline in commercial real estate values. These programs which set aside funds to augment collateral the borrower already holds provide banks greater confidence in extending credit to these borrowers, particularly in some of the communities hardest hit by the economic downturn.
- o <u>Capital Access Programs (CAPs)</u>: CAPs, which are already up and running in over 20 states, are loan portfolio insurance programs in which states provide a matching contribution to bank loan loss reserves when lenders extend credit to qualified small businesses. These reserve enhancements allow lenders to expand credit to new borrowers at a time when many of these lenders might otherwise pull back.
- o <u>Loan Guarantee Programs</u>: Under loan guarantee programs, states provide partial guarantees on certain small business loans to give lenders greater confidence to extend credit.

If a state does not have an existing small business lending program, officials can establish one in order to access this funding. States must provide plans for utilizing their funding allocations to Treasury for review and approval.

I ne amount of SSBCI tunds a state is eligible to apply for is determined based upon formulas in the Small Business Jobs Act that take into account each state's respective unemployment rate and decline in employment relative to other states.

In addition to the State Small Business Credit Initiative, the Small Business Jobs Act includes a number of important provisions to support small business job creation. The Act includes eight new small business tax cuts that went into effect immediately upon becoming law last week; creates a \$30 billion Small Business Lending Fund to help small and community banks provide new loans to small businesses; extends and expands existing Small Business Administration loan programs; and delivers other important benefits for small businesses. For more information on the Small Business Jobs Act, please visit, link.

A full listing of State Small Business Credit Initiative allocations by state, as well as the amount of expected new lending that those allocations are expected to produce, are included below:

Jack,

It is a prerequisite to closing a State Small Business Credit Initiative (SSBCI) transaction that the implementing tity (section 1B of the Application) have both the legal capacity to bind the state and the legal authority to cept the transfer of SSBCI funds. At the time the Allocation Agreement is executed it is expected that Treasury will transfer to the participating state the first 1/3 of its allocated amount of funds, and as such, it is expected that the implementing entity will have the capacity to accept such funds at that time.

ASSURANCES - NON-CONSTRUCTION PROGRAMS

Public reporting burden for this collection of information is estimated to average 15 minutes per response, including time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Send comments regarding the burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to the Office of Management and Budget, Paperwork Reduction Project (0348-0040), Washington, DC 20503.

PLEASE DO NOT RETURN YOUR COMPLETED FORM TO THE OFFICE OF MANAGEMENT AND BUDGET. SEND IT TO THE ADDRESS PROVIDED BY THE SPONSORING AGENCY.

NOTE: Certain of these assurances may not be applicable to your project or program. If you have questions, please contact the awarding agency. Further, certain Federal awarding agencies may require applicants to certify to additional assurances. If such is the case, you will be notified.

As the duly authorized representative of the applicant, I certify that the applicant:

- Has the legal authority to apply for Federal assistance and the institutional, managerial and financial capability (including funds sufficient to pay the non-Federal share of project cost) to ensure proper planning, management and completion of the project described in this application.
- Will give the awarding agency, the Comptroller General of the United States and, If appropriate, the State, through any authorized representative, access to and the right to examine all records, books, papers, or documents related to the award; and will establish a proper accounting system in accordance with generally accepted accounting standards or agency directives.
- Will establish safeguards to prohibit employees from using their positions for a purpose that constitutes or presents the appearance of personal or organizational conflict of interest, or personal gain.
- Will initiate and complete the work within the applicable time frame after receipt of approval of the awarding agency.
- Will comply with the Intergovernmental Personnel Act of 1970 (42 U.S.C. §§4728-4763) relating to prescribed standards for merit systems for programs funded under one of the 19 statutes or regulations specified in Appendix A of OPM's Standards for a Merit System of Personnel Administration (5 C.F.R. 900, Subpart F).
- Will comply with all Federal statutes relating to nondiscrimination. These include but are not limited to: (a) Title VI of the Civil Rights Act of 1964 (P.L. 88-352) which prohibits discrimination on the basis of race, color or national origin; (b) Title IX of the Education Amendments of 1972, as amended (20 U.S.C. §§1681-1683, and 1685-1686), which prohibits discrimination on the basis of sex; (c) Section 504 of the Rehabilitation

- Act of 1973, as amended (29 U.S.C. §794), which prohibits discrimination on the basis of handicaps; (d) the Age Discrimination Act of 1975, as amended (42 U.S.C. §§6101-6107), which prohibits discrimination on the basis of age; (e) the Drug Abuse Office and Treatment Act of 1972 (P.L. 92-255), as amended, relating to nondiscrimination on the basis of drug abuse; (f) the Comprehensive Alcohol Abuse and Alcoholism Prevention, Treatment and Rehabilitation Act of 1970 (P.L. 91-616), as amended, relating to nondiscrimination on the basis of alcohol abuse or alcoholism; (g) §§523 and 527 of the Public Health Service Act of 1912 (42 U.S.C. §§290 dd-3 and 290 ee 3), as amended, relating to confidentiality of alcoholand drug abuse patient records; (h) Title VIII of the Civil Rights Act of 1968 (42 U.S.C. §§3601 et seq.), as amended, relating to nondiscrimination in the sale, rental or financing of housing; (i) any other nondiscrimination provisions in the specific statute(s) under which application for Federal assistance is being made; and, (i) the requirements of any other nondiscrimination statute(s) which may apply to the application.
- 7. Will comply, or has already compiled, with the requirements of Titles II and III of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 (P.L. 91-646) which provide for fair and equitable treatment of persons displaced or whose property is acquired as a result of Federal or federally-assisted programs. These requirements apply to all interests in real property acquired for project purposes regardless of Federal participation in purchases.
- 8. Will comply, as applicable, with provisions of the Hatch Act (5 U.S.C. §§1501-1508 and 7324-7328) which limit the political activities of employees whose principal employment activities are funded in whole or in part with Federal funds.

evious Edition Usable

- Will comply, as applicable, with the provisions of the Davis-Bacon Act (40 U.S.C. §§276a to 276a-7), the Copeland Act (40 U.S.C. §276c and 18 U.S.C. §874), and the Contract Work Hours and Safety Standards Act (40 U.S.C. §§327-333), regarding labor standards for federally-assisted construction subagreements.
- 10. Will comply, if applicable, with flood insurance purchase requirements of Section 102(a) of the Flood Disaster Protection Act of 1973 (P.L. 93-234) which requires recipients in a special flood hazard area to participate in the program and to purchase flood insurance if the total cost of insurable construction and acquisition is \$10,000 or more.
- 11. Will comply with environmental standards which may be prescribed pursuant to the following: (a) institution of environmental quality control measures under the National Environmental Policy Act of 1969 (P.L. 91-190) and Executive Order (EO) 11514; (b) notification of violating facilities pursuant to EO 11738; (c) protection of wetlands pursuant to EO 11990; (d) evaluation of flood hazards in floodplains in accordance with EO 11988; (e) assurance of project consistency with the approved State management program developed under the Coastal Zone Management Act of 1972 (16 U.S.C. §§1451 et seq.); (f) conformity of Federal actions to State (Clean Air) Implementation Plans under Section 176(c) of the Clean Air Act of 1955, as amended (42 U.S.C. §§7401 et seq.); (g) protection of underground sources of drinking water under the Safe Drinking Water Act of 1974, as amended (P.L. 93-523); and, (h) protection of endangered species under the Endangered Species Act of 1973, as amended (P.L. 93-205).

- Will comply with the Wild and Scenic Rivers Act of 1968 (16 U.S.C. §§1271 et seq.) related to protecting components or potential components of the national wild and scenic rivers system.
- 13. Will assist the awarding agency in assuring compliance with Section 106 of the National Historic Preservation Act of 1966, as amended (16 U.S.C. §470), EO 11593 (Identification and protection of historic properties), and the Archaeological and Historic Preservation Act of 1974 (16 U.S.C. §§469a-1 et seq.).
- Will comply with P.L. 93-348 regarding the protection of human subjects involved in research, development, and related activities supported by this award of assistance.
- 15. Will comply with the Laboratory Animal Welfare Act of 1966 (P.L. 89-544, as amended, 7 U.S.C. §§2131 et seq.) pertaining to the care, handling, and treatment of warm blooded animals held for research, teaching, or other activities supported by this award of assistance.
- 16. Will comply with the Lead-Based Paint Poisoning Prevention Act (42 U.S.C. §§4801 et seq.) which prohibits the use of lead-based paint in construction or rehabilitation of residence structures.
- 17. Will cause to be performed the required financial and compliance audits in accordance with the Single Audit Act Amendments of 1996 and OMB Circular No. A-133, "Audits of States, Local Governments, and Non-Profit Organizations."
- Will comply with all applicable requirements of all other Federal laws, executive orders, regulations, and policies governing this program.

GEORGE M. BALD Commissioner

June 24, 2011

His Excellency Governor John H. Lynch and the Honorable Executive Council State House Concord, New Hampshire 03301

REQUESTED ACTION

Authorize the Department of Resources and Economic Development (DRED) to enter into a SOLE SOURCE agreement with the New Hampshire Business Finance Authority (BFA) (VC# 170393), Concord, NH in the amount of \$13,155,182 to provide administration, oversight, reporting, and support services in compliance with a State Small Business Credit Initiative (SSBCI) grant awarded to DRED from the US Department of Treasury upon Governor and Executive Council approval through June 30, 2013. 100% Federal Funds

Funding is available in account titled, State Small Business Credit Initiative, as follows:

03-35-35-350010-86840000-571-500929

Pass Thru Grants

\$8,682,420

EXPLANATION

DRED was recently awarded a \$13 million SSBCI grant from the US Department of Treasury. The SSBCI grant, which is a component of the Small Business Jobs Act of 2010, is to provide New Hampshire with funds to help local entrepreneurs expand their businesses and to put more Americans back to work.

Originally, the Governor designated the BFA to apply for these funds on behalf of the State. After submission of a grant application in March 2011, the BFA received notification in May that they were ineligible to apply for the funds due to being a quasi-state entity and not having the legal capacity to bind the State. Therefore, DRED stepped in and agreed to act as grantee for the State with the intent of forming a partnership with the BFA to provide the administration, oversight, reporting, and support services for the SSBCI grant program. In order to memorialize that partnership, DRED respectfully requests award of this agreement on a sole source basis.

The Attorney General's office has approved this agreement as to form, substance and execution.

Respectfully submitted, \(\square\mathcal{M}\)

George M. Bald

Commissioner

GMB:lml attachment

AGREEMENT FOR ADMINISTRATION OF STATE SMALL BUSINESS CREDIT INITIATIVE (SSBCI) GRANT

PART I

THIS AGREEMENT, entered into this $\frac{33^{rd}}{2}$ day of June 2011, by and between the NH Business Finance Authority, hereinafter called "BFA," acting herein by Jack Donovan, Executive Director, and the State of New Hampshire Department of Resources and Economic Development hereinafter called "the State," acting herein by George M. Bald, Commissioner, for the purpose of providing administration, oversight, reporting, and support services in compliance with the SSBCI grant program for the State of New Hampshire.

WITNESSETH THAT:

WHEREAS, the State desires to implement the State Small Business Credit Initiative (SSBCI) grant program, a component of the "Small Business Jobs Act of 2010" being funded by the US Department of Treasury.

WHEREAS, the SSBCI grant program consists of helping local entrepreneurs expand their businesses and to put more Americans back to work.

WHEREAS, administration of the SSBCI grant program will consist of overall grant administration, fiscal administration, and program administration to fulfil the requirements of the SSBCI grant;

NOW THEREFORE, the parties do mutually agree as follows:

- 1. <u>Scope of Services</u> The BFA shall be responsible for overall SSBCI grant program administration, oversight, reporting, and support services in compliance with the SSBCI grant, as per "*Part II*." This work may be subcontracted in whole or in part according to BFA's staffing resources as per "*Part III*."
- 2. <u>Time of Performance</u> The services of BFA shall commence upon Governor and Executive Council approval. All of the services required and performed hereunder shall be completed no later than <u>June 30, 2013</u> per the SSBCI grant program term.
- 3. Access to Information It is agreed that all information, data, reports, records and/or other information necessary for carrying out the work outlined above shall be furnished to the State by the BFA and its agents. No charge shall be made to the State for such information and the State will cooperate with the BFA in every way possible to facilitate the performance of the work described in this Agreement.

4. Miscellaneous Provisions

- This Agreement shall be construed under and in accordance with the laws of the State of New Hampshire, and all obligations of the parties created hereunder are performable in the State of New Hampshire.
- This Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective executors, administrators, legal representatives, successors and assigns where permitted by this Agreement.
- In any case one or more of the provisions contained in this Agreement shall for any reason be held to be invalid, illegal or unenforceable in any respect, such invalidity, illegality, or unenforceability shall not affect any other provisions thereof, and this Agreement shall not be construed as if such invalid, illegal, or unenforceable provision had never been contained herein.
- This Agreement may be amended by mutual agreement of the parties hereto in writing to be attached to and incorporated into this Agreement.

- 5. <u>Terms and Conditions</u> This Agreement is subject to the provisions titled, "*Part III*" as attached hereto and incorporated by reference herein.
- 6. <u>Limit of Liability</u> The BFA agrees to execute the work diligently according to the terms of this Agreement. The BFA and its employees shall not be liable for opinions rendered or for errors resulting from the quality of data supplied to it upon which any opinion or advice was based. Notwithstanding the foregoing, nothing herein contained shall be deemed to constitute a waiver of the sovereign immunity of the State, which immunity is hereby reserved to the State. This covenant shall survive the termination of this Agreement.
- 7. Scope of Agreement This Agreement is made up of and contains all of the terms in Part I through Part IV.

PART II

The BFA shall provide the following:

1. Grant Administration

- The BFA shall develop a record keeping system consistent with SSBCI grant program guidelines, including the establishment of a filing system.
- The BFA shall maintain the primary filing and record keeping system throughout the grant period.
- The BFA shall furnish the necessary completed forms and reporting required for implementation of the SSBCI grant program.
- The BFA shall meet all special condition requirements that may be stipulated in the agreement between the State and US Department of Treasury.
- The BFA shall prepare and submit all required project reporting required by the SSBCI grant, including but not limited to progress reporting, quarterly reporting, and other reporting included in the agreement between the grantee and the US Department of Treasury.
- The BFA shall prepare and submit drawdown reimbursement requests to the US Department of Treasury, following the procedure outlined in Grant Management Assistance section 2, below.
- The BFA shall serve as liaison for the State during the implementation and completion of the SSBCI grant program for any monitoring visit by staff representatives from the US Department of Treasury.

2. Grant Management Assistance

- All original SSBCI grant program documents shall be retained by the BFA and shall be available to the State upon request.
- The BFA shall prepare the drawdown package, sign the SF-425 form, and submit it to the US Department of Treasury.
- The BFA shall submit invoices on a regular BFA invoice form to the State on a monthly basis, based on actual program expenses. Invoices shall show current and cumulative expenses incurred to date. Based on the invoices submitted, the State will pay the BFA

within 30 days of receipt and approval of invoice. The BFA shall submit its final invoice no later than 60 days after the end of the SSBCI grant program term.

All BFA invoices shall be submitted to:

Diana Townsend DRED Business Office PO Box 1856 Concord, NH 03302-1856

PART III

1. Termination of Agreement

- If, through any cause, either the BFA or the State shall fail to fulfill in a timely and proper manner its obligation under this Agreement, or if either shall violate any of the covenants, agreements, or stipulations of this Agreement, the other shall thereupon have the right to terminate this Agreement by giving written notice of such termination and specifying the effective date thereof, at least five (5) days before the effective date of such termination.
- If the Agreement is terminated by the BFA or the State as provided herein, all finished or unfinished documents, information, or reports prepared under this Agreement shall become the property of the State and shall be turned over to the State immediately.
- 2. <u>Changes</u> The State or the BFA may, from time to time, request changes in the scope of the services to be performed hereunder. Such changes which are mutually agreed upon by and between the State and BFA shall be incorporated in written amendments to this Agreement, which shall be executed by both parties.

3. Personnel

- The BFA and its subcontractors represent that they have, or will secure at their own expense, all personnel required in performing the services under this Agreement.
- All of the services required hereunder shall be performed by the BFA or the State, or under the State's supervision, and all personnel engaged in the work shall be fully qualified and shall be authorized or permitted under State and Local law to perform such services.
- The State agrees that the BFA may subcontract their scope of work if needed. However, none
 of the work or services covered by this Agreement shall be subcontracted without the prior
 written approval of the State. Any work or services subcontracted hereunder shall be
 specified by written contract or agreement and shall be subject to each provision of this
 Agreement.
- 4. <u>Assignment of Agreement</u> The BFA shall not assign any interest in this Agreement and shall not transfer any interest in the same without the prior written consent of the State thereto.
- 5. Reports and Information The BFA, at such times and in such forms as the State may require, shall furnish the State such periodic reports as the State may request pertaining to the work or services undertaken pursuant to this Agreement, and obligations incurred or to be incurred in connection therewith, and any other matters covered by this Agreement.
- 6. <u>Findings Confidential</u> All of the reports, information, data, etc., prepared or assembled by the BFA under this Agreement are confidential, except as otherwise provided under applicable law, including RSA 91-A, and the BFA agrees that they shall not be made available to any individual or organization

without the prior written approval of the State.

- 7. <u>Compliance with Local Laws</u> The BFA shall comply with applicable laws, ordinances and codes of the State of New Hampshire and its local governments.
- 8. <u>Interest of the BFA</u> No member, officer, employee, or agent of the BFA who exercises any functions or responsibilities in connection with the planning and carrying out of the program, shall have any personal financial interest, direct or indirect, in this Agreement and the BFA shall take appropriate steps to assure compliance.

	Total	\$0.00	\$9,543,746.00	\$9,543,746.00

The Honorable Mary Jane Wallner, Chairman Fiscal Committee of the General Court

Her Excellency, Governor Margaret Wood Hassan and the Honorable Council July 30, 2013 Page 2 of 2

Explanation

Governor Lynch submitted a request to the President on September 2, 2011 for a major disaster declaration in Carroll, Coos, Grafton and Merrimack counties due to a severe weather event from August 26, 2011 and continuing involving flooding and flash flooding. The President declared the State of New Hampshire a major disaster area on September 3, 2011 and designated Carroll, Coos, Grafton and Merrimack counties eligible to receive public assistance.

The request to accept \$9,543,746.00 represents the federal share of the public assistance and administrative cost allowances for the grantee and sub-grantees. Several New Hampshire State Agencies, including the Department of Transportation, the Department of Environmental Services, the Department of Resources and Economic Development, and the Department of Safety, along with over 100 New Hampshire municipalities are expected to apply for supplemental assistance with the Federal Emergency Management Agency.

The funding mechanism is 75% Federal / 25% State/Local share. The 25% required match for State Agency projects will be paid from existing budgeted appropriations or an additional request for these funds will be made through the State Legislature. The local share is the responsibility of the local applicant. The administrative cost allowance is 100% federally funded and is awarded as a percentage of the public assistance project awards, if requested. Indirect costs are budgeted based only on the Grantee Administration portion of the funds, as all other funds are considered pass-through funds and are not subject to indirect costs.

Class 018	The funds will be used for overtime costs associated with evening meetings, workshops, project
	monitoring, and administration.
Class 020	The funds will be used for supplies, materials, and operating expenses associated with administering
	disaster assistance projects.
Class 030	The funds will be used to purchase office equipment identified as necessary with administration of the
	funds.
Class 040	The funds will be used to pay state indirect costs.
Class 041	The funds will be used to pay audit fund set aside expense.
Class 060	The funds will be used to pay benefits costs associated with overtime and temporary personnel.
Class 070	The funds will be used to cover travel expenses associated with community visits.
Class 072	The funds will be used for disaster assistance grants to communities and state agencies.
Class 246	The funds will be used for grantee administrative costs.

There are no General funds required with this request. In the event that Federal funds are no longer available, General funds and/or Highway funds will not be requested to support this program.

Respectfully submitted.

TITLE I THE STATE AND ITS GOVERNMENT

CHAPTER 14 LEGISLATIVE OFFICERS AND PROCEEDINGS

Legislative Budget Assistant

Section 14:30-a

14:30-a Fiscal Committee. -

I. There is hereby established a fiscal committee of the general court. Said committee shall consist of 10 members. Five shall be members of the house as follows: the chairperson of the finance committee and 2 other members of the committee, appointed by the chairperson; and 2 other house members appointed by the speaker of the house. Five members shall be members of the senate as follows: the chairperson of the finance committee and 2 other members of that committee, appointed by the chairperson; and 2 other senators appointed by the senate president. The chairperson of the house finance committee shall be the chairperson of the fiscal committee.

II. The committee shall, while the general court is in session and during the interim, consult with, assist, advise, and supervise the work of the legislative budget assistant, and may at its discretion investigate and consider any matter relative to the appropriations, expenditures, finances, revenues or any of the fiscal matters of the state. The members shall be paid the regular legislative mileage during the interim while engaged in their work as members of the committee.

III. The fiscal committee shall consider recommendations proposed to it by the legislative performance audit and oversight committee established under RSA 17-N:1. The fiscal committee shall adopt all recommendations proposed to it as provided in RSA 17-N:1, III by the performance audit and oversight committee unless the fiscal committee refuses by unanimous vote to adopt such recommendations.

IV. [Repealed.]

V. Repealed.

VI. Any non-state funds in excess of \$100,000, whether public or private, including refunds of expenditures, federal aid, local funds, gifts, bequests, grants, and funds from any other non-state source, which under state law require the approval of governor and council for acceptance and expenditure, may be accepted and expended by the proper persons or agencies in the state government only with the prior approval of the fiscal committee of the general court.

The Honorable Mary Jane Wallner, Chairman Fiscal Committee of The General Court State House Concord, New Hampshire 03301

Her Excellency, Governor Margaret Wood Hassan and the Honorable Council July 30, 2013 Page 2 of 2

Class 247

Explanation

Governor Lynch submitted a request to the President on June 8, 2012, for a major disaster declaration in Cheshire County due to a severe weather event on May 29-31, 2012, involving flooding and flash flooding. The President declared the State of New Hampshire a major disaster area on June 15, 2012, and designated Cheshire County eligible to receive public assistance.

The request to accept \$3,271,590.00 represents the federal share of the public assistance and administrative cost allowances for the grantee and sub-grantees. Several New Hampshire State Agencies, including the Department of Transportation, the Department of Environmental Services, the Department of Resources and Economic Development, and the Department of Safety, along with approximately 12 New Hampshire municipalities are expected to apply for supplemental assistance with the Federal Emergency Management Agency.

The funding mechanism is 75% Federal/25% State/Local share. The 25% required match for State Agency projects will be paid from existing budgeted appropriations or an additional request for these funds will be made through the State Legislature. The local share is the responsibility of the local applicant. The administrative cost allowance is 100% federally funded and is awarded automatically as a percentage of the public assistance project awards. Indirect costs are budgeted based only on the Grantee Administration portion of the funds, as all other funds are considered pass-through funds and are not subject to indirect costs.

Class 018	The funds will be used for overtime costs associated with evening meetings, workshops, project
	monitoring, and administration.
Class 020	The funds will be used for supplies, materials, and operating expenses associated with administering
	disaster assistance projects.
Class 030	The funds will be used to purchase office equipment identified as necessary with administration of the
	funds.
Class 040	The funds will be used to pay state indirect costs.
Class 041	The funds will be used to pay audit fund set aside expense.
Class 060	The funds will be used to pay benefits costs associated with overtime.
Class 070	The funds will be used to cover travel expenses associated with community visits.
Class 072	The funds will be used for disaster assistance grants to communities and state agencies.
Class 246	The funds will be used for grantee administrative costs.

There are no General funds required with this request. In the event that Federal funds are no longer available, General funds and/or Highway funds will not be requested to support this program.

The funds will be used for sub-grantee administrative costs.

Respectfully submitted,

Commissioner

CHAPTER 14 LEGISLATIVE OFFICERS AND PROCEEDINGS

Legislative Budget Assistant

Section 14:30-a

14:30-a Fiscal Committee. -

I. There is hereby established a fiscal committee of the general court. Said committee shall consist of 10 members. Five shall be members of the house as follows: the chairperson of the finance committee and 2 other members of the committee, appointed by the chairperson; and 2 other house members appointed by the speaker of the house. Five members shall be members of the senate as follows: the chairperson of the finance committee and 2 other members of that committee, appointed by the chairperson; and 2 other senators appointed by the senate president. The chairperson of the house finance committee shall be the chairperson of the fiscal committee.

II. The committee shall, while the general court is in session and during the interim, consult with, assist, advise, and supervise the work of the legislative budget assistant, and may at its discretion investigate and consider any matter relative to the appropriations, expenditures, finances, revenues or any of the fiscal matters of the state. The members shall be paid the regular legislative mileage during the interim while engaged in their work as members of the committee.

III. The fiscal committee shall consider recommendations proposed to it by the legislative performance audit and oversight committee established under RSA 17-N:1. The fiscal committee shall adopt all recommendations proposed to it as provided in RSA 17-N:1, III by the performance audit and oversight committee unless the fiscal committee refuses by unanimous vote to adopt such recommendations.

IV. [Repealed.]

V. [Repealed.]

VI. Any non-state funds in excess of \$100,000, whether public or private, including refunds of expenditures, federal aid, local funds, gifts, bequests, grants, and funds from any other non-state source, which under state law require the approval of governor and council for acceptance and expenditure, may be accepted and expended by the proper persons or agencies in the state government only with the prior approval of the fiscal committee of the general court.

JOHN J. BARTHELMES COMMISSIONER

State of New Hampshire

DEPARTMENT OF SAFETY
OFFICE OF THE COMMISSIONER
33 HAZEN DR. CONCORD, NH 03305
603/271-2791

July 30, 2013

The Honorable Mary Jane Wallner, Chairman Fiscal Committee of the General Court State House Concord, New Hampshire 03301

Her Excellency, Governor Margaret Wood Hassan and the Honorable Council State House Concord, New Hampshire 03301

Requested Action

Pursuant to RSA 14:30-a VI, the Department of Safety, Division of Homeland Security and Emergency Management, requests authorization to accept and expend Hazard Mitigation Grant Program (HMGP) funds from the Federal Emergency Management Agency (FEMA) in the amount of \$532,223.00 for the implementation of cost effective mitigation projects. Effective upon Fiscal Committee and Governor and Council approvals through June 30, 2015. Funding Source: 100% Federal Funds.

Funding is available in the SFY 2014 operating budget as follows:

02-23-23-236010-29210000

Dept. of Safety

HSEM

The Honorable Mary Jane Wallner, Chairman Fiscal Committee of the General Court

Her Excellency, Governor Margaret Wood Hassan and the Honorable Council July 30, 2013 Page 2 of 2

Explanation

The Hazard Mitigation Grant Program (HMGP) provides funding to states and communities (sub-grantees) for cost-effective hazard mitigation activities that complement a comprehensive mitigation program. FEMA provides HMGP funds to states following presidentially declared disasters where the FEMA Public Assistance Program is employed that, in turn, provide subgrants or contracts for a variety of mitigation activities, such as planning and the implementation of projects identified through the evaluation of natural hazards. The cost share is 75% Federal funds and a 25% applicant soft-match. The sub-grantee will provide and document the program match requirements. The management costs associated with the Hazard Mitigation Grant Program are 100% federal funds and do not require a matching percentage.

Class Code	<u>Title</u>	Description
018	Overtime	Provides funding for full-time staff working extra hours to manage the
		HMA programs.
020	Current Expense	Allows for purchasing supplies needed to manage the HMA programs.
030	Equipment	Allows for purchasing equipment needed for project management.
040	Indirect Cost	Represents the associated amount for this request.
041	Audit Fund Set Aside	Represents the associated amount for this request.
060	Benefits	Provides funding associated with Class Code 018.
070	In-State Travel	Provides funding for travel to manage the HMA programs statewide.
072	Grants	Provides funding for grants to sub-grantees.
080	Out-of-State Travel	Provides funding for travel to workshops associated with managing the
		HMA programs.
246	Grantee Admin Costs	Provides funding for Grantee administrative costs.

At the time the State of New Hampshire FY 2014 – 2015 budget was being developed, it was not anticipated that the State would receive this level of funding.

The State of New Hampshire solicits applications statewide. Notification of the availability of HMGP funds is made to every community by e-mail and by letters sent to the chief elected official of each community. The State of New Hampshire submits all applications received for program funding to the Federal Emergency Management Agency for their final approval. Applications that are determined to be cost effective and program eligible are then funded by FEMA up to 75%; not every application submitted is determined to be program eligible. However, all applications that are determined to be eligible are funded at the requested dollar amount listed in their application, pending availability of adequate program funding.

There are no General funds required with this request. In the event that Federal funds are no longer available, General funds and/or Highway funds will not be requested to support this program.

Respectfully submitted,

Commissioner of Safety

February 7, 2013

Perry Plummer, Acting Director NH Department of Homeland Security and Emergency Management 33 Hazen Drive Concord, New Hampshire 03301

Re:

12-Month Final Lock-In

FEMA-4049-DR-NH

Hazard Mitigation Grant Program (HMGP)

Dear Director Plummer:

Under Section 404 of the Stafford Act, as amended, 75% Federal funding is authorized for hazard mitigation measures. As a condition of receiving Federal disaster assistance, measures must be cost-effective, environmentally acceptable and be consistent with the strategies and recommendations identified in your State Hazard Mitigation Plan. Funding for mitigation projects under the HMGP is based on 15% of the estimated aggregate amount of grants made under the Stafford Act. The 12-month final lock-in of \$507,411 in Federal funding is available for the HMGP under FEMA-4049-DR-NH. A breakdown of funding is listed below:

	α
5% PROJECTS	\$ 25,371
7% PROJECTS	\$.35,519
REGULAR PROJECTS	\$ 446,521
12-MONTH LOCK-IN	\$ 507,411
STATE MANAGEMENT COST PROJECTS	\$ 24.812

This calculation is based on the 12-month estimate as reported by the authorized disaster assistance programs. This is the final 12-month lock-in for FEMA-4049-DR-NH. Final applications or amendments for new mitigation projects must have been submitted to the FEMA Region I Hazard Mitigation Division by **December 5, 2012**. Please forward a SF-424 to cover the funding request. If you have any questions, please contact me.

Sincerely,

Dean J. Savramis

Director, Mitigation Division

FEMA Region I

Cc: Beth Peck, Acting SHMO, NH HSEM

Her Excellency, Governor Margaret Wood Hassan and the Honorable Council July 30, 2013 Page 2 of 2

Explanation

The Hazard Mitigation Grant Program (HMGP) provides funding to states and communities (sub-grantees) for cost-effective hazard mitigation activities that complement a comprehensive mitigation program. FEMA provides HMGP funds to states following presidentially declared disasters where the FEMA Public Assistance Program is employed that, in turn, provide subgrants or contracts for a variety of mitigation activities, such as planning and the implementation of projects identified through the evaluation of natural hazards. The cost share is 75% Federal funds and a 25% applicant soft-match. The sub-grantee will provide and document the program match requirements. The management costs associated with the Hazard Mitigation Grant Program are 100% federal funds and do not require a matching percentage.

Class Code	<u>Title</u>	Description
018	Overtime	Provides funding for full-time staff working extra hours to manage the
		HMA programs.
020	Current Expense	Allows for purchasing supplies needed to manage the HMA programs.
030	Equipment	Allows for purchasing equipment needed for project management.
040	Indirect Cost	Represents the associated amount for this request.
041	Audit Fund Set Aside	Represents the associated amount for this request.
060	Benefits	Provides funding associated with Class Code 018.
070	In-State Travel	Provides funding for travel to manage the HMA programs statewide.
072	Grants	Provides funding for grants to sub-grantees.
080	Out-of-State Travel	Provides funding for travel to workshops associated with managing the
		HMA programs.
246	Grantee Admin Costs	Provides funding for Grantee administrative costs.

At the time the State of New Hampshire FY 2014 - 2015 budget was being developed, it was not anticipated that the State would receive this level of funding.

The State of New Hampshire solicits applications statewide. Notification of the availability of HMGP funds is made to every community by e-mail and by letters sent to the chief elected official of each community. The State of New Hampshire submits all applications received for program funding to the Federal Emergency Management Agency for their final approval. Applications that are determined to be cost effective and program eligible are then funded by FEMA up to 75%; not every application submitted is determined to be program eligible. However, all applications that are determined to be eligible are funded at the requested dollar amount listed in their application, pending availability of adequate program funding.

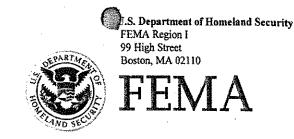

There are no General funds required with this request. In the event that Federal funds are no longer available, General funds and/or Highway funds will not be requested to support this program.

Respectfully submitted,

John J. Barthelmes Commissioner of Safety Department of Safety Homeland Security and Emergency Management Hazard Mitigation Prgram - FEMA

Re:

12-Month Final Lock-In

FEMA-4026-DR-NH

Hazard Mitigation Grant Program (HMGP)

Dear Director Pope:

Under Section 404 of the Stafford Act, as amended, 75% Federal funding is authorized for hazard mitigation measures. As a condition of receiving Federal disaster assistance, measures must be cost-effective, environmentally acceptable and be consistent with the strategies and recommendations identified in your State Hazard Mitigation Plan. Funding for mitigation projects under the HMGP is based on 15% of the estimated aggregate amount of grants made under the Stafford Act. The 12-month final lock-in of \$2,107,500 in Federal funding is available for the HMGP under FEMA-4026-DR-NH. A breakdown of funding is listed below:

5% PROJECTS	\$ 105,375
7% PROJECTS	\$ 147,525
REGULAR PROJECTS	\$ 1,854,600
12-MONTH LOCK-IN	\$ 2,107,500
STATE MANAGEMENT COSTS	\$ 103,057

This calculation is based on the 12-month estimate as reported by the authorized disaster assistance programs. This is the final 12-month lock-in for FEMA-4026-DR-NH. Final applications or amendments for new mitigation projects must have been submitted to the FEMA Region I Hazard Mitigation Division by **September 3, 2012**. Please forward a SF-424 to cover the funding request. If you have any questions, please contact me.

Sincerely,

Dean J. Savramis

Mitigation Division Director

FEMA Region I

Cc: Lance Harbour, HSEM

TITLE I THE STATE AND ITS GOVERNMENT

CHAPTER 14 LEGISLATIVE OFFICERS AND PROCEEDINGS

Legislative Budget Assistant

Section 14:30-a

14:30-a Fiscal Committee. -

I. There is hereby established a fiscal committee of the general court. Said committee shall consist of 10 members. Five shall be members of the house as follows: the chairperson of the finance committee and 2 other members of the committee, appointed by the chairperson; and 2 other house members appointed by the speaker of the house. Five members shall be members of the senate as follows: the chairperson of the finance committee and 2 other members of that committee, appointed by the chairperson; and 2 other senators appointed by the senate president. The chairperson of the house finance committee shall be the chairperson of the fiscal committee.

II. The committee shall, while the general court is in session and during the interim, consult with, assist, advise, and supervise the work of the legislative budget assistant, and may at its discretion investigate and consider any matter relative to the appropriations, expenditures, finances, revenues or any of the fiscal matters of the state. The members shall be paid the regular legislative mileage during the interim while engaged in their work as members of the committee.

III. The fiscal committee shall consider recommendations proposed to it by the legislative performance audit and oversight committee established under RSA 17-N:1. The fiscal committee shall adopt all recommendations proposed to it as provided in RSA 17-N:1, III by the performance audit and oversight committee unless the fiscal committee refuses by unanimous vote to adopt such recommendations.

IV. [Repealed.]

V. [Repealed.]

VI. Any non-state funds in excess of \$100,000, whether public or private, including refunds of expenditures, federal aid, local funds, gifts, bequests, grants, and funds from any other non-state source, which under state law require the approval of governor and council for acceptance and expenditure, may be accepted and expended by the proper persons or agencies in the state government only with the prior approval of the fiscal committee of the general court.

The Honorable Mary Jane Wallner, Chairman Fiscal Committee of the General Court

Her Excellency, Governor Margaret Wood Hassan and the Honorable Council July 30, 2013 Page 2 of 2

Explanation

Governor Hassan submitted a request to the President on March 6, 2013 for a major disaster declaration for the State of New Hampshire due to a severe winter storm and snow storm on February 8-10, 2013 involving record snow precipitation in eight counties. The President declared the State of New Hampshire a major disaster area on March 19, 2013 and designated Belknap, Carroll, Cheshire, Hillsborough, Merrimack, Rockingham, Strafford and Sullivan counties eligible to receive public assistance.

The request to accept \$5,636,571.00 represents the federal share of the public assistance and administrative cost allowances for the grantee and sub-grantees. Several New Hampshire State Agencies, including the Department of Transportation and the Department of Safety, along with over 100 New Hampshire municipalities are expected to apply for supplemental assistance with the Federal Emergency Management Agency.

The funding mechanism is 75% Federal / 25% State/Local share. The 25% required match for State Agency projects will be paid from existing budgeted appropriations or an additional request for these funds will be made through the State Legislature. The local share is the responsibility of the local applicant. The administrative cost allowance is 100% federally funded and is awarded automatically as a percentage of the public assistance project awards. Indirect costs are budgeted based only on the Grantee Administration portion of the funds, as all other funds are considered pass-through funds and are not subject to indirect costs.

Class 018	The funds will be used for overtime costs associated with evening meetings, workshops, project monitoring, and administration.
Class 020	The funds will be used for supplies, materials, and operating expenses associated with administering disaster assistance projects.
Class 030	The funds will be used to purchase office equipment identified as necessary with administration of the funds.
Class 040	The funds will be used to pay state indirect costs.
Class 041	The funds will be used to pay audit fund set aside expense.
Class 060	The funds will be used to pay benefits costs associated with overtime.
Class 070	The funds will be used to cover travel expenses associated with community visits.
Class 072	The funds will be used for disaster assistance grants to communities and state agencies.
Class 246	The funds will be used for grantee administrative costs.
Class 247	The funds will be used for sub-grantee administrative costs.

There are no General funds required with this request. In the event that Federal funds are no longer available, General funds and/or Highway funds will not be requested to support this program.

Respectfully submitted,

Commissioner

August 15, 2013

The Honorable Mary Jane Wallner, Chairman Fiscal Committee of the General Court State House Concord, NH 03301

Her Excellency, Governor Margaret Wood Hassan And the Honorable Council State House Concord NH 03301

REQUESTED ACTION

- 1. Pursuant to RSA 14:30-a,VI, authorize the Department of Justice to **retroactively** amend a grant award received from the Federal Bureau of Justice Statistics, National Criminal History Improvement Program, in the amount of \$129,580, approved by the Fiscal Committee on November 8, 2012, FIS #12-320 and the Governor and Council on December 5, 2012, item # 29, by extending the end date only from June 30, 2013 to September 30, 2014 effective upon approvals of the Fiscal Committee and the Governor and Council through September 30, 2014. 100% Federal Funds, no additional funds to be added.
- 2. Upon approval of paragraph number one, authorize the Department of Justice to **retroactively** amend Governor and Council item #29, approved on December 5, 2012, by extending the end date only, from the original end date of September 30, 2013, to a new end date of September 30, 2014, of a sub grant with the NH Department of Safety in the amount of \$129,450 to be utilized to enhance the criminal history records system at the Department of Safety, effective upon Governor and Council approval. This Grant is 100% Federal Funding. No additional funds to be added.

Funds are available in account #02-20-20-201510-2909-072-500576, entitled "NCHIP."

EXPLANATION

This request is retroactive because the required federal approval for extension of this grant award was received by the Department of Justice on August 8, 2013 and this is the first opportunity to present this request to the Fiscal Committee and the Governor and Council for consideration.

Governor and Council approved the awarding of funds to the NH Department of Safety from the Federal Fiscal Year 2012 National Criminal History Records Improvement (NCHIP) award from the Bureau of Justice Statistics, U.S. Department of Justice, with an end date of September 30, 2013. The NCHIP program is designed to assist States with the improvement of criminal history records and the interchange of criminal justice data between justice agencies. New Hampshire has previously used this funding to assist in the development of our statewide criminal justice information system, known as J-ONE and to support Protective Order file efforts at the Courts.

The sub grant awarded to the Department of Safety is being used for improvements to the criminal history records systems. In 2011, the NH Department of Safety interfaced the state Central Criminal History (CCH) with the state Automated Fingerprint Identification System (AFIS) systems and discovered an incompatibility in the two systems. This incompatibility created an additional manual step in the processing of fingerprint records at the Department of Safety which slowed down the overall work process. This funding helped create an automated "work around" for that issue. In addition, as of this year, the FBI is no longer accepting inked fingerprint cards. A large number of law enforcement agencies still produce and submit inked fingerprint cards, which require the Department of Safety to convert them to AFIS digital format before forwarding to the FBI. Given the new FBI requirement and the number of agencies still submitting inked fingerprint cards throughout New Hampshire, and absent this funding to implement the "work around," the workload at the Department of Safety Criminal History Records Unit will increase and productivity will decrease.

The Department of Justice is seeking additional time for this project to allow the Department of Safety vendor to fully complete the project. It is anticipated that this project should be fully completed prior to September 30, 2014.

Please let me know if you have any questions concerning this request.

Your consideration is greatly appreciated.

Respectfully sabmitted.

Joseph A. Eoster

ATTORNEY GENERAL DEPARTMENT OF JUSTICE

900: Council

33 CAPITOL STREET CONCORD, NEW HAMPSHIRE 03301-6397

MICHAEL A. DELANEY ATTORNEY GENERAL

ANN M. RICE DEPUTY ATTORNEY GENERAL

September 28, 2012

Representative Ken Weyler, Chairman Fiscal Committee of the General Court State House Concord, NH 03301

His Excellency Governor John H. Lynch And the Honorable Council State House Concord, NH 03301

REQUESTED ACTION

Pursuant to RSA 14:30-a, VI, authorize the Department of Justice to accept and expend a grant in the amount of \$129,580 from the Federal Bureau of Justice Statistics, federal fiscal year 2012 National Criminal History Improvement Program, to be utilized to improve the functioning of the criminal justice system, effective upon Fiscal Committee and Governor and Council approval through June 30, 2013. This grant is 100% federal funding.

Funds are to be budgeted in a new account, #02-20-201510-2909, Department of Justice, Grants Administration, entitled "NCHIP," as follows:

<u>Class</u> 041-500801 072-500576	Description Audit Fund Set Aside Grants	Amount \$ 130 \$129,450
Source of Funds		
000-400961	Federal Funds Revenue Source	\$129,580

Per OMB circular A-87 Indirect costs are not allowable on pass through funding.

2. Authorize the Department of Justice to enter into a sub grant with the NH Department of Safety in the amount of \$129,450 to be utilized to enhance the criminal history records system at the Department of Safety, effective the date of Governor and Council approval through September 30, 2013. This grant is 100% federal funding.

Telephone 603-271-3658 • FAX 603-271-2110 • TDD Access: Relay NH 1-800-735-2964

These funds are available in account 02-20-201510-2909-072-500576, entitled "NCHIP" as follows:

<u>Class</u> 072-500576

<u>Description</u>
Grants to other State agencies – Fed.

<u>Amount</u> \$129,450

EXPLANATION

This request is to accept the Federal Fiscal Year 2012 National Criminal History Records Improvement (NCHIP) award from the Bureau of Justice Statistics, U.S. Department of Justice, and to enter into a single sub grant with the NH Department of Safety. The NCHIP program is designed to assist States with the improvement of criminal history records and the interchange of criminal justice data between justice agencies. New Hampshire has previously used this funding to assist in the development of our statewide criminal justice information system, known as J-ONE and to support Protective Order file efforts at the Courts.

The sub grant awarded to the Department of Safety will assist with improvements to the criminal history records systems. In 2011, the NH Department of Safety interfaced the state Central Criminal History (CCH) with the state Automated Fingerprint Identification System (AFIS) systems and discovered an incompatibility in the two systems. This incompatibility created an additional manual step in the processing of fingerprint records at the Department of Safety which slowed down the overall work process. This funding will create an automated "work around" for that issue. In addition, as of this year, the FBI is no longer accepting inked fingerprint cards. A large number of law enforcement agencies still produce and submit inked fingerprint cards, which requires that the Department of Safety convert them to AFIS digital format before forwarding them to the FBI. Absent this funding to implement the "work around," the workload at the Department of Safety Criminal History Records Unit will increase and productivity will decrease as a result of both this new FBI requirement and the number of agencies still submitting inked fingerprint cards throughout New Hampshire.

This funding was not budgeted in FY 2012-2013 as it is a discretionary grant program that is only applied for when a specific project meeting the criteria outlined in the grant program is identified. The State of New Hampshire did not submit an application for this funding last year, nor was one anticipated in advance for this year. The timing and the need for this application was based on the recent changes made by the FBI. Funding has been included in the FY 2014-2015 biennial budget.

Please let me know if you have any questions concerning this request.

Your consideration is greatly appreciated.

Respectfully submitted,

Michael A. Delaney Attorney General

The Honorable Mary Jane Wallner, Chairman Fiscal Committee of the General Court

Her Excellency, Governor Margaret Wood Hassan and the Honorable Council August 16, 2013 Page 2 of 2

Explanation

On April 13, 2010, Governor Lynch submitted a request to the President for a major disaster declaration in Hillsborough, Merrimack and Rockingham counties due to severe weather events involving rain and strong winds. The President declared the State of New Hampshire a major disaster area on May 12, 2010, and designated Rockingham County only eligible to receive public assistance.

This request to accept and expend \$982,455.00 represents the federal share of public assistance and administrative costs remaining for DR1913. The funding mechanism is 75% Federal and 25% State/Local share. The 25% required match for State Agency projects will be paid from existing budgeted appropriations or an additional request for these funds will be made through the State Legislature. The local share is the responsibility of the local applicant. The administrative cost allowance is 100% federally funded and is awarded automatically as a percentage of the public assistance project awards. Indirect costs are budgeted based only on the Grantee Administration portion of the funds, as all other funds are considered pass-through funds and are not subject to indirect costs.

Class 018	The funds will be used for overtime costs associated with evening meetings, workshops, project monitoring, and administration.
Class 020	The funds will be used for supplies, materials, and operating expenses associated with administering disaster assistance projects.
Class 030	The funds will be used to purchase office equipment identified as necessary with administration of the funds.
Class 040	The funds will be used to pay state indirect costs.
Class 041	The funds will be used to pay audit fund set aside expense.
Class 060	The funds will be used to pay benefits costs associated with overtime.
Class 070	The funds will be used to cover travel expenses associated with community visits.
Class 072	The funds will be used for disaster assistance grants to communities and state agencies.
Class 246	The funds will be used for grantee administrative costs.

There are no General funds required with this request. In the event that Federal funds are no longer available, General funds and/or Highway funds will not be requested to support this program.

Respectfully submitted,

Commissioner of Safety

TITLE I THE STATE AND ITS GOVERNMENT

CHAPTER 14 LEGISLATIVE OFFICERS AND PROCEEDINGS

Legislative Budget Assistant

Section 14:30-a

14:30-a Fiscal Committee. -

I. There is hereby established a fiscal committee of the general court. Said committee shall consist of 10 members. Five shall be members of the house as follows: the chairperson of the finance committee and 2 other members of the committee, appointed by the chairperson; and 2 other house members appointed by the speaker of the house. Five members shall be members of the senate as follows: the chairperson of the finance committee and 2 other members of that committee, appointed by the chairperson; and 2 other senators appointed by the senate president. The chairperson of the house finance committee shall be the chairperson of the fiscal committee.

II. The committee shall, while the general court is in session and during the interim, consult with, assist, advise, and supervise the work of the legislative budget assistant, and may at its discretion investigate and consider any matter relative to the appropriations, expenditures, finances, revenues or any of the fiscal matters of the state. The members shall be paid the regular legislative mileage during the interim while engaged in their work as members of the committee.

III. The fiscal committee shall consider recommendations proposed to it by the legislative performance audit and oversight committee established under RSA 17-N:1. The fiscal committee shall adopt all recommendations proposed to it as provided in RSA 17-N:1, III by the performance audit and oversight committee unless the fiscal committee refuses by unanimous vote to adopt such recommendations.

IV. [Repealed.]

V. [Repealed.]

VI. Any non-state funds in excess of \$100,000, whether public or private, including refunds of expenditures, federal aid, local funds, gifts, bequests, grants, and funds from any other non-state source, which under state law require the approval of governor and council for acceptance and expenditure, may be accepted and expended by the proper persons or agencies in the state government only with the prior approval of the fiscal committee of the general court.

	Total	\$0.00	\$284,000.00	\$284,000.00

Explanation

Governor Lynch submitted a request to the President on October 30, 2012, for an emergency declaration for the State of New Hampshire due to Hurricane Sandy beginning on October 26, 2012. This event involved damaging wind and flooding statewide. The President declared the State of New Hampshire a disaster area on October 30, 2012, and designated all ten counties eligible to receive public assistance.

The request to accept \$284,000.00 represents the federal share of the public assistance and administrative cost allowances for the grantee and sub-grantees. The funding mechanism is 75% Federal and 25% State/Local share. The 25% required match for State Agency projects will be paid from existing budgeted appropriations or an additional

The Honorable Mary Jane Wallner, Chairman Fiscal Committee of the General Court

Her Excellency, Governor Margaret Wood Hassan and the Honorable Council August 19, 2013 Page 2 of 2

request for these funds will be made through the State Legislature. The local share is the responsibility of the local applicant. The administrative cost allowance is 100% federally funded and is awarded as implied in the New Hampshire Public Assistance Administrative Plan. Indirect costs are budgeted based only on the Grantee Administration portion of the funds, as all other funds are considered pass-through funds and are not subject to indirect costs.

Class 040 The funds will be used to pay state indirect costs.

Class 041 The funds will be used to pay audit fund set aside expense.

Class 072 The funds will be used for disaster assistance grants to communities and state agencies.

Class 246 The funds will be used for grantee administrative costs.

There are no General funds required with this request. In the event that Federal funds are no longer available, General funds and/or Highway funds will not be requested to support this program.

Respectfully submitted,

John J. Barthelme: Commissioner

I. There is hereby established a fiscal committee of the general court. Said committee shall consist of 10 members. Five shall be members of the house as follows: the chairperson of the finance committee and 2 other members of the committee, appointed by the chairperson; and 2 other house members appointed by the speaker of the house. Five members shall be members of the senate as follows: the chairperson of the finance committee and 2 other members of that committee, appointed by the chairperson; and 2 other senators appointed by the senate president. The chairperson of the house finance committee shall be the chairperson of the fiscal committee.

II. The committee shall, while the general court is in session and during the interim, consult with, assist, advise, and supervise the work of the legislative budget assistant, and may at its discretion investigate and consider any matter relative to the appropriations, expenditures, finances, revenues or any of the fiscal matters of the state. The members shall be paid the regular legislative mileage during the interim while engaged in their work as members of the committee.

III. The fiscal committee shall consider recommendations proposed to it by the legislative performance audit and oversight committee established under RSA 17-N:1. The fiscal committee shall adopt all recommendations proposed to it as provided in RSA 17-N:1, III by the performance audit and oversight committee unless the fiscal committee refuses by unanimous vote to adopt such recommendations.

IV. [Repealed.]

V. [Repealed.]

VI. Any non-state funds in excess of \$100,000, whether public or private, including refunds of expenditures, federal aid, local funds, gifts, bequests, grants, and funds from any other non-state source, which under state law require the approval of governor and council for acceptance and expenditure, may be accepted and expended by the proper persons or agencies in the state government only with the prior approval of the fiscal committee of the general court.

ATTORNEY GENERAL DEPARTMENT OF JUSTICE

FIS 13 191

33 CAPITOL STREET
CONCORD, NEW HAMPSHIRE 03301-6397

JOSEPH A. FOSTER ATTORNEY GENERAL

ANN M. RICE DEPUTY ATTORNEY GENERAL

August 15, 2013

The Honorable Mary Jane Wallner, Chairman Fiscal Committee of the General Court State House Concord, NH 03301

Her Excellency, Governor Margaret Wood Hassan And the Honorable Council State House Concord NH 03301

REQUESTED ACTION

- 1. Pursuant to RSA 14:30-a, VI, authorize the Department of Justice to **retroactively** amend Fiscal Item # 12-033 approved by the Fiscal Committee on January 20, 2012, and Governor and Council on February 8, 2012, item #19, by extending the end date from June 30, 2013 to a new end date of September 30, 2014. This funding is for the purposes of establishing a Statewide Automated Victim Information and Notification Program (SAVIN), for the period effective upon the Fiscal Committee and Governor and Council approvals through September 30, 2014. No new funds are being requested. 100% Federal Funds.
- 2. Upon approval of paragraph number one, authorize the Department of Justice to **retroactively** amend item #19, approved by Governor and Council on February 8, 2012, by extending the end date only, with no increase in funding, of the sub grant to the NH Department of Safety (vendor #177878-B001) in the amount of \$955,095.00 from the original end date of June 30, 2013, to a new end date of September 30, 2014, effective upon Governor and Council approval. This is 100% Federal Funds.

Funds are available in account #02-20-201510-1137, Department of Justice FY 11 SAVIN Grant.

3. Upon approval of paragraph number one, authorize the Department of Justice to enter into a sub grant with the NH Department of Corrections (vendor #177896-B001) in the amount of \$8,247.28, to be used to support the development of the NH SAVIN system, from the period of Governor and Council approval through September 30, 2014, effective upon Governor and Council approval. This is 100% Federal Funds.

Funds are available in account #02-20-201510-1137, Department of Justice FY 11 SAVIN Grant.

EXPLANATION

This request is retroactive because the beginning date (July 1, 2013) associated with the request is in the new biennium. It is the policy of the Fiscal Committee to act only on items within the current biennium. This grant was awarded on September 7, 2011, with an original end date of September 30, 2013. As the biennium ended on June 30, 2013, we did not originally seek Fiscal Committee approval beyond that date. The federal grant has since been extended by the Office of Justice Programs to September 30, 2014.

The program's dual purpose is the prevention of crime and the realization of victims' rights under state statute NHRSA 21-M:8-k, Rights of Crime Victims. The program will lay the foundation for real-time notification to victims whose offenders are involved in the criminal justice system at any and all points, from arrest and court events through release from custody and probation and parole hearings.

Funding under this project supports the construction and implementation of a subscription notification service component to the NH Department of Safety's established criminal information sharing system, J-One. The system is scheduled to connect to the state prison, the courts, and the county jails, and will be designed to allow for future inclusion of all police departments, county attorneys, and other agencies of the state's criminal justice system, including those needing substantial technological updates to become compatible with J-One.

The new award to the NH Department of Corrections is the second of two small awards to the Department to assist with the staffing requirements of developing the SAVIN system in that agency.

In the event that Federal Funds are no longer available, General Funds will not be requested to support this program.

Please let me know if you have any questions concerning this request.

Your consideration is greatly appreciated.

Respectfully submitted.

Joseph A. Foster

Attorney General

ATTORNEY GENERAL DEPARTMENT OF JUSTICE

33 CAPITOL STREET CONCORD, NEW HAMPSHIRE 03301-6397

MICHAEL A. DELANEY ATTORNEY GENERAL

ANN M. RICE DEPUTY ATTORNEY GENERAL

December 28, 2011

Representative Ken Weyler, Chairman Fiscal Committee of the General Court State House Concord, NH 03301

His Excellency Governor John Lynch And the Honorable Executive Council State House Concord, NH 03301 No activity #.
Pertin B.

REQUESTED ACTION

Pursuant to RSA 14:30-a, VI, authorize the Department of Justice to accept and expend a grant from the US Department of Justice, Office of Justice Programs, in the amount of \$985,141.00, for the purposes of establishing a Statewide Automated Victim Information and Notification Program (SAVIN), for the period effective upon the Fiscal Committee and Governor and Council approvals through June 30, 2013. 100% Federal Funds.

Funds are to be budgeted in 02-20-201510-1137, Department of Justice, Grants Administration, entitled "FY 11 SAVIN Grant" as follows:

Class	Description	• .	SFY 2012
040-500800	Indirect Costs		898
041-500801	Audit Fund Set As	ide	985
072-500576	Grants to State Age	encies - Fed.	<u>983,258</u>
Totals			\$985,141
Source of Funds:			٠
000-404424	Federal Funds		\$985,141

2. Authorize the Department of Justice to enter into sub grants with the agencies listed below in the total amount of \$973,137 from the Statewide Automated Victim Information and Notification Program

(SAVIN) Program, to support their activities in the coordination and implementation of this Statewide initiative effective upon Governor and Council approval through June 30, 2013. 100% Federal Funds

Funding is available in account #02-20-20-200010-1137-072-500576, Department of Justice, entitled "FFY 11 SAVIN Grant."

•	Agency	Vendor#	Amount Po#
# 126596-gnieder	NH Department of Corrections	177896-B001	\$ 18,042.00 102/5/L
	NH Department of Safety	177878-B001	\$955,095.00 102/5/

EXPLANATION

The Department of Justice requests authorization to accept and expend this discretionary grant awarded under the project title "Statewide Automated Victim and Information Notification Program" from the US Department of Justice, Office of Justice Programs, Bureau of Justice Assistance.

The program's dual purposes are the prevention of crime and the realization of victims' rights under NH RSA 21-M:8-k, Rights of Crime Victims. The program will lay the foundation for real-time notification to victims as their offenders progress through the criminal justice system, from arrest and court events through release from custody and probation and parole hearings.

With funding under this project, the sub grant awarded to the NH Department of Safety will be used to access the infrastructure of J-One, which allows information sharing among the different criminal justice agencies. Leveraging the technology, equipment, and expertise invested in J-One, SAVIN funding will be used by the Department of Safety for contracts, equipment, and supplies to design and implement an interfacing information system, specifically for bringing the information to victims via a subscription notification service. An additional sub grant to the NH Department of Corrections will support personnel costs of the Director of Victim Services Unit, which will assist in the planning and implementation of the system.

The system will be designed to allow for future inclusion of all police departments, county attorneys, and other agencies of the State's criminal justice system, including those needing substantial technological updates to become compatible with J-One.

The funds are budgeted to support the activities as follows:

Class 040 - Indirect Costs

Class 041 - Audit Fund Set Aside

Class 072 - Grants to the Department of Safety and the Department of Corrections for their activities related to the Project.

This discretionary grant was not included in the budget because the application was submitted on March 24, 2011, and we did not receive notification of the award until September 7, 2011.

In the event that Federal Funds are no longer available, General Funds will not be requested to support this program.

Please let me know if you have any questions concerning this request.

Your consideration is greatly appreciated.

Respectfully submitted,

Michael A. Delaney Attorney General

EXPLANATION

Pursuant to Senate Bill 99 (Chapter 134) enacted on June 26, 2013, OEP is responsible for the study of the site evaluation committee's organization, structure, and process to better ensure that the review of energy facility applications serves the public good and provides clarity to potential energy project developers. As part of this study, OEP is responsible for the development of recommended regulatory criteria. In order to fulfill its responsibilities OEP will consult with the state energy committee, the house science, technology and energy committee, and contract with outside vendor(s). The funding authorized under Chapter 134:3 will be used to contract outside vendors and/or consultant(s) to conduct the study and the development of recommended regulatory criteria.

OEP did not anticipate at the time the FY14/15 budget was developed that it would receive these funds, and is therefore requesting that these funds be added to its budget now.

Funds are requested for the following purposes:

Class 103 - Contracts for Operational Services

Mifallard for:

To contract with an outside vender to perform a study of the site evaluation committee's organization, structure, and process.

In the event that Other Funds become no longer available, General Funds will not be requested to support these programs.

Respectfully submitted,

Meredith A. Hatfield

Director

MH/DM

requiring a study of the site evaluation committee and process, and developing regulatory criteria for the siting of energy facilities.

Be it Enacted by the Senate and House of Representatives in General Court convened:

134:1 Study and Report. The office of energy and planning (OEP) shall, in consultation with the senate energy and natural resources committee and the house science, technology and energy committee, contract with an outside vendor to perform a study of the site evaluation committee's organization, structure, and process to better ensure that the review of energy facility applications serves the public good and provides clarity to potential energy project developers. The study shall identify deficits and needs, including but not limited to, potential funding, technology expertise, committee membership, staffing, the roles of participating municipalities and the public, the role of the counsel to the public, whether RSA 162-H allows the site evaluation committee to require applicants to present alternatives, including but not limited to the burial of energy facilities in publicly-owned transportation rights of way, and other issues that may be identified. The study shall also include review and consideration of relevant studies and plans, including but not limited to those developed by the independent system operator of New England (ISO-NE), the public utilities commission, the energy efficiency and sustainable energy board, legislative study committees and commissions, and other state and regional organizations as appropriate. The study shall engage all interested members of the public in a process where meetings are duly noticed and minutes are maintained for all public meetings and posted on the OEP website within 7 days of the meeting. The OEP shall make a report to the speaker of the house of representatives, the senate president, the governor, the senate clerk, the house clerk, and the state library on or before December 31, 2013.

134:2 New Paragraph; Energy Facility Site Evaluation. Amend RSA 162-H:10 by inserting after paragraph VI the following new paragraph.

VII. No later than January 1, 2015, the committee shall adopt rules, pursuant to RSA 541-A, relative to criteria for the siting of energy facilities, including specific criteria to be applied in determining if the requirements of RSA 162-H:16, IV(b) and (c) have been met by the applicant for a certificate of site and facility. Prior to the adoption of such rules, the office of energy and planning shall hire and manage one or more consultants to conduct a public stakeholder process to develop recommended regulatory criteria, which may include consideration of issues identified in attachment C of the 2008 final report of the state energy policy commission, as well as others that may be

CHAPTER 134 SB 99 - FINAL VERSION - Page 2

identified during the stakeholder process. The office of energy and planning shall submit a report based on the findings of the public stakeholder process to the committee by January 1, 2014.

134:3 Funding. Up to a combined total of \$200,000 shall be made available by the public utilities commission to the office and energy and planning to fulfill its responsibilities under sections 1 and 2 of this act and to the site evaluation committee for rulemaking under section 2 of this act from the energy efficiency portion of the system benefits charge, the renewable energy fund established under RSA 362-F:10, the energy efficiency fund established under RSA 125-O:23, or other funding sources under the jurisdiction of the public utilities commission. The office and the committee may utilize any other funding sources that are available to them for these purposes.

134:4 Effective Date. This act shall take effect upon its passage.

STATE OF NEW HAMPSHIRE

OFFICE OF ENERGY AND PLANNING

107 Pleasant Street, Johnson Hall Concord, NH 03301-3834 Telephone: (603) 271-2155 Fax: (603) 271-2615

August 20, 2013

The Honorable Mary Jane Wallner, Chairman Fiscal Committee of the General Court State House Concord, NH 03301

Her Excellency, Governor Margaret Wood Hassan And the Honorable Council State House Concord, NH 03301

REQUESTED ACTION

Pursuant to RSA 14:30-a, VI, the Office of Energy and Planning (OEP) respectfully requests authorization to **RETROACTIVELY AMEND** Fiscal Item #13-022 approved by the Legislative Fiscal Committee on February 1, 2013 and Governor and Executive Council on February 20, 2013, Item #2, by extending the performance period of the competitive State Energy Programs (SEP) Energy Efficiency Resource Standard (EERS) from June 30, 2013 to March 31, 2014, upon Joint Fiscal Committee and Governor and Council approval. The original request to accept these funds was approved by the Legislative Fiscal Committee on October 28, 2011 (Fiscal Item #11-307) and Governor and Executive Council on October 26, 2011, Item #11(2). No additional funding is involved in this time extension request. 100% Federal Funds (SEP – Department of Energy)

EXPLANATION

This request is **RETROACTIVE** due to OEP not receiving documentation of the grant extension from the Department of Energy until July 16, 2013.

This grant extension will allow OEP and its state partners to continue educating stakeholders on the potential economic benefits of adopting an EERS or other policy mechanisms to increase investments in energy efficiency. Stakeholders in the state have expressed an interest in adopting a formal efficiency goal, and this grant can help inform the design of such a goal in order to maximize the benefits of efficiency in New Hampshire.

In the event that Federal Funds become no longer available, General Funds will not be requested to support this program.

Respectfully submitted,

wa Mifailand for

Méredith A. Hatfield

Director

Agenda Item 2

REQUESTED ACTION

by Piscai Commisses

Pursuant to RSA 14:30-a, VI, the Office of Energy and Planning (OEP) respectfully requests authorization to **RETROACTIVELY AMEND** Fiscal Item #11-307 approved by the Legislative Fiscal Committee on October 28, 2011 and Governor and Executive Council on October 26, 2011, Item #11(2), by extending the performance period of the competitive State Energy Programs (SEP) Energy Efficiency Resource Standard (EERS) from the original end date of September 29, 2012 to June 30, 2013, upon Joint Fiscal Committee and Governor and Council approval. No additional funding is involved in this time extension request. 100% Federal Funds (SEP – Department of Energy)

EXPLANATION

This grant will allow OEP and its State partners to develop and implement a statewide plan that will focus on assessing the economic feasibility of increasing investment in energy efficiency through the adoption of EERS and other policy mechanisms. By promoting energy efficiency, this effort will reduce the state's reliance on imported energy, and manage energy costs for New Hampshire residents, businesses, and public entities.

This request is retroactive due to OEP not receiving documentation of the grant extension from the Department of Energy until December 7, 2012.

In the event that Federal Funds become no longer available, General Funds will not be requested to support this program.

Respectfully Submitted,

Joanne Cassulo Interim Director

Totals	, i	229,719.00	305,405.00	535,124.00

EXPLANATION

For Item #1 above, the Office of Energy and Planning is responsible for administering New Hampshire's SEP formula grant. The amount allocated to New Hampshire for Program Year 2012 exceeds what is in the State Budget; consequently, OEP is respectfully requesting permission to accept and expend a portion of these additional funds into its budget to meet the grant's objectives.

Funds are requested for the following purposes:

Class 020 - Current Expenses

To fund additional supplies needed due to the increased scope of work required for this grant Class 026 - Organizational Dues To pay for CONEG (Coaliation of Northeast Governors) dues To pay for a scanner, which will allow for more efficient Class 030 - Equipment transfer of information and documentation To cover 0.1% of the award for audit set-aside Class 041 - Audit Set-Aside To fund an MOA with Department of Environmental Class 049 - Transfers to Other State Agencies Services to continue work on increasing the use of alternative fuels such as compressed natural gas To fund additional travel needed due to the increased scope of Class 070 - In-State Travel work required for this grant To further energy education and public outreach efforts, energy Clas 102 - Contracts for Program Services

tracking, and policy, planning and energy assurance and security issues

For Item #2 above, the Office of Energy and Planning applied for and was awarded a competitive SEP grant on September 20, 2011. OEP did not anticipate at the time the FY12/13 budget was developed that it would receive these funds, and is therefore requesting that these funds be added to its budget now. This grant will allow OEP to lead a stakeholder process and engage experts in energy efficiency financing, measurement and verification to develop a specific and realistic goal for total energy efficiency savings from electric and gas utility programs, as well as from non-ratepayer funded sources. This effort will reduce the state's reliance on imported energy, and manage energy costs for the state's residents, businesses, and public entities.

Funds are requested for the following purposes:

Class 020 - Current Expenses	To fund supplies needed to perform the work required for
	this grant
Class 041 - Audit Set-Aside	To cover 0.1% of the award for audit set-aside
Class 070 - In-State Travel	To fund travel needed to perform the work required for
•	this grant
Class 080 - Out of State Travel	To fund travel to conferences on Energy Efficiency (American
	Council for an Energy-Efficient Economy, etc.)
Clas 102 - Contracts for Program Services	To fund endeavors that assist with the development of energy
	efficiency models, outreach and facilitation of stakeholders

Additional Indirect Costs and Fringe Benefits have not been budgeted in this request as the amount previously budgeted is sufficient to cover all indirect and fringe benefit costs associated with these funds.

In the event that the Federal funds become no longer available, General Funds will not be requested to support these programs.

Respectfully Submitted,

Joanne O. Morin

Director

STATE OF NEW HAMPSHIRE DEPARTMENT of RESOURCES and ECONOMIC DEVELOPMENT DIVISION of PARKS and RECREATION

172 Pembroke Road P.O. Box 1856 Concord, New Hampshire 03302-1856 PHONE: (603) 271-3556 FAX: (603) 271-3553 E-MAIL: nhparks@dred.state.nh.us WEB: www.nhstateparks.org

August 20, 2013

The Honorable Mary Jane Wallner, Chairman
Fiscal Committee of the General Court
and
Her Excellency, Governor Margaret Wood Hassan
and the Honorable Executive Council
State House
Concord, New Hampshire 03301

REQUESTED ACTION

Pursuant to RSA 14:30-a, VI, authorize the Department of Resources and Economic Development, Division of Parks and Recreation, Bureau of Historic Sites to RETROACTIVELY budget and expend an Economic Development Initiative-Special Project (EDI-SP) grant #B-08-SP-NH-0658 from the US Department of Housing and Urban Development (HUD) in the amount of \$205,800 for restoration work at the Robert Frost Farm in Derry, NH upon Fiscal Committee and Governor and Executive Council approval from July 1, 2013 through June 30, 2015. The original request was approved by the Fiscal Committee on January 20, 2012, FIS #12-027, and by the Governor and Executive Council on January 25, 2012, Item #38. 100% Federal Funds

Funding to be budgeted in account titled, <u>Congress Consolidated Appropriations Act</u>, <u>2008</u>, as follows with authority to adjust encumbrances and appropriations between each of the State fiscal years through the Budget Office if needed and justified.

03-35-35-350010-90860000 Congress Consolidated Appropriations Act, 2008

			2014	2015
			Requested	Requested
			Budget	<u>Budget</u>
000-407994	Federal Funds		(130,206)	(75,594)
040-500800	Indirect Costs		5,934	3,903
041-500801	Audit Fund Set Aside		124	82
103-500736	Contracts for Op Services		124,148	71,609
		Total:	130,206	75,594

EXPLANATION

The Grant Agreement and the HUD 1044 Assistance Award/Amendment form was signed by HUD in mid-June 2010 and, based upon the grant award instructions, is to be considered the effective date of the grant award with a deadline for expenditure within 5 years. At that time however a request to budget the funding in FY 2011 was delayed by the Department due to being unable to provide the appropriate project oversight. In January 2012, approval was received from the Fiscal Committee and Governor and Executive Council based on the Department's expectation that the restoration work could be completed by June 30, 2013. Unfortunately, the Department was once again unable to complete the work and must

request approval to budget the funding under FY 2014 and FY 2015 in order to fulfill the requirements of the grant award prior to the funding being lost to the Department completely.

The EDI-SP grant is to provide restoration work at the Robert Frost Farm which includes: repairs to the stone foundation of the ell and barn; adding low tech environmental controls to the current heating plant at the main house; custom building and installing period wooden and ultra-violet protective storm windows for the entire house; bringing the electrical system up to code in the main house; repairs to the plastered walls and ceilings throughout the main house; improvements to the sites bathroom facilities; and painting (inside and outside) of the house, ell and barn.

The following appropriations are being requested for Fiscal Year 2014 and 2015:

Class 040 – Indirect Costs - \$9,837, amount needed to cover the indirect cost rate (4.78%);

Class 041 – Audit Fund Set Aside - \$206, amount needed to cover the audit fund set aside percentage (.001); and

Class 103 - Contracts for Op Services - \$195,757, amount needed to enter into contracts for restoration work as described above.

With fiscal year-end closing and a new budget enacted, the Department overlooked the need to secure approval to extend this funding. Consequently retroactive approval is requested to correct this oversight.

In the event that Federal Funds are no longer available, General Funds will not be requested to continue support of this program.

FY 2008 EDI-SPECIAL PROJECT NO. B-08-SP-NH-0658

GRANT AGREEMENT

This Grant Agreement between the Department of Housing and Urban Development (HUD) and New Hampshire Division of Parks and Recreation (the Grantee) is made pursuant to the authority of Public Law 110-161 (Consolidated Appropriations Act, 2008) and a listing of certain specific Economic Development Initiative Special Projects specified in the Congressional Record of December 17, 2007. The amount shown below is 98.00% of the amount specified in the Congressional Record of December 17, 2007, because of a 2.00% reduction mandated by the Act. The Grantee's application, as may be amended by the provisions of this Grant Agreement, is hereby incorporated into this Agreement.

In reliance upon and in consideration of the mutual representations and obligations hereunder, HUD and the Grantee agree as follows:

Subject to the provisions of the Grant Agreement, HUD will make grant funds in the amount of \$205,800 available to the Grantee.

The Grantee agrees to abide by the following:

ARTICLE I. HUD Requirements.

The Grantee agrees to comply with the following requirements for which HUD has enforcement responsibility.

- A. The grant funds will only be used for activities described in the application, which is incorporated by reference and made part of this Agreement as may be modified by Article VII (A) of this Grant Agreement.
- B. EQUAL OPPORTUNITY REQUIREMENTS

The grant funds must be made available in accordance with the following:

- 1. For projects involving housing, the requirements of the Fair Housing Act (42 U.S.C. 3601-20) and implementing regulations at 24 CFR Part 100; Executive Order 11063 (Equal Opportunity in Housing) and implementing regulations at 24 CFR Part 107.
- 2. The requirements of Title VI of the Civil Rights Act of 1964 (42 U.S.C. 2000d) (Nondiscrimination in Federally Assisted Programs) and implementing regulations issued at 24 CFR Part 1.
- 3. The prohibitions against discrimination on the basis of age under the Age Discrimination Act of 1975 (42 U.S.C. 6101-07) and implementing regulations at 24 CFR Part 146, and the prohibitions against discrimination against handicapped individuals under section 504 of the Rehabilitation Act of 1973 (29 U.S.C. 794) and implementing regulations at 24 CFR Part 8.

- 4. The requirements of 24 CFR 5.105(a) regarding equal opportunity as well as the requirements of Executive Order 11246 (Equal Employment Opportunity) and the implementing regulations issued at 41 CFR Chapter 60.
- 5. For those grants funding construction covered by 24 CFR 135, the requirements of section 3 of the Housing and Urban Development Act of 1968, (12 U.S.C. 1701u) which requires that economic opportunities generated by certain HUD financial assistance shall, to the greatest extent feasible, be given to low- and very low-income persons and to businesses that provide economic opportunities for these persons.
- 6. The requirements of Executive Orders 11625 and 12432 (concerning Minority Business Enterprise), and 12138 concerning Women's Business Enterprise). Consistent with HUD's responsibilities under these Orders, the Grantee must make efforts to encourage the use of minority and women's business enterprises in connection with grant funded activities. See 24 CFR Part 85.36(e), which describes actions to be taken by the Grantee to assure that minority business enterprises and women business enterprises are used when possible in the procurement of property and services.
- 7. Where applicable, Grantee shall maintain records of its efforts to comply with the requirements cited in Paragraphs 5 and 6 above.

C. ENVIRONMENTAL REVIEW REQUIREMENTS.

- 1. If the Grantee is a unit of general local government, a State, an Indian Tribe, or an Alaskan Native Village, the Grantee agrees to assume all of the responsibilities for environmental review and decision- making and actions, as specified and required in regulations issued by the Secretary pursuant to the Multifamily Housing Property Disposition Reform Act of 1994 and published in 24 CFR Part 58.
- 2. If the Grantee is a housing authority, redevelopment agency, academic institution, hospital, or other non-profit organization, the Grantee shall request the unit of general local government, Indian Tribe, or Alaskan Native Village, within which the project is located and which exercises land use responsibility, to assume all of the responsibilities for environmental review and decision-making as specified in paragraph C.1 above, and the Grantee shall carry out all of the responsibilities of a recipient under 24 CFR Part 58.

- D. Administrative requirements of OMB Circular A-133 "Audits of States, Local governments and Non-Profit Organizations."
- E. For State and Local Governments, the Administrative requirements of 24 CFR Part 85, including the procurement requirements of 24 CFR Part 85.36, and the requirements of OMB Circular A-87 regarding Cost Principles for State and Local Governments. For Non-Profits, the Administrative requirements of 24 CFR Part 84, including the procurement requirements of 24 CFR Part 84.40, and OMB Circular A-122 regarding Cost Principles for Non-Profit Institutions. For Institutions of Higher Education the applicable OMB Circular regarding Cost Principles is A-21.
- F. The regulations at 24 CFR Part 87, related to lobbying, including the requirement that the Grantee obtain certifications and disclosures from all covered persons.
- G. The regulations at 24 CFR Part 21, regarding requirements for Drug-Free Workplace.
- H. The Uniform Relocation Act as implemented by regulations at 49 CFR Part 24.
- I. The Grantee will comply with all accessibility requirements under section 504 of the Rehabilitation Act of 1973 (29 U.S.C. 794) and implementing regulations at 24 CFR Part 8, where applicable.
- J. The regulations at 24 CFR Part 35, where applicable, regarding Lead-Based Paint Poisoning Prevention in Certain Residential Structures.
- K. The regulations at 24 CFR Part 5.109, where applicable, regarding Equal Participation of Religious Organizations in HUD Programs and Activities.

ARTICLE II. Conditions Precedent to Draw Down.

The Grantee may not draw down grant funds until the following actions have taken place:

- A. The Grantee has received and approved any certifications and disclosures required by 24 CFR 87.100 concerning lobbying.
- B. Any other conditions listed in Article VII (C) of this Grant Agreement.

ARTICLE III. Draw Downs.

A. A request by the Grantee to draw down grant funds under the Voice Response Access system or any other payment system constitutes a representation by the Grantee that it and all participating parties are complying with the terms of this Grant Agreement.

- B. The Grantee will be paid on an advance basis provided that the Grantee minimizes the time elapsing between transfer of the grant funds and disbursement for project purposes and otherwise follows the requirements of 24 CFR Part 85 or Part 84 and Treasury Circular 1075 (31 CFR Part 205).
- C. Before the Grant Agreement is signed, the Grantee may incur cost for activities which are exempt from environmental review under 24 CFR Part 58 and may charge the costs to the grant.

ARTICLE IV. Progress Reports.

- A. The Grantee shall submit to the Grant Officer a progress report every six months after the effective date of the Grant Agreement. Progress reports shall consist of (1) a narrative of work accomplished during the reporting period and (2) a completed Financial Status Report Form 269 A.
 - HUD may require additional information or increased frequency of reporting as described in Article VII (C).
- B. The performance reports must contain the information required under 24 CFR Part 85.40(b) (2) or 24 CFR Part 84.51(a), as applicable including a comparison of actual accomplishment to the objectives indicated in the approved application, the reasons for slippage if established objectives were not met, and additional pertinent information including explanation of significant cost overruns.
- C. No grant drawdowns will be approved for projects with overdue progress reports.

ARTICLE V. Project Close-out.

- A. The grantee shall submit to the Grant Officer a written request to close-out the grant 30 days after the grantee has drawn down all funds and completed the activities described in the application, as may be amended. The final report shall consist of (1) a narrative of all work accomplished during the project period and (2) a completed Financial Status Report Form 269 A covering the entire project period.
 - HUD will then send the Close-out Agreement and Close-out Certification to the Grantee. At HUD's option, the Grantee may delay initiation of project close-out until the resolution of any HUD monitoring findings. If HUD exercises this option the Grantee must promptly resolve the findings.
- B. The Grantee recognizes that the close-out process may entail a review by HUD to determine compliance with the Grant Agreement by the Grantee and all participating parties. The Grantee agrees to cooperate with any review in any way possible, including making available records requested by HUD and the project for on-site HUD inspection.

- C. The Grantee shall provide to HUD the following documentation:
 - 1. A Certification of Project Completion.
 - 2. A Grant Close-out Agreement.
 - 3. A final financial report giving the amount and types of project costs charged to the grant (that meet the allowability and allocability requirements of OMB Circular A-122, A-87 or A-21 as applicable, including the "necessary and reasonable" standard); a certification of the costs; and the amounts and sources of other project funds.
 - 4. A final performance report providing a comparison of actual accomplishments with each of the project commitments and objectives in the approved application, the reasons for slippage if established objectives were not met and additional pertinent information including explanation of significant cost overruns.
- D. The Grantee agrees that the grant funds are allowable only to the extent that the project costs, meeting the standard of OMB Circular A-122, A-87 or A-21 as applicable, equal the grant amount plus other sources of project funds provided.
- E. When HUD has determined that the grant funds are allowable, the activities were completed as described by the Grant Agreement, and all Federal requirements were satisfied, HUD and the Grantee will sign the Close-out Agreement and Close-out Certificate.
- F. The Close-out Agreement will include the Grantee's Agreement to abide by any continuing federal requirements.

ARTICLE VI. Default.

A default under this Grant Agreement shall consist of using grant funds for a purpose other than as authorized by this Agreement, any noncompliance with legislative, regulatory, or other requirements applicable to the Agreement, any other material breach of this Agreement, or any material misrepresentation in the application submissions.

ARTICLE VII. Additional Provisions.

- A. Project Description. The project is as described in the application with the following changes:
- B. Changes or Clarification to the Application Related to Participating Parties:
 The Administrative Agent if any:
- C. Special Conditions:

The Consolidated Appropriations Act, 2008 provides that no funds made available under the Act may be used to support any Federal, State or local projects that seek to use the power of eminent domain, unless eminent domain is employed only for a public use. For purposes of this provision, public use shall not be construed to include economic development that primarily benefits private entitites.

GRANT AWARD INSTRUCTIONS

Congratulations on the award of your Economic Development Initiative-Special Project (EDI-SP) grant. The Department of Housing and Urban Development (HUD) looks forward to working with you on your project.

This document provides all of the instructions you will need to receive and access your EDI-SP grant funds. The EDI-SP grant funds will be wire transferred directly from the U.S. Department of Treasury into your bank account on an as needed basis. HUD suggests that you carefully review all of the instructions in this document and distribute these instructions to all staff that will access your organization's EDI-SP grant funds. HUD's Congressional Grants Division (CGD) in Washington, D.C. administers your EDI-SP grant. All correspondence regarding this grant, except where instructed, should be sent to the CGD at the following address:

U.S. Department of Housing and Urban Development Community Planning and Development Congressional Grants Division 451 Seventh Street, SW, Room 7146 Washington, D.C. 20410

The telephone number for the Congressional Grants Division is (202) 708-3773. This is not a toll-free call. Please ask to speak to the Grant Officer assigned to your state when calling the CGD and be prepared to provide your EDI-SP grant number.

You can find additional forms and instructions on the Congressional Grants Division webpage at: http://www.hud.gov/offices/cpd/economicdevelopment/programs/congressional.

Enclosed with this document are the forms you will need to set up your EDI-SP grant account. These forms include:

- 1. Line of Credit Control System (LOCCS) Voice Response Access Authorization Form (HUD-27054).
- 2. Direct Deposit Sign-up Form (SF-1199A).
- 3. Request Voucher for Grant Payment (HUD-27053).
- 4. Federal Financial Report (SF-425).
- 5. Change of Address Request (HUD-27056).

I). FREQUENTLY ASKED QUESTIONS ABOUT EDI-SP GRANTS

1. WHAT DOCUMENTS ARE REQUIRED TO ACCESS EDI-SP GRANT FUNDS?

ANSWER: Once you have submitted your application and received approval of the grant from HUD, you will receive an approval package consisting of grant agreements, assistance/award forms, a direct deposit sign up form and a LOCCS Access Authorization form. The grant agreements and assistance award forms must be signed, dated and returned to the Congressional Grants Division, along with the direct deposit sign-up form and a cancelled or voided check that indicates your bank's ABA number. The LOCCS Access Authorization form must be completed and returned to the Washington, DC address at the top of the form. Further detailed instructions for accessing the Line of Credit Control System (LOCCS) are provided in Section II.

2. WHAT ARE THE ENVIRONMENTAL REVIEW REQUIREMENTS FOR THIS GRANT AND WHEN SHOULD AN APPLICANT BEGIN THE ENVIRONMENTAL REVIEW PROCESS?

ANSWER: An environmental review of the project associated with the grant must be completed before grant funds are committed or disbursed to the project. HUD cannot make funds available for activities that were undertaken prior to the environmental review and which would have required a review. Applicants are advised to begin the environmental review process as soon as possible. Ideally, the environmental review should occur while the application is under review by HUD. Your local HUD field office can provide more information about the required environmental review process. The HUD environmental officer for your grant can be also identified on the Division's web site at:

www.hud.gov/offices/cpd/economicdevelopment/programs/congressional.

3. WHAT IS THE PROCEDURE FOR A GRANTEE TO MAKE CHANGES TO THE APPROVED PROJECT, BUDGET AND/OR TIME LINE?

ANSWER: The applicant must submit a letter requesting revisions to the project, budget, and/or timeline for the project along with a justification for the proposed changes. Amendments to previously approved projects may also require a revision of the environmental review for the amended project.

4. IF A GRANTEE OR PROJECT IS AWARDED MORE THAN ONE EDI-SPECIAL PROJECT GRANT, CAN THE GRANT FUNDS BE COMBINED?

ANSWER: No. Each EDI-SP grant is a separate project and is processed separately.

5. WHAT IS THE START OR "EFFECTIVE" DATE OF THE GRANT?

ANSWER: The start or "effective" date for the EDI-SP grant is the date that HUD signs the Grant Agreement and the HUD 1044 Assistance Award/Amendment form.

6. WHAT IS THE ENDING DATE?

ANSWER: Most EDI-SP grants funds must be "obligated", (i.e. under contract), within the first three fiscal years of the appropriation (e.g., FY2009 grants must be obligated or under contract by the end of FY2011). Additionally, most EDI-SP grants funds must be expended within five years of the deadline for obligation (e.g. FY2009 grant funds remain available for expenditure until the end of FY2016). Please note that a fiscal year begins on October 1st of the previous calendar year and should be calculated accordingly (e.g. FY2009 begins on October 1, 2008 and ends on September 31, 2009). Any unobligated or unexpended grant funds that remain at the end of the deadlines are returned to the U.S. Department of Treasury. Both the obligation and expenditure deadlines are established by law and cannot be waived or extended by HUD.

7. ARE THERE REPORTING REQUIREMENTS FOR THIS GRANT?

ANSWER: Yes. Progress Reports are due on a semi-annual basis. They should be sent to the attention of the Grant Officer listed in Block 9 of the HUD Form 1044 "Assistance Award Amendment" and submitted to the following address:

U.S. Department of Housing and Urban Development Community Planning and Development Congressional Grants Division 451 7th Street, SW, Room 7146 Washington, D.C. 20410

You will be sent a reminder letter 30 days in advance of the Progress Report's due date. The report must consist of: 1) a narrative on the project's progress for the reporting time period; 2) a completed Standard Form 425 "Federal Financial Report" if funds have been expended during the reporting period and; 3) copies of HUD form 20753 "LOCCS VRS Request Voucher for Grant Payment", if you have drawn down funds from the LOCCS during the reporting time period.

8. IS A PROGRESS REPORT REQUIRED IF NO ACTIVITY HAS TAKEN PLACE ON THE GRANT?

ANSWER: Yes. The grantee should inform HUD in a narrative that no activity has taken place on the proposed activities and that no grant funds have been drawn down.

ATTORNEY GENERAL DEPARTMENT OF JUSTICE

33 CAPITOL STREET
CONCORD, NEW HAMPSHIRE 03301-6397

JOSEPH A. FOSTER ATTORNEY GENERAL

ANN M. RICE DEPUTY ATTORNEY GENERAL

August 19, 2013

The Honorable Mary Jane Wallner, Chairman Fiscal Committee of the General Court State House Concord, NH 03301

Her Excellency, Governor Margaret Wood Hassan And the Honorable Council State House Concord NH 03301

REQUESTED ACTION

- Pursuant to RSA 14:30-a,VI, authorize the Department of Justice to **retroactively** amend Fiscal item #12-287, approved by the Fiscal Committee on September 14, 2012 and by the Governor and Council on October 3, 2012, item #22, by extending the end date from June 30, 2013 to a new end date of June 30, 2014 of a grant received from the US Department of Justice, Office for Victims of Crime designed to enhance and expand the services provided for the families of victims of homicide. This request is to be effective from July 1, 2013 to June 30, 2014 with date of the Fiscal Committee and Governor and Council approvals. 100% Federal Funds.
- 2. Upon approval of paragraph number one, and pursuant to RSA 14:30-a, VI, authorize the Department of Justice to **retroactively** accept and expend \$91,014 of the remaining grant to be used to enhance and expand the services provided for families of victims of homicide effective July 1, 2013 through June 30, 2014 with the date of the Fiscal Committee and Governor and Council approvals. 100 % Federal Funds.

These funds are to be budgeted in account #02-20-201510-5323, Department of Justice, Grants Administration, entitled "VW Homicide Victim Services" as follows:

			SFY14
<u>Class</u>	<u>Description</u>		<u>Budget</u>
020-500200	Current Expense		\$13,801
030-500310	Equipment New Replace		\$3,000
038-500175	Technology-Software		\$0
040-500800	Indirect Costs		\$7,260
041-500801	Audit Fund Set Aside	•	\$91
042-500620	Post-Retirement Benefit		\$4,792
046-500464	Consultants		\$0
059-500117	Temp. Full Time Position		\$42,000
060-500612	Benefits		\$17,000
067-500559	Training of Providers		\$0
070-500704	In-State Travel		\$0
072-500575	Grants-Federal		\$0
080-500710	Out of State Travel		\$3,070
-		Total	\$91,014
Source of Funds			\$91,014
Federal Funds R	Revenue Source 403685		

3. Contingent upon the approval of paragraph numbers one and two, and pursuant to RSA 124:15, authorize the Department of Justice to retroactively continue one (1) full-time temporary position within budget Class 059 (Full-Time Temporary), Program Specialist II, (LG 21) that will provide services and support to homicide victims' families for the period of July 1, 2013 to June 30, 2014 effective upon the Fiscal Committee and Governor and Council approvals through June 30, 2014. 100% Federal Funds.

EXPLANATION

This request is retroactive because the beginning date (July 1, 2013) associated with the request is in the new biennium. It has been the policy of the Fiscal Committee to act only on items within the current biennium. The federal grant was extended by USDOJ on May 13, 2013. As the biennium ended June 30, 2013, we did not seek Fiscal Committee approval beyond that date until the current biennium.

This grant was originally approved by the Fiscal Committee on August 29, 2009, item#09-284 and Governor and Council on September 9, 2009, item #23 with subsequent amendments approved by the Fiscal Committee on October 19, 2010, item #10-288 and by the Governor and Council on October 20, 2010, item #23, and Fiscal Committee on July 15, 2011, item #11-197 and Governor and Council on July 13, 2011, item #25.

The Department of Justice requests authorization to extend the grant awarded under the project title "OVC FY2009 Intensive Case Management for Family Members of Homicide Victims in Rural Areas" from the US Department of Justice. Extension of the federal end date of this project was approved on May 17, 2013. The approval of this request will allow the department to fully expend the grant funds and to fulfill the purpose of the grant. The budgeting of the prior year balance is to allocate sufficient funds for salary and benefits for the Project Coordinator through the new end date. It will allow for current expense (class 020), replacement of equipment (class 030), the required indirect costs (class 040) and Post retirement (class 042) as well as required out of state travel (class 080).

The following information is provided in accordance with the Comptroller's instructional memorandum dated September 21, 1981.

- 1) List of personnel involved: One full time temporary position Program Specialist II- LG 21.
- 2) Nature, Need, and Duration: This position is an advocate position that will provide services and support to the needs of homicide victims' families through June 30, 2014.
- 3) Relationship to existing agency programs: None.
- 4) Has a similar program been requested of the legislature and denied? No.
- 5) Why wasn't funding included in the agency's budget request? It was anticipated that the program would not be extended. This is the last year of funding.
- 6) Can portions of the grant funds be utilized? No.
- 7) Estimate the funds required to continue this position. Approximately \$60,000 (includes salaries and benefits).

In the event that the Federal funds become unavailable, General Funds will not be used to support this program.

Please let me know if you have any questions concerning this request.

Your consideration is greatly appreciated.

Respectfully submitted

Joseph A. Foster

August 23, 2012

Representative Ken Weyler, Chairman Fiscal Committee of the General Court State House Concord, NH 03301

His Excellency Governor John H. Lynch And the Honorable Council. State House Concord NH 03301

REQUESTED ACTION

1. Pursuant to RSA 14:30-a, VI, authorize the Department of Justice, to amend Fiscal Item #11-197 approved by the Fiscal Committee on July 15, 2011 and by the Governor and Council on July 13, 2011, item #25, by extending the end date from October 31, 2012 to a new end date of June 30, 2013, and reallocating \$51,630 of the grant to better utilize the funds. This grant is for the purposes of enhancing the services provided by the Homicide Survivor Services Program and developing written protocols, procedures and materials to assist in institutionalizing the program, effective upon the Fiscal Committee and Governor and Council approvals through June 30, 2013. No new funds are being requested. 100% Federal Funds.

The funds are to be budgeted in account #02-20-201510-5323, Department of Justice, Grants Administration, entitled "VW Homicide Victim Services" as follows:

Current	Requested	New
Class Description Budget	Action	<u>Budget</u>
020-500200 Current Expense \$18,0	52 \$0	\$18,052

Source of Fund	s	\$158,959	\$0	\$158,959
Federal Funds	Revenue Source 403685			

2. Pursuant to RSA 124:15, and contingent on the approval of Requested Action number one, authorize the Department of Justice to continue the one (1) full-time temporary position within budget class 059 (Full-Time Temporary) to continue the position of Program Specialist II (LG 21) that provides services and support to homicide victims' families and institutionalizes the program in a format conducive to succession planning and replication in other communities and Class 046 (Consultants), to contract for experts in trauma-informed grief counseling to train staff and service providers effective upon the Fiscal Committee and Governor and Council approvals through June 30, 2013. 100% Federal Funds.

Funding is available in account #02-20-201510-5323, the Department of Justice, Grants Administration, VW Homicide Victims Services.

EXPLANATION

This grant was originally approved by the Fiscal Committee on August 27, 2009, Fiscal Item #09-284, and by the Governor and Council on September 9, 2009, item #23, and subsequently amended and approved by the Fiscal Committee on October 19, 2010, Fiscal Item #10-288, and by the Governor and Council on October 20, 2010, item #23.

The Department of Justice requests authorization to extend the grant awarded under the project title "OVC FY2009 Intensive Case Management for Family Members of Homicide Victims in Rural Areas," from the US Department of Justice, Office for Victims of Crime. Extension of the federal end date of this project from October 31, 2012 to June 30, 2013 was approved by the Office for Victims of Crime on June 28, 2012. Approval of this request to reallocate funds and to extend the end date will allow the Department of Justice to continue to provide advocacy services to family and friends of homicide victims, and to provide additional training to mental health providers in trauma-focused services. A reallocation of funds is requested to allocate sufficient funds to salary and benefits for the Project Coordinator through the new end date.

The following information is provided in accordance with the Comptroller's instructional Memorandum dated September 21, 1981.

- 1. <u>List of personnel involved</u>: One temporary, full-time classified position (Class 059) to serve as a Program Specialist II.
- 2. <u>Nature, Need and Duration</u>: This part time position will be in effect upon Fiscal Committee and Governor and Council approvals through June 30, 2013.
- 3. Relationship to existing agency programs: This funding is to be utilized specifically to

continue a Program Specialist II position in the Department of Justice, Office of Victim/Witness Assistance. This position will improve the ability of victim service providers to more effectively serve family members of homicide victims statewide.

À. Has a similar program been requested of the legislature and denied? No similar program has

been requested and denied.

- Why wasn't funding included in the agency's budget request? This project was not included in the Department's budget request because the funds were not available at the time the budget was crafted; nor were the funds expected to be available with any degree of certainty. This was a highly competitive grant with a strong likelihood that the Department would not be receiving these funds. It is only one in seven awards made nationally in federal fiscal year 2009.
- 6. Can portions of the funds be utilized for other purposes? No portion of these grant funds can be used for any other purpose.
- 7. Estimate the funds required to continue this position(s): It is estimated that it will cost \$59,624 for salary and benefits for the full time temporary position for one year.

In the event that the federal funds become unavailable, general funds will not be used to support this program.

Please let me know if you have any questions concerning this request.

Your consideration is greatly appreciated.

Respectfully submitted,

Michael A. Delanev Attorney General

Total Expenses		\$2,049,487	\$672,781	\$2,722,268

EXPLANATION

This request is to accept additional federal funds in the amount of \$672,781 available through the American Recovery and Reinvestment Act of 2009 (ARRA), Title XIII-Health Information Technology, Subtitle B-Incentives for the Use of Health Information Technology, Section 3013, State Grants to Promote Health Information Technology. Under the oversight of the United States Health and Human Services, Office of the National Coordinator for Health Information Technology, New Hampshire has been awarded funding through the State Health Information Exchange Cooperative Agreements Program to fund the planning and initial implementation of a state level Health Information Exchange capability for New Hampshire.

The Fiscal Committee of the General Court approved the original request to accept and expend federal funds under the State Health Information Exchange Cooperative Agreements Program through SFY 2011. This request was subsequently approved by the Governor and Executive Council on March 24, 2010 (Item#65). The Office of Information Services requested continued federal funding in the SFY 2012 and 2013 biennial budget as approved by Chapter 223, Laws of 2011: HB 1. This current request is to continue federal funding through February 7, 2014.

Funding from the State Health Information Exchange Cooperative Agreement Program is for New Hampshire's Health Information Exchange Planning and Implementation Project. This Project is a four-year initiative led by the New Hampshire Department of Health and Human Services to plan and implement a New Hampshire Health Information Exchange capability. The goal of the project is to establish a mechanism to electronically link health care providers in order to share patient-centric information in a timely, secure, and confidential manner. New Hampshire is well positioned to undertake this task, in that many New Hampshire providers are using electronic medical records, but lack the connectivity needed for the universal sharing of this information. Evidence suggests that such sharing shall improve health outcomes, reduce the rate of medical errors, and help to control health care costs.

The Honorable Mary Jane Wallner, Chairman, and Her Excellency, Governor Margaret Wood Hassan and the Honorable Council August 26, 2013

August 20, 2 Page 3

Federal Cash Expended & Obligated 2/8/2010 thru 6/30/2013

Balance Available SFY 2014

\$4,785,075 \$672,781

The following information is provided in accordance with the Comptroller's instructional memorandum dated September 21, 1981.

1) List of personnel involved: Temporary Consultants.

2) Nature, Need and Duration: Temporary Consultants are needed through February 7, 2014 to assist health care organizations seeking to join the Health Information Exchange.

- 3) Relationship to existing agency programs: The Health Information Exchange Planning and Implementation Project are coordinating the state efforts to oversee the adoption of Health Information Technology by health care providers and the exchange of clinical data through a Health Information Exchange. It will also coordinate state agencies which use and are dependent upon the exchange of clinical health data, such as Medicaid and Public Health.
- 4) Has a similar program been requested of the legislature and denied? No.
- 5) Why wasn't funding included in the agency's budget request? The Governor's instructions for the SFY 2014-2015 Biennial Budget directed departments not to included continued funding from the American Recovery and Reinvestment Act of 2009 (ARRA).
- 6) Can portions of the grant funding be utilized? No.
- 7) Estimate the funds required to continue this position (s): Not Applicable.

In the event that Federal Funds no longer become available, General funds will not be requested to support this program.

Respectfully submitted,

William L. Baggerőer

ſ	PAGE 2 of 2	DATE ISSUED
		06/12/2012
	GRANT NO. 90HT	0013/01-04

STANDARD TERMS

 This revised Notice of Grant Award (NGA) is releasing funds in the amount of \$4,015,569 based on documentation submitted by your organization in response to the Special Conditions of the award. It also reduces the cost share from \$5,246,059 to \$1,337,871 based on documentation received from grantee indicating that the non-federal amount previously reported was inaccurate. This reduction will not negatively affect the grantee's ability to meet their programmatic requirements.

The total federal award amount is \$5,457,856. Funds in the amount of \$481,579 were expended in the planning phase. To date, all federal funds have been made available to your organization.

All indirect restricted cost have been reallocated to direct cost.

All other terms and Conditions and Special Conditions remain unchanged and in full force and effect.

THE STATE OF NEW HAMPSHIRE DEPARTMENT OF TRANSPORTATION

CHRISTOPHER D. CLEMENT, SR. COMMISSIONER

JEFF BRILLHART, P.E. ASSISTANT COMMISSIONER

August 9, 2013 Bureau of Rail and Transit

The Honorable Mary Jane Wallner, Chairman Fiscal Committee of the General Court State House Concord, New Hampshire 03301

Her Excellency, Governor Margaret Wood Hassan and the Honorable Council State House Concord, New Hampshire 03301

REQUESTED ACTION

- 1. Pursuant to RSA 14:30-a, VI, authorize the Department of Transportation to Budget and Expend prior year carry-forward funds in the amount of \$708,945 from the Special Railroad Fund for the maintenance and repair of State-owned railroad lines effective upon Fiscal Committee and Governor and Council approval through June 30, 2014.
- 2. Pursuant to RSA 14:30-a, VI, authorize the Department of Transportation to Accept and Expend current year revenue in the amount of \$178,288 from the proceeds form the sale or lease of railroad properties, for the maintenance and repair of State-owned railroad lines effective upon Fiscal Committee and Governor and Council approval through June 30, 2014.

Funds are to be budgeted as follows: 100% Other Funds (Special Railroad Funds).

04-096-096-960010-2991	FY 2014	Requested	Revised
Special Railroad Fund	Budget	Change	Budget

Total	0	\$887,233	\$887,233
Source of Funds			
Revenue:			
009-407323 Agency Income	\$0	(\$887,233)	\$887,233
Tota!	\$0	(\$887,233)	\$887,233

3. Pursuant to RSA 228:69, I (b), authorize the Department of Transportation, Bureau of Rail & Transit, to expend an amount not to exceed \$887,233 from the Special Railroad Fund for maintenance and repair of State-owned railroad lines and bridges effective upon Fiscal Committee and Governor and Council approval through June 30, 2014.

EXPLANATION

RSA 228:68 establishes the Special Railroad Fund for the deposit of revenues produced on the state-owned railroad corridors through user fees paid by railroads, leases and fees paid by other landowners, and other revenues. This dedicated fund is required to comply with Federal regulations that require lease or other income on property acquired with Federal funds to be used to maintain those properties.

RSA 228:69, I (a) requires that 20 percent of the 2013 calendar year railroad user fees deposited in the Special Railroad Fund be paid to the cities and towns through which the state-owned railroad lines pass. These amounts will be paid out to the respective towns at the end of fiscal year 2014.

RSA 228:69, I (b) authorizes the Department of Transportation to expend funds from the Special Railroad Fund on maintenance and repair of state-owned railroad lines. The Department will use these funds to continue repairs and maintenance activities including track, minor bridge and drainage projects on state-owned lines in 2014. The cost of engineering and construction administration will also be paid from these funds. The Special Railroad Fund receives revenues derived from railroad user fees, leases and crossing agreements, and a portion of the state railroad tax. The Department of Transportation, Bureau of Rail and Transit, will reimburse the railroads operating on the State-owned rail lines and other responsible parties for their infrastructure construction and maintenance expenses on the State-owned rail lines and bridges. The operating railroads on the State owned rail corridors, and the estimated construction funds (400 500871) to be encumbered and expended on their operating lines are:

Department of Transportation (Vendor 177927)	\$ 72,233
Plymouth & Lincoln Railroad (Vendor 157711)	\$230,000
New Hampshire Central Railroad (Vendor 157337)	\$ 60,000
Conway Scenic Railroad (Vendor 154819)	\$330,000
New England Southern Railroad (Vendor 161682)	\$ 35,000
Milford-Bennington Railroad (Vendor 156441)	\$ 35,000
Claremont-Concord Railroad (Vendor 156559)	\$ 35,000

To resolve unanticipated events and circumstances on the State-owned rail lines, the estimated amounts listed above are subject to adjustment by the Administrator of the Bureau of Rail & Transit. Your approval is respectfully requested.

Sincerely,

Christopher D. Clement, Sr.

Commissioner

Explanation

The Division of Emergency Services and Communications is requesting the budgeting of funds into Bureau of Emergency Communications in the amount of \$329,001.00 and Communications Section in the amount of \$55,000.00 for SFY 2014 from the Prior Year Carry Forward Balance, which is a non-lapsing fund established by RSA 106-H:9. The necessity for these funds is outlined below.

13950000

Class 030 The funds will be used to replace two failing vehicles that are over 125,000 miles each.

40010000

Class 022 The funds will be used to pay rent/lease expenses for the Yankee Network Building located at the top of Mount Washington where State radio transmitters and towers are located.

The Honorable Mary Jane Wallner, Chairman Fiscal Committee of the General Court August 21, 2013
Page 3 of 3

Class 024

The funds will be used to pay for software maintenance provided by Software House International for Exacom maintenance. The Exacom service/maintenance agreement provides additional extended hardware and software warranty support for the Communications dispatch voice recording system at the IPOC (Incident Planning & Operations Center). It also provides a software upgrade allowing the system to operate on Windows 7 operating platform; the current system is operating on Windows XP. In addition, this agreement expands Safety's archival storage capabilities from 5 to 7 years.

Class 030

The funds will be used to purchase site monitoring equipment for added security to ensure copper and other wire is not being stolen or damaged. Other purchases will include back-up items to prevent equipment failure.

Class 037

The funds will be used to purchase hardware through NetBoss. NetBoss provides a service contract to monitor and troubleshoot any outages that occur to the current microwave network. Additional funds are associated with the installation of the needed software and hardware required to bring polyvue and other Broadband Technology Opportunities Program (BTOP) related infrastructure online with the current NetBoss monitoring system.

Respectfully submitted,

1 17em: 1. 0 6

TITLE VII SHERIFFS, CONSTABLES, AND POLICE OFFICERS

CHAPTER 106-H ENHANCED 911 SYSTEM

Section 106-H:9

106-H:9 Funding; Fund Established. -

- I. (a) The enhanced 911 system and the statewide emergency notification system shall be funded through a surcharge to be levied upon each residence and business telephone exchange line, including PBX trunks and Centrex lines, each individual commercial mobile radio service number, each VoIP service number with a place of primary use within New Hampshire, and each semi-public and public coin and public access line. For purposes of this subparagraph, "place of primary use" shall have the same meaning as the definition contained in 4 U.S.C. section 124(8). No such surcharge shall be imposed upon more than 25 business telephone exchange lines, including PBX trunks and Centrex lines, or more than 25 commercial mobile radio service exchange lines or VoIP service lines or channels per customer billing account.
- (b) In the case of local exchange telephone companies, the surcharge shall be contained within tariffs or rate schedules filed with the public utilities commission and shall be billed on a monthly basis by each local exchange telephone company.
- (c) In the case of an entity which provides commercial mobile radio service the surcharge shall be billed to each customer on a monthly basis and shall not be subject to any state or local tax; the surcharge shall be collected by the commercial mobile radio service provider, and may be identified on the customer's bill.
- (d) In the case of a VoIP provider, the surcharge shall be billed to each customer on a monthly basis and shall not be subject to any state or local tax; the surcharge shall be collected by the VoIP provider, and may be identified on the customer's bill.
- (e) Each local exchange telephone company, VoIP service provider, or entity which provides commercial mobile radio service shall remit the surcharge amounts on a monthly basis, as prescribed by the commissioner, to the enhanced 911 services bureau, which shall be forwarded to the state treasurer for deposit in the enhanced 911 system fund. The state treasurer shall pay expenses incurred in the administration of the enhanced 911 system and the statewide emergency notification system from such fund. Such fund shall not lapse. If the expenditure of additional funds over budget estimates is necessary for the proper functioning of the enhanced 911 system or the statewide emergency notification system, the department of safety may request, with prior approval of the fiscal committee of the general court, the transfer of funds from the enhanced 911 system fund to the department of safety for such purposes. The moneys in the account shall not be used for any purpose other than the development and operation of enhanced 911 services and the statewide emergency notification system, in accordance with the terms of this chapter. Surcharge amounts shall be reviewed after the budget has been approved or modified, and if appropriate, new tariffs or rate schedules shall be filed with the public utilities commission reflecting the surcharge amount.
 - II. [Repealed.]
- III. (a) Notwithstanding any other provision of law, and except as otherwise provided in RSA 82-A, the records and files of the department, related to this section, are confidential and privileged. Neither the department, nor any employee of the department, nor any other person charged with the custody of

such records or files, nor any vendor or any of its employees to whom such information becomes available in the performance of any contractual services for the department shall disclose any information obtained from the department's records, files, or returns or from any examination, investigation, or hearing, nor may any such employee or person be required to produce any such information for the inspection of any person or for the use in any action or proceeding except as provided in this paragraph.

- (b) The following exceptions shall apply to this paragraph:
- (1) Delivery to the surcharge collector or its representative of a copy of any return or other papers filed by the surcharge collector.
- (2) Disclosure of department records, files, returns, or information in a New Hampshire state judicial or administrative proceeding pertaining to administration of the surcharge where the information is directly related to an issue in the proceeding regarding the surcharge under this section, or the surcharge collector whom the information concerns is a party to such proceeding, or the information concerns a transactional relationship between a person who is a party to the proceeding and the taxpayer.
- (3) Disclosure to the department of revenue administration of records, files, and information required by the department of revenue administration to administer the communications services tax pursuant to RSA 82-A.
- (4) Disclosure of department records, files, and information to the legislative budget assistant, when requested by the legislative budget assistant pursuant to RSA 14:31, IV.

REQUESTED ACTION

- 1. Pursuant to Chapter 143:4, Laws of 2013, authorization is requested of the Fiscal Committee for the New Hampshire Lottery Commission to purchase \$2,300,000 of instant gaming tickets and related services; effective upon Fiscal Committee approval through June 30, 2014.
- Also pursuant to Chapter 143:4, Laws of 2013, and contingent upon approval of Requested Action #1 above, authorization is requested of the Governor and Executive Council for the New Hampshire Lottery Commission to transfer \$2,300,000 from the Lottery Special Revenue Account for the purchase of instant gaming tickets and related services; effective upon Governor and Executive Council approval through June 30, 2014.

Funds are to be budgeted in the accounting unit entitled, "Lottery Operating Costs" as follows, with the authority to adjust encumbrances across State Fiscal Years if needed and justified through the Budget Office:

From:06-083-083-8300-79010001-Instant Sweeps Program-RSRC: 402070- (\$2,300,000) To:06-083-083-10290000-Lottery Operating Cost-Class 106 Good for Resale-\$2,300,000

EXPLANATION

This \$2,300,000 transfer is needed for the purchase of instant gaming tickets and related services from Scientific Games International, Inc. The instant ticket sales account for approximately 70% of the Lottery's gross revenue. Attached is the prior submittal approved by the Fiscal Committee on June 18, 2012 (FIS-12-216) and by the Governor and Council on July 11, 2012 (item #92). We appreciate the Committee's continued support as the Lottery strives to maximize profit for Education.

Respectfully submitted

Charles R. McInty/ Executive Director

May 22, 2012

The Honorable Ken Weyler, Chairman Fiscal Committee of the General Court His Excellency, Governor John H. Lynch and the Honorable Council State House Concord, New Hampshire 03301

REQUESTED ACTION

Pursuant to Chapter 223:4, Laws of 2011, authorize the New Hampshire Lottery Commission to transfer (1)\$2,300,000 from the Lottery Special Revenue Account for the purchase of instant gaming tickets and related services. If approved, funds are to be budgeted as follows:

> FY 2013 From: 06-083-083-8300-79010001-402070 (Lottery Revenue Account) (\$2,300,000) To: 06-083-083-10290000 Class 106 Goods for Resale \$2,300,000

The New Hampshire Lottery Commission requests authorization from the Governor and Executive **(2)** Council to enter into a three (3) year contract, with one (1) two (2) year renewal option, for instant ticket printing and related services with Scientific Games International, Inc. of Alpharetta, Georgia (vendor number 175862) from July 1, 2012 to June 30, 2015 in an amount not to exceed \$6,900,000.

> Funding for FY 2013 in the amount of \$2,300,000 is available from account number 06-083-083-10290000 subject to number (1) above.

> Funding for FY 2014 in the amount of \$2,300,000 will be available from account number 06-083-083-10290000 subject to legislative approval of the next biennial budget.

> Funding for FY 2015 in the amount of \$2,300,000 will be available from account number 06-083-083-10290000 subject to legislative approval of the next biennial budget.

EXPLANATION

This Commission issued a Request for Proposal (RFP) in January, 2012, soliciting bids for the purchase of instant tickets and related services for a period of three years, with one (1) two year renewal option at the pricing set forth in the attached agreement. In addition to Scientific Games International, Inc., proposals were received from two

The Honorable Ken Weyler, Chairman Fiscal Committee of the General Court And His Excellency, Governor John H. Lynch And the Honorable Council

other companies and the selected bid was the lowest, submitted by Scientific Games International, Inc. Under the terms of the RFP, one of the proposals from Pollard Banknote Ltd. was deemed to be unresponsive as the company did not submit the required sample tickets for testing; this company's Price Proposal was returned, unopened.

An Evaluation Committee was established to review the proposals, to ensure compliance with the RFP, to inspect and test sample tickets and to analyze the price proposals. The Committee comprised the following Lottery staff:

Charles R. McIntyre, Executive Director; Maura A. McCann, Marketing Director; Robert H. Preston, Games Manager; Cynthia B. Murphy, Sales Supervisor.

The Committee determined each vendor's ticket price using the Lottery's instant ticket sales data for FY 2011. Using this data, we reviewed each vendor's price proposal against the sales data to project pricing from the two vendors. From the FY 2011 sales data, the results are as follows:

Scientific Games International \$1,574,938.00 (Based on FY 2011 sales) GTECH Printing Corporation \$3,056,463.00 (Based on FY 2011 sales)

We request the maximum payment amount of \$2,300,000 for Fiscal Year 2013. This was calculated using the expected number of tickets to be printed, plus anticipated costs for available options.

The Evaluation Committee was unanimous in its decision to recommend Scientific Games International for approval as the selected vendor.

The New Hampshire Lottery Commission respectfully requests approval of the contract to purchase instant ticket printing and related services from the low bidder, Scientific Games International, Inc.

Respectfully submitted,

Charles R. McIntyre Executive Director

REQUESTED ACTION

- 1). Pursuant to Chapter 144:29, I Laws of 2013, approval is requested for the Commissioner of the Department of Administrative Services to transfer in the net amount of \$8,720 and reallocate appropriations for personnel from the Department of Health and Human Services as a position substitution for consolidation of business processing within state government at the Shared Services Center within DAS, upon Fiscal Committee and Governor and Executive Council approval through June 30, 2015. 100% Transfer from Other Agencies (Shared Services Center).
- 2. Pursuant to Chapter 144:29, III Laws of 2013, approval is requested for the Commissioner of the Department of Administrative Services to execute a position substitution with the Department of Health and Human Services in order to best establish the appropriate number of total personnel required for business processing functions in the executive branch of state government via the Shared Services Center for the consolidation of business processing within state government upon Governor and Executive Council approval through June 30, 2015.

Funds are to be transferred into the following accounting unit as follows for SFY 2014 and SFY 2015, respectively:

EXPLANATION

Chapter 144, Laws of 2013, Section 29, allows the Commissioner of the Department of Administrative Services (DAS) to transfer positions and funding associated with changes made to achieve efficiencies via consolidation of business processing functions within state government. The FY 2014/2015 Budget included the projected transfers of certain positions from DHHS into the DAS Shared Services Center for the processing of Accounts Payable. However, after further review and consideration, the Department of Health and Human Services (DHHS) requested a change in the positions to be transferred to DAS. DAS has agreed with the changes and accordingly this request is being made to reflect the final agreement between both DAS and DHHS. In order to meet its obligation to DAS, DHHS made the proposal to substitute the Accounting Technician position with a Secretary II and part time Accounting Technician of which DAS concurs.

The following tables details the position substitution between DAS and DHHS; with negative (amounts) being transferred from DAS to DHHS and positive amounts being transferred to DAS from DHHS;

Respectfully submitted,

Linda M Hodgdon Commissioner

144:29 Department of Administrative Services; Consolidation of Business Processing Functions.

- I. The commissioner of administrative services, with the prior approval of the fiscal committee of the general court and the governor and council, is authorized to make such transfers of appropriation items and changes in allocations of funds available for operational purposes to the department of administrative services, from any other agency, as may be necessary or desirable to effectuate the efficient consolidation of business processing functions within state government. Such business processing functions shall include:
- (a) Accounts receivable;
- (b) Accounts payable;
- (c) Collection of fines, penalties, fees, restitution, remittances, and other moneys due to the state; and
- (d) Such other finance and accounting functions and transactions the commissioner of administrative services determines would achieve substantial efficiencies from consolidation.
- II. The commissioner of administrative services is authorized to issue a request for proposals or purchases in accordance with RSA 21-I:22 and RSA 21-I:22-a for the services and assistance of a qualified consultant to evaluate and identify opportunities for business processing consolidation in state government and to make recommendations, including for a proposed implementation plan, for consolidation of such functions.
- III. The commissioner of administrative services is authorized to establish the number of total personnel required for business processing functions in the executive branch of state government and, with the prior approval of the governor and council, is authorized to eliminate unnecessary positions and to transfer to the department of administrative services any position in another agency identified by the commissioner of administrative services as necessary or desirable to effectuate the efficient consolidation of business processing functions within state government. Such transfers shall include the transfer of all associated books, papers, records, personnel files, and equipment, including but not limited to work station and information technology equipment, and shall include the transfer of any unexpended appropriations for any of the foregoing, as well as any unexpended appropriations for salary/payroll, benefits, support costs, or any other costs associated with the transferred personnel.
- IV. The commissioner of administrative services may locate personnel whose positions have been transferred in such work spaces as the commissioner determines will efficiently effectuate the consolidation of business functions. Such work spaces may include either space currently owned or rented by the state, or space which may be rented by the commissioner utilizing amounts which may be saved by the state as the result of the consolidation of human resources and payroll functions.
- V. For the biennium ending June 30, 2015, the department of state shall be exempt from the provisions of this section as they relate to the execution of the constitutional duties of the office of the secretary of state.

THE STATE OF NEW HAMPSHIRE DEPARTMENT OF TRANSPORTATION

CHRISTOPHER D. CLEMENT, SR. COMMISSIONER

EXPLANATION

The Department requests authorizations to transfer funds among the various accounts in order to pay for services incurred in meeting the State's transportation demands. Specific explanations relating to the Department's spending requests are as follows:

NH Turnpike Debt Service (7499) - 92.63% Turnpike Funds, 7.37 Federal Funds

Class 044 Decrease Debt Service – Other Agencies by \$75,000. This account will have a surplus due to Revenue Bond refundings done during Fiscal Year 2013. The transfer is requested to fund bond issuance administration fees in the Turnpike Administration Account 7022-255, Cost of Issuing Bonds.

NH Turnpike Administration - Support (7022) - 100% Turnpike Funds

- Class 020 Decrease Current Expense by \$5,000. This transfer is due to advertising expenditures included in Class 020 instead of the newly established Class 069. This transfer will align expenditures to the proper class line per accounting policy.
- Class 037 Increase Technology Hardware by \$12,000. This transfer will allow the purchase of two (2) File Servers recommended for replacement by the Department of Information Technology at the end of this fiscal year.
- Class 069 Create a non-budgeted Class 069 in Accounting Unit 7022 for advertising of service contracts not administered by Purchase and Property in the amount of \$5,000. The expenses were budgeted under Class 020 Current Expense in Fiscal Year 2014.
- Class 255 Create a non-budgeted Class 255 in Accounting Unit 7022 for Cost of Issuing Bonds administration fees on existing bond issues in the amount of \$75,000. The fees were not budgeted in Fiscal Year 2014 due to an oversight.

NH Turnpike Central Maintenance (7027) - 100% Turnpike Funds

- Class 020 Decrease Current Expense by \$50,000. This transfer is due to guardrail repair expenditures included in Class 020 instead of the newly established Class 400. This transfer will align expenditures to the proper class line per accounting policy.
- Class 30 Decrease Equipment by \$12,000. This transfer of funds to Turnpike Administration Account 7022-037 is for the replacement of two (2) file servers. This transfer will align expenditures to the proper class line per accounting policy.
- Class 400 Create a non-budgeted Class 400 in Accounting Unit 7027 for Guardrail Repairs for the repair of guardrail damaged during motor vehicle accidents in the amount of \$50,000. The contractual repairs were budgeted under Class 020 Current Expense in Fiscal Year 2014.

East NH Turnpike Blue Star Maintenance (7032) - 100% Turnpike Funds

- Class 020 Decrease Current Expense by \$5,000. This transfer is due to guardrail repair expenditures included in Class 020 instead of the newly established Class 400. This transfer will align expenditures to the proper class line per accounting policy.
- Class 400 Create a non-budgeted Class 400 in Accounting Unit 7032 for Guardrail Repairs for the repair of guardrail damaged during motor vehicle accidents in the amount of \$5,000. The contractual repairs were budgeted under Class 020 Current Expense in Fiscal Year 2014.

East NH Turnpike Spaulding Maintenance (7037) - 100% Turnpike Funds

- Class 020 Decrease Current Expense by \$35,000. This transfer is due to guardrail repair expenditures included in Class 020 instead of the newly established Class 400. This transfer will align expenditures to the proper class line per accounting policy.
- Class 400 Create a non-budgeted Class 400 in Accounting Unit 7037 for Guardrail Repairs for the repair of guardrail damaged during motor vehicle accidents in the amount of \$35,000. The contractual repairs were budgeted under Class 020 Current Expense in Fiscal Year 2014.

The following is provided in accordance with the Budget Officer's instructional memorandum dated April 17, 1985 to support the above requested actions:

- Does transfer involve continuing programs or one-time projects?
 Transfers are for continuing programs.
- 2. Is this transfer required to maintain existing program level or will it increase program level? Transfers are to maintain existing program levels (no increase in program level).
- Cite any requirements, which make this program necessary.
 RSA 21-L:2, in part, establishes that the Department will be responsible for planning, developing and maintaining a State transportation network. This transfer will facitate the accomplishment of this responsibility.
- Identify the source of funds on all accounts listed on this transfer. Source of funds (Debt Service), Turnpike Funds.
- 5. Will there be any effect on revenue if this transfer is approved or disapproved? This transfer will have no effect on revenue.
- Are funds expected to lapse if this transfer is not approved?Funds would lapse back to the Turnpike Fund.
- 7. Are personal services involved?

 No personnel services are involved.

Your approval of this resolution is respectfully requested.

Sincerely,

Christopher D. Clement, Sr.

EXPLANATIONS

The Department requests authorizations to transfer budgeted account funds among the various accounts in order to pay for services incurred in meeting the State's transportation demands. Specific explanations relating to the Department's spending requests are as follows:

Consolidated Federal (3054) - FY14: 97.09% Federal Funds, 1.96% Private Local Funds, (0.65%) Agency Income and 1.6% Highway Funds

Consolidated Federal (3054) - FY15: 99.40% Federal Funds and 0.60% Private Local Funds

Class 024 Increase Maintenance Other Than Buildings and Grounds by \$96,975 in FY14 and \$77,580 in FY15. This transfer will fund a Statewide intelligent transportation systems (ITS) field-device repair program and aligns appropriations in the proper class lines per accounting policy.

Class 400 Decrease Construction Repair Materials by \$96,975 in FY14 and \$77,580 in FY15 to reallocate funds with available Federal program funds related to the provision of Statewide intelligent transportation systems (ITS) field-device repairs.

The following is provided in accordance with the Budget Officer's instructional memorandum dated April 17, 1985 to support the above requested actions:

1. Does transfer involve continuing programs or one-time projects?

Transfers are for continuing programs (not one-time).

- 2. Is this transfer required to maintain existing program level or will it increase program level? Transfers are to maintain existing program levels (no increase in program level).
- Cite any requirements, which make this program necessary.
 RSA 21-L:2, in part, establishes that the Department will be responsible for planning, developing, and maintaining a state transportation network. This transfer will facilitate the accomplishment of this responsibility.
- Identify the source of funds on all accounts listed on this transfer.
 Source of funds is Highway Funds, Federal Fund, Private Local Funds and Agency Income.
- 5. Will there be any effect on revenue if this transfer is approved or disapproved? This transfer will have no effect on revenue.
- 6. Are funds expected to lapse if this transfer is not approved?

 Should funds lapse as a result of not approving this request for project funding, such funds will lapse to their respective account fund balances.
- 7. Are personal services involved?

 There are no personnel services involved.

Your approval of this resolution is respectfully requested.

Sincerely,

Christopher D. Clement, Sr.

The Honorable Mary Jane Wallner, Chairman Fiscal Committee of the General Court State House Concord, NH 03301

Chairman Wallner and members of the Fiscal Committee:

REQUESTED ACTION

Pursuant to Chapter 144:137,I, Laws of 2013, and on behalf of the Tri-County Community Action Program, Inc., the Public Utilities Commission hereby requests Fiscal Committee approval of the expenditure of \$500,000.00 by the Tri-County Community Action Program, Inc. to be used to pay and manage priority unsecured debt and such other obligations as determined by the special trustee upon approval of the Joint Fiscal Committee through June 30, 2014.

Funding is 100% Other Funds (Renewable Portfolio Standard 362-F:10) and is available as follows:

 Account
 Description
 FY 2014

 02-81-81-811510-88790000
 REF Tri-County Recovery

010-081-88790000-073-500581 Grants to Non-Profits – State \$500,000.00

EXPLANATION

Chapter 144:137,I, Laws of 2013, authorizes the Public Utilities Commission (Commission) to transfer \$500,000 from the account created by RSA 362-F:10 to Tri-County Community Action Program, Inc. (Tri-County). The Commission has established an appropriation, REF Tri-County Recovery, for the transfer to Tri-County and has funded it with \$500,000 from the Renewal Energy Fund as required by law. Chapter 144:137,I also requires Tri-County to obtain prior Fiscal Committee approval before using such funds to pay for obligations determined by the special trustee. Tri-County has requested the Commission, as a state agency, to act on its behalf in this matter.

Sincerely,

Amy Ignátius

Chairman

September 4, 2013

Via email

Representative Mary Jane Wallner, Chair Fiscal Committee 107 N. Main St. State House Concord, NH 03301

Dear Representative Wallner:

I respectfully write to the Fiscal Committee (the "Committee") as Special Trustee of the Tri-County Community Action Program, Inc. ("TCCAP"). Specifically, I write concerning the approval by the legislature of One Million Thirty-Three Thousand Dollars (\$1,033,000.00) in cash and an available Two Hundred and Fifty Thousand Dollar (\$250,000.00) revolving line of credit approved for TCCAP' use as part of the 2013-2014 biennial budget, passed into law as H.B. 2 (as described in Exhibit A).

First, it is my understanding that the transfer of \$533,000 to repay TCCAP's Fuel Assistance Program advance will be made directly from the Public Utilities Commission to the Office of Energy and Planning, which manages the federally-funded Fuel Assistance Program. That transfer retires that outstanding obligation.

Second, HB2 requires that the Fiscal Committee approve TCCAP's proposed uses of the \$500,000.00 (the "Funds") that HB2 appropriated from the Renewable Energy Fund controlled by the Public Utilities Commission (the "PUC") to TCCAP. I can and will assure you that the uses for the Funds will be exactly what I have represented them to be, as further explained below. I also remain mindful of my duty to report and account after disbursing the Funds, given my word to various legislators and my duties as Special Trustee with continuing obligations to report to both the Attorney General's Office and the Court. Finally, I understand that the PUC is acting as TCCAP's sponsor to facilitate this submittal to the Committee, and we greatly appreciate their efforts to assist us in this process.

I. Proposed Use.

Upon disbursement of the Funds, I will use the Funds for the following two (2) purposes:

1. To repay the balance of a \$224,000 debt to Granite State Guardianship Services TCCAP has been repaying this sum at the rate of \$10,000

William L. Chapman George W. Roussos Howard M. Moffett lames E. Morris John A. Malmberg Douglas L. Patch Steven L. Winer Peter F. Burger Lisa Snow Wade Susan S. Geiger Jennifer A. Eber Jeffrey C. Spear Connie Boyles Lane Indith A. Fairclough Maureen D. Smith Todd C. Fahey James F. Laboe Robert S. Carcy John M. Zaremba Heidi S. Cole leremy D. Eggleton

Lawrence A. Kelly (Of Counsel):

Rachel A. Goldwasser

Rebecca E. Perkins

Representative Mary Jane Wallner, Chair Fiscal Committee September 4, 2013 Page 2

each month. The balance now due on this priority unsecured obligation is now \$164,000. This amount must be repaid as soon as possible. I will use the \$164,000 of this amount to repay the guardianship program. This will leave another \$336,000 available.

- 2. To retire some debt now due to TD Bank in the on a line of credit to cure and prevent a default. TCCAP has a "seasonal" line of credit that was due to be reduced (or "stepped down") to \$350,000 in February. TD Bank has given us time to repay this amount, pending the release of the Funds. TCCAP owes \$350,000.00 on this credit facility. Provided that, upon payment, TD Bank again makes credit available to TCCAP (in this same amount), I will use the \$336,000 in net proceeds remaining after repayment of the guardianship obligation to satisfy the TD Bank obligation.
- 3. HB2 also appropriated \$250,000 for a revolving loan fund for use by TCCAP. HB2 requires that the repayment terms for this fund be determined in consultation with the Department of Administrative Services ("DAS"). We respectfully suggest that it be structured like a conventional credit facility and drawn upon as needed to manage TCCAP's fluctuations in cash flow caused by occasional delays in receiving funding or reimbursements, and we will work with DAS to formalize this. It is important that this fund be readily available (for electronic transfer to TCCAP) as the organization's need for cash can appear quite suddenly. The plan is to use these funds as a line of credit to manage cash flow, not to fund operational losses or deficits. We do not believe that HB2 requires Fiscal Committee action at this time.

II. Administrative and Fiscal Controls over the Funds.

The Funds will be paid out immediately upon receipt, again provided that TD Bank agrees to make credit available to TCCAP given this repayment. I will promptly account for the expenditures and provide proof of payment. I expect two checks only. I will directly and personally oversee the receipt of the Funds and their payment as represented herein. It is my understanding that the Funds have been placed in an account for transfer by the PUC at this time. I respectfully request that the Committee approve this proposal to transfer the Funds to immediately TCCAP to be used in accordance with Section I and the clear legislative intent.

Please feel free to contact me at any time to discuss this matter further, or to address any questions or concerns that this raises. Thank you again for your continued support of TCCAP, and for your assistance in ensuring that it remains a strong and important part of the North Country economy.

Very truly yours,

Tødd C. Fahev

EXHIBIT A

Full Language of H.B. 2 Text Concerning TCCAP

Analysis:

87. Requires the public utilities commission to transfer funds to provide other necessary funds to the court-appointed trustee of the Tri-County Community Action Program, and establishes a revolving loan fund for the continued stabilization of the program.

Text of bill:

144:136 Transfer of Funds to the Tri-County Community Action Program.

1. Notwithstanding any provision of law to the contrary, the chairman of the public utilities commission is authorized to transfer funds from the account created by RSA 362-F:10 to the office of energy and planning to repay funds for low income home energy assistance, and to provide other necessary funds to Tri-County Community Action Program, Inc., acting through its court-appointed special trustee, for the stabilization of that agency, in an amount not to exceed \$533,000 upon request of the special trustee, until June 30, 2014. Such funds shall be used to pay and manage priority unsecured debt and such other obligations as the special trustee shall determine. The special trustee shall provide monthly reports on the use of such funds, as well as the efforts to stabilize and restore accountability to the agency, to the office of energy and planning, the department of justice charitable trusts unit, and to the probate court as it requires.

II. Funds transferred under this section shall be repaid by the Tri-County Community Action Program from litigation or settlement funds or from insurance proceeds received or recovered by the Tri-County Community Action Program from claims or litigation related to the circumstances that resulted in the special trusteeship. The state shall have a priority claim to reimbursement from such proceeds. The final amount utilized by the agency and the use of the funds shall be reported to the fiscal committee of the general court, the office of energy and planning, and the department of justice charitable trusts unit no later than July 31, 2014.144:137 Transfer of Funds to the Tri-County Community Action Program.I. Notwithstanding any provision of law to the contrary, the chairman of the public utilities commission may transfer funds from the account created by RSA 362-F:10 to provide other necessary funds to Tri-County Community Action Program, Inc., acting through its court-appointed special trustee, for the stabilization of that agency, in an amount not to exceed \$500,000 upon request of the special trustee, until June 30, 2014. Such funds shall be used to pay and manage priority unsecured debt and such other obligations as the special trustee shall determine, with the prior approval of the fiscal committee of the general court. The special trustee shall provide monthly reports on the use of such funds, as well as the efforts to stabilize and restore accountability to the agency, to the office of energy and planning, the department of justice charitable trusts unit, the fiscal committee of the general court, and to the probate court as it requires.II. Funds transferred under this section shall be repaid, if sufficient funds are received by the Tri-County Community Action Program, from litigation or settlement funds or from insurance proceeds received or recovered relating to circumstances that resulted in the special trusteeship. The final amount utilized by the agency and the use of the funds shall be reported to the fiscal committee of the general court, the office of energy and planning, and the department of justice charitable trusts unit no later than July 31, 2014.144:138 Revolving Loan Fund; Tri-County Community Action Program. I. There is hereby established a non-lapsing and continually appropriated Tri-County Community Action Program revolving loan fund. The fund shall be administered by the department of administrative services and shall be used for the purpose of providing loans for the continued stabilization of the Tri-County Community Action Program, Inc. At no time shall the total outstanding amount loaned exceed \$250,000. II, The sum of \$250,000 is hereby transferred from the renewable energy fund in RSA 362-F:10 and appropriated to the Tri-County Community Action Program revolving loan fund.III. Repayment terms of the loans shall be determined by the department in consultation with the Tri-County Community Action Program, Inc., acting through its court-appointed special trustee, which shall continue to be in effect after the repeal of the revolving loan fund in paragraph I.IV. All funds in the Tri-County Community

Action Program revolving loan fund upon the repeal of the authority under paragraph I and any remaining repayment collected after such repeal, shall be deposited in the renewable energy fund under RSA 362-F:10.144:139 New Subparagraph; State Treasurer Accounts; Tri-County Community Action Program revolving loan fund. Amend RSA 6:12, I(b) by inserting after subparagraph (310) the following new subparagraph:(311) Moneys deposited in the Tri-County Community Action Program revolving loan fund.

STATE OF NEW HAMPSHIRE

DEPARTMENT OF CORRECTIONS

DIVISION OF ADMINISTRATION

P.O. BOX 1806 CONCORD, NH 03302-1806

603-271-5610 FAX: 603-271-5639 TDD Access: 1-800-735-2964 William L. Wrenn Commissioner Bob Mullen Director

July 10, 2013

The Honorable Mary Jane Wallner, Chairman Fiscal Committee of the General Court State House Concord, NH 03301

INFORMATIONAL ITEM

Pursuant to Chapter 223:13, Laws of 2011, the New Hampshire Department of Corrections is required to reduce state general fund appropriations by \$6,000,000 for the fiscal year ending June 30, 2012 and by \$7,000,000 for the fiscal year ending June 30, 2013. The Department is to provide a quarterly report of reductions made under this section to the fiscal committee of the general court.

The report attached reflects the Department's final report through June 30, 2013 for the SFY 2013 budget reduction requirement.

Singerely,

William L. Wrenn Commissioner DOC SFY 2013 Budget Reduction - Final Progress Report to Fiscal Committee Fiscal Year ending June 30, 2013

July 8, 2013

Representative Mary Jane Wallner, Chairman Fiscal Committee of the General Court State House Concord, NH 03301

Re: Child and Family Expenditures Quarter Ended June 2013

Information

This letter contains a report of expenditures for the Child and Family Services and Child Development (child care) Program for July 2012 through June 2013 (SFY 2013) with similar expenditure information for the comparable period in SFY 2011 and 2012.

Explanation

Chapter 263:109, Laws of 2007 (HB2), Rate Setting, required the Department to report quarterly on the status of appropriations for payments to providers and the rates established by the Department. While this provision is no longer required, the Department has continued to report the information quarterly for purposes of summarizing trends in spending.

This report for SFY 2013, fourth quarter, includes the current state fiscal year and the most recent two state fiscal years. The report format follows the individual class line budgets in the Division for Children, Youth and Families', Child and Family Services account and the Child Development (child care) Program account.

The Department is available to review this report at your convenience. Please do not hesitate to contact me if you have questions or need additional information about the expenditures.

Nicholas A. Toumpas

Respectfully submitted

Commissioner

cc:

Her Excellency, Governor Margaret Wood Hassan The Honorable Peter Bragdon, President of the Senate The Honorable Terie Norelli, Speaker of the House

27 Hazen Dr., Concord, NH 03301 Fax: 603-271-1516 TDD Access: 1-800-735-2964 www.nh.gov/doit

Peter C. Hastings Commissioner

July 26, 2013

The Honorable Mary Jane Wallner, Chairman Fiscal Committee of the General Court State House Concord, NH 03301

# **INFORMATIONAL ITEM**

Please find the Department of Information Technology's report pursuant to the provisions of Chapter 143:11, Laws of 2013 in which the department of administrative services, in consultation with the department of information technology and agencies is required to reduce appropriations in class 027 for any agency where the appropriation exceeds the amount necessary for the provision of information technology services to that agency. Said reductions shall total \$51,631 for the fiscal year ending June 30, 2014.

In SFY 2014, Agency Class 027 appropriations will be reduced as follows:

Адепсу	Account	SFY 2014 Budget	(Decrease)	Revised SFY 2014 Budget

The Honorable Mary Jane Wallner, Chairman Fiscal Committee of the General Court July 26, 2013 Page 3

# **EXPLANATION**

Chapter 143:11 Laws of 2013, states:

"Department of Information Technology; Appropriation Reductions. The department of administrative services, in consultation with the department of information technology and agencies which may be impacted by the deductions, shall reduce appropriations in class 027 for any agency where the appropriation exceeds the amount necessary for the provision of information technology services to that agency. Said reductions shall total \$51,631 for the fiscal year ending June 30, 2014 and shall total \$53,555 for the fiscal year ending June 30, 2015. By July 30 of each fiscal year, the department shall provide a report to the fiscal committee of the general court detailing the reductions required by this section."

The reductions listed above detail the FY 2014 reductions required of the agency's class 027.

Respectfully Submitted,

Peter C. Hastings Commissioner

#### Section 1 Refunds Issued This Month

This section is generated from the Lawson Financial System. It is the refunds processed by the Department of Revenue in the calendar month in question. (When looking at cash flow the actual refund for June will be sent out in a subsequent month.)

#### Section 2 Current Claims Pending This Month

This is all refunds pending that have not been processed. A pending refund can be the result of any of the following: a taxpayer request, system generated, or audit findings.

- a.) <u>Taxpayer Requested Refunds</u>: These are only refunds initiated by taxpayers received and data entered in the month reported on. These refunds can be from original or amended returns. Does not necessarily mean they will be granted.
- b.) System Generated Refunds: The DRA computer system identifies out of balance accounts and all of those out of balance accounts that favor taxpayers will appear as 'system refunds'. Most of these system generated refunds are resolved without actual refunds being paid. Example: an estimate credited to the wrong year would generate a system tax notice in one year and a system refund in another correctly transferring the estimate. The estimate resolves both the refund and the tax notice.
- c.) Refunds as a Result of Audit: Some audits result in refunds because evaluation of taxpayer records subsequent to an audit in June will result in the identification of a legitimate refund.

#### Section 3 Taxpayer Requested Refunds This Month

These are only refunds initiated by taxpayers received and data entered in the month reported on. These refunds can be from original or amended returns,

Re: Dashboard - June 2013

#### Information

Pursuant to Chapters 223:6 (HB1) and 224:14 (HB2), Laws of 2011, the Department of Health and Human Services is providing this dashboard report, which, along with the quarterly report to the Fiscal Committee on expenditures for the Medicaid program, provides a status on demand for services in entitlement programs. The purposes of this dashboard are to:

- 1. Provide summary information on enrollments in several high cost programs managed by the Department,
- 2. Monitor high level fiscal issues to ensure sufficient funding is available for entitlement programs and for programs intended by the legislature, and to
- 3. Provide a summary of significant administrative and operations initiatives.

#### Explanation

#### Mission

The Department's mission is "to join communities and families in providing opportunities for citizens to achieve health and independence." The majority of individuals serviced by the Department fall into three groups, and programs to help these individuals require different approaches with differing objectives.

- Permanently Disabled Individuals include the developmentally disabled, frail elderly and those
  with mental health issues who require long term care services. The objective is to help them
  maximize their independence, to allow to the extent it is safe for the individual, to live within a
  community, while recognizing that for many there will always be a need for long-term services and
  supports.
- Temporarily Low Income Individuals are those who have exhausted their financial resources due a loss of employment, divorce, or temporary health issues. These individuals have the ability to likely recover their independence when jobs are available or their current crises are overcome with the appropriate interim supports.
- Chronically Low Income Individuals are the most complex. Breaking the cycle of poverty for the
  chronically low income requires a commitment from public and state leaders to invest in programs
  that will support a coordinated statewide effort including, not only the Department of Health and
  Human Services, but also Education, Corrections, and Employment Security.

For the year ended June 2013, the Department provided services to an average of 155,664 individuals per month. This represented an increase of 0.6% over the prior year. The largest programs managed by the Department are the food stamp, Medicaid, and FANF programs, which provide supports to low-income individuals. As noted in the following table, growth in caseloads for these programs has slowed from the years of the recession but remain at high, unprecedented levels. The growth in Medicaid is related to integration of the Children's Health Insurance Program (CHIP). Adjusting for this change, Medicaid caseloads remain flat versus the prior year.

#### Average Monthly Enrollment (Persons) Years Ended June

	2010	2011	2012	2013
Total Unduplicated Persons	145,949	152,821	154,715	155,664
Pct Increase from Prior Year	11.3%	4.7%	1.2%	0.6%
Medicaid Persons	117,025	119,612	119,832	129,721
Pct Increase from Prior Year	8.9%	2.2%	0.2%	-0.1%CHIP Adjusted
Food Stamp Persons	99,219	112,302	115,987	117,899
Pct Increase from Prior Year	36.0%	13.2%	3.3%	1.6%
FANF Persons	14,098	13,696	10,870	8,494
Pct Increase from Prior Year	17.2%	-2.8%	-20.6%	-21.9%
APTD Persons	8,284	8,794	8,778	8,136
Pct Increase from Prior Year	13.8%	6.2%	-0.2%	-7.3%
Elderly Nursing Services	7,288	7,188	7,237	7,232
Pct Increase from Prior Year	0.5%	-1.4%	0.7%	-0.1%

Medicaid Program-Medicaid is the largest and most costly program administered by the Department accounting for in excess of 70% of total Department costs. Medicaid caseloads have stabilized but remain at historic highs. A recent forecast developed for the Department is for a 1.0% annual increase in caseloads. Caseloads for SFY13, however, grew at half that rate, after adjusting for the effect of the CHIP conversion. On July 1, 2012, the Children Health Insurance Program (CHIP) was merged into the Medicaid fee-for-services program. Pursuant to SB147, the Department is implementing a managed care program to provide these services, which will not change the eligibility, but will impact how Medicaid services are delivered.

<u>FANF Caseloads-SFY13</u> enrollment for Financial Assistance for Needy Families (FANF) has decreased by 21.9% from the previous year. Much of this reduction is related to termination of the two-parent program as part of the budget, as well as changes to the criteria applied to other programs for eligibility.

Cash Assistance For Disabled Clients-SFY13 enrollment for Aid to the Permanently and Totally Disabled (APTD) declined 7.3% from prior year. Most of the decline in caseloads is related to the change in treatment of Social Security Income in determining eligibility for benefits. For the last three months, APTD caseloads have leveled off at 8011 to 8001. The cost per case has also declined as a result of a Department initiative, the Facilitated Social Security Applications project, which has assisted clients to obtain Social Security benefits, reducing the amount of State assistance.

<u>Food Stamps</u>- New Hampshire food stamp caseloads are still increasing although the growth rate slowed to 1.6% in SFY13.

Honorable Mary Jane Wallner Page 3 July 22, 2013

#### Operations & Administration

The Department has been restructuring and downsizing the administrative organization. The budget for SFY2012-2013 abolished 373 positions, thus permanently reducing the size of the organization. In June 2008, the Department had 3,107 filled positions. In January 2013, the Department had 2,619 filled positions, a decrease of 15.7%. Figures since then are not available from the State personnel system. This downsizing of the organization comes at a time when the Department is also being tasked to implement mandated elements of the Accountable Care Act and significant transformation initiatives such as Medicaid managed care, redesign of supports for clients for community-based care, re-engineering front end operations, and implementation of enabling technologies. The decline in number of staff is exacerbated by the fact that nearly 12% of the Department's workforce is age 60 with at least 10 years of services and eligible for retirement. This potential drain of experienced staff combined with the organizational downsizing and transformation challenges creates risk to the Department's core competencies.

#### Litigation & Audits

In addition to managing current operations and working toward implementation of the significant transformation initiatives required in the budget for SFY2013, Department resources have become disproportionately directed at and continue to be consumed to addressing audits and litigation including:

- Litigation involving acute care hospitals
- Litigation involving the Olmstead regulations for the mental health services
- Litigation involving providers of residential care for children
- Managing the disproportionate share program
- Office of Inspector General audits
- Federal review of Title IV-E
- LBA audits such as the recently completed audit of NH Hospital and the new audit of the Sununu Youth Services Center
- State Single Audit

One new issue related to the Medicaid Disproportionate Share (DSH) program for New Hampshire Hospital (NHH). NHH receives approximately \$18 million per year from the DSH program for services for uninsured patients. In 2008, CMS issued rules defining "uninsured" to be more restrictive than the service-specific definition previously employed and applied the definition on an individual-specific basis rather than a service-specific basis. This reduces the costs that can be claimed for DSH since many clients have insurance, but not for the services being rendered by NHH. Numerous states, including New Hampshire, members of Congress, and related stakeholders expressed their concern that the 2008 DSH final rule definition of the uninsured deviated from prior guidance and would have a significant financial impact on States and hospitals. In January 2012 CMS issued a proposed rule, which will reinstate the broader definition. In December 2012, CMS indicated the final rule might be issued in April 2013. This did not occur. NHH has and continues to believe when the final, broader, rule is issued, it will retain DSH federal funding at historical levels and has been budgeting under that assumption.

Honorable Mary Jane Wallner Page 4 July 22, 2013

#### **Summary**

The Department has continually strived to deliver high quality and cost-effective services to individuals requiring support services and to the taxpayers who fund those services and to improve the value of the services delivered. Addressing the root causes for the needs for these services requires a long-term, coordinated effort among state agencies, stakeholders and the legislature. The four primary change initiatives for the Department are:

- 1. Care management for client enrollment in the Medicaid program,
- 2. Reengineering service delivery systems,
- 3. Investing in enabling technologies and
- 4. Continuous process improvement.

Successful transition to a new business structure, however, is challenged by continuing reduction in resources and resistance from existing delivery systems and stakeholders. Other challenges will be encountered if federal sequestration reduces funding to safety net programs.

Respectfully submitted

Nicholas A. Toumpas

#### Department of Health and Human Services

Current Status of Projects With Potentially Significant Impact As of June 30, 2013

The Department of Health and Human Services has a number of initiatives in process that will significantly transform the nature of services and the delivery systems for those services. These include:

- 1. Medicaid Care Management for Medical and Long Term Care Services
- 2. Development of an 1115 Waiver to restructure the Medicaid program
- 3. Implementation of authorized elements of the Affordable Care Act (ACA)
  - a. Implementation of the Modified Adjusted Gross Income
  - b. Federally Facilitated Marketplace
  - c. Federally Funded Primary Care Rate Increase
- 4. Implementation of Child in Need of Services (CHINS) Voluntary Services

#### Long Term Care

- 4. Implementation of the 10-Year Mental Health Plan
- 5. State Innovation Model (SIM) Grant
- 6. Balanced Incentive Program (BIP) Grant

#### Information Technology

- 7. Medicaid Management Information System
- 8. Service Delivery System Transformation Data Repository
- 9. Health Information Exchange
- 10. Replace Child Support Information System (NECSES)
- 11. Complete the installation of the Medicaid Management Information System (MMIS)
- 12. Continue the modernization of the eligibility determination system (New HEIGHTS)
- 13. Implement Electronic Medical Record at New Hampshire Hospital
- 14. Implement WISDOM Public Health Performance Management System

#### MEDICAID PROGRAM

#### Care Management

Chapter Law 125, Laws of 2011, requires the Commissioner to employ a managed care model for administrating the Medicaid program and its enrollees to provide for managed care services for all Medicaid populations throughout New Hampshire consistent with the provisions of 42 U.S.C 1396u-2. The Department is implementing a three-phased approach consistent with the language of Chapter Law 125 (SB 147).

- Step 1-All Medicaid medical, pharmacy, and mental health services for all populations with a few the exceptions, such as spend down populations.
- Step 2-Specialty services for long term care populations, including nursing home services and specialty services for those dually eligible for Medicaid and Medicare.
- Step 3-Medicaid expansion population under the Affordable Care Act, if NH chooses to exercise the
  option to expand.

#### Status:

As a result of a public bidding process, on May 9, 2012 Governor & Council approved three contracts with Medicaid Managed Care Organizations (MCO). These vendors are Granite State Health Plan (Centenc Corporation), Well Sense Health Plan (Boston Medical Center) and Meridian Health Plan of New Hampshire. The contracts, along with Medicaid State Plan Amendments (SPA) were submitted to the Centers for Medicare & Medicaid Management (CMS) for approval.

The Department has been closely monitoring the steps needed to fully implement the new program, including the development of the managed care organizations' provider networks with special focus on acute care hospitals, primary care physicians, community mental health centers and federally-qualified community health centers. The

program start date is contingent on the development of the provider networks. We have set forth a timeline that culminates with the program start that will begin once the managed care organizations are able to demonstrate that they have met certain milestones in putting together the provider network to serve the Medicaid population.

#### Development of an 1115 Waiver to restructure the Medicaid program

The Department is in the process of developing a proposal for a Medicaid demonstration waiver from the Centers of Medicare and Medicaid Services (CMS) in order to improve population health in New Hampshire, improve health outcomes for the Medicaid and CHIP populations, and to help lower health care costs for those populations over time. The demonstration waiver is known as a "Section 1115" waiver because of the provision of the federal Social Security Act under which the waiver is issued. A waiver mechanism is needed in order to undertake programs and initiatives in an innovative manner that does not adhere to all the traditional federal rules and regulations for the delivery and payment of Medicaid services.

For the past several years, NH DHHS has pursued a number of individual initiatives in order to improve population health and to establish a sustainable Medicaid financing system. These initiatives have included participation in the Balancing Incentive Program (BIP), the Money Following the Person Grant Program, the System of Care Grant, and, more recently, the implementation of managed care through the NH Care Management program and the State Innovation Model Grant program.

In addition, the Care Management program, which will provide medical homes and coordinated health care to NH's Medicaid population, will be implemented once the network for services is completed and CMS provides final approvals for implementation. NH DHHS is also now in the process of completing a thorough stakeholder process for the design phase of the State Innovation Model Grant, which is focused on new payment and service delivery reform options for long-term care support and services across the continuum of care and across the lifespan for all populations.

NH DHHS believes that it is critically important to align these initiatives and to undertake additional transformation efforts to reform the delivery and payment of Medicaid services in order to achieve our goal of improved population health and to secure additional federal investment in NH's Medicaid system to ensure its sustainability. Over the next several months DHHS will be undertaking stakeholder outreach that will inform the development of a waiver concept that will be reviewed by CMS and the public, and that will serve as the basis of a formal waiver application to CMS.

#### Implementation of authorized elements of the Affordable Care Act (ACA)

The State legislature is studying the issue of expanding Medicaid eligibility under ACA. HB2, Section 129 established the Commission to Study Expansion of Medicaid Eligibility and the committee report is due October 15, 2013. The Department has been providing technical support for this Commission. In addition to the state optional expansion of Medicaid under ACA, certain changes are mandatory and the Department is working toward implementation of the Modified Adjusted Gross Income methodology for eligibility determination, the Federally Facilitated Marketplace and the Federally Funded Primary Care Rate Increase.

#### Medicaid Family Planning Benefit Expansion.

Beginning July 1, DHHS started implementation of the Medicaid family planning expansion as directed by SB 194 and provided under RSA 126-A:4-c.. The family planning benefit is administered through the DHHS Medicaid Program and client eligibility for the program is administered through the Division of Client Services. Due to the department's inability to initiate at this time the significant technology systems enhancements necessary to determine eligibility and conduct claims processing, all client eligibility and all provider claims, both processed and paid, are conducted manually. Our ability to track total clients and service utilization is limited. However, DHHS is creating a work around data collection system that relies heavily on cooperation with providers and that captures benefit utilization and cost to the Medicaid program. During the first three weeks of the program, nearly 400 clients have been

determined eligible for services at family planning sites throughout NH. DHHS will report to the legislature on progress at 60 days and subsequently in the monthly Dashboard reports.

#### CHILDREN'S SERVICES

#### Implementation of Child in Need of Services (CHINS) Voluntary Services

The 2013 legislature passed HB 260, expanding the definition of a child in need of services under RSA 169-D, providing that DHHS shall offer voluntary services to any child meeting the definition of CHINS; directs the department to collect certain data regarding the CHINS program, services and utilization; and provides for the suspension of voluntary services if appropriated funds will be insufficient to support voluntary services. Further, prior to any CHINS petition being filed with the court efforts demonstrating whether appropriate voluntary services have been attempted, the nature of voluntary services attempted, and the reason court compulsion is necessary must be documented. Currently, the Division of Children Youth and Families does not have a technology system to collect data on voluntary services. DCYF must create a manual system of tracking voluntary cases in addition to associated costs.

#### LONG TERM CARE

#### 10-Year Mental Health Plan

The 10-Year Mental Health Plan restores the delivery system to addresses the critical mental health needs of NH's citizens. The Division of Community Based Care Services, through the Bureau of Behavioral Health and New Hampshire Hospital, has developed several initiatives to provide a long-term, community based and sustainable solution for the backlog of individuals waiting in hospital emergency departments for inpatient care. These include providing early interventions before an individual requires emergency care, and targeted programs and services to allow individuals with high service needs to live successfully in the community. Specific initiatives and progress to date are as follows.

- Establish a second Acute Psychiatric Residential Treatment Program (APRTP similar to the current program located in Manchester (Cypress Center).
   <u>Status</u>: BBH will be drafting an RFP for release this fall for organizations designated as community mental health programs to apply for these funds. We have several who have expressed an interest, and a key component to a successful application will be site control-property identified, available and under control of the applicant.
- 2. Establish additional crisis beds operated by two local Peer Support Agencies building on the success of the Stepping Stones Crisis Respite Program.
  Status: We had released an RFP and selected a peer support agency to establish this program. This was the second round of proposals released. The organization chosen developed some financial issues needing immediate attention and we subsequently rescinded our offer to contract with them. We have been approached through community collaboration- a CMHC in partnership with a peer support agency to set up a crisis bed. They have a site available for the program. We will be proceeding with further discussions with them on moving this initiative forward.

As part of a planned expansion of the Transitional Housing Program, we are expanding the program by an additional 8 beds, which will include 2 peer run crisis beds at the program in collaboration with a local Peer Support Agency. We are in the process of executing this contract amendment.

- 3. Establish 48 additional community residence beds for the individuals with severe mental illness who require close monitoring and specialized services in the community. This would provide 24-hour care to help them develop the skills to live independently.

  Status: This was reduced to 12 beds for FY 14. We are in the process of doing a contract amendment to use these funds to expand the transitional housing program and also include 2 peer run crisis beds within that same program.
- 4. Expand the Housing Bridge Subsidy Program by 100 slots. The State will provide rental subsidies to landlords until the individual receives a section 8 voucher.
  Status: BBH staff is working with our community program partner, Harbor Homes, to work off the current wait list and enroll new participants in the Housing Bridge Subsidy Program.
- 5. Establish 7 additional Assertive Community Treatment Teams (ACT) to reduce hospitalizations, reduce the use of hospital emergency departments, and improve the quality of life for individuals with a serious mental illness who are at high risk in the community. NH currently has 10 ACT Teams in 6 regions. <a href="Status">Status</a>: We will have 4 additional Adult ACT Teams covering all 10 regions as of September 2013. We have also provided funding to ensure each of the 10 teams is able to provide 7-day a week coverage.
- 6. Expand the REAP (Referral, Education and Assistance Program) to serve an additional 350 older adults. REAP provides outreach and short term counseling services to older adults who are at high risk for hospitalization because of substance abuse and/or mental illness.
  Status: Expanded funds have been provided to our lead partner agency, Seacoast Mental Health, and other program design changes have been made to continue enhancing and improving outcomes for program participants.
- 7. Expand funding for Peer Support Services to serve 10% more consumers <a href="Status">Status</a>: Funding provided to the Peer Support Agencies through contract.
- 8. Develop one additional local Designated Receiving Facility (DRF) to expand inpatient psychiatric services.

Status: Franklin DRF, a new 10-bed program, scheduled to open on 10-1-13.

#### State Innovation Model (SIM) Grant

The Department received a federal SIM grant and will use the grant to focus on the service model for individuals who are either in need of or at-risk for needing long-term support services. The purpose of the grant is to transition from the current, fragmented model to a system that a) empowers consumers to access services across the service delivery system "silos" and improves care and service coordination across those systems, b) aligns the payers for long term care support services around a common goals and outcomes, and c) employs a payment system that creates global accountability for cost effectiveness and outcomes.

Status

Work on the project has begun by forming work groups within the larger stakeholder group. The workgroup on Vision and Mission completed its work on a combined vision and mission statement. All eight SIM Stakeholder workgroups met to review strengths and weaknesses of the current system and to brainstorm ideas and strategies for SIM initiatives. Workgroups were held for the following areas: Status Report, Payment Reform, Regulatory/Legal, System Reform, Existing Initiatives, Quality, Education and Outreach, HITIT, Other Barriers A stakeholder meeting was held June 27, 2013 to communicate updates from each workgroup and to provide a set of recommendations for discussion.

#### Balanced Incentive Program (BIP)

The Department received a federal BIP grant for purposes of rebalancing Medicaid spending between institutional and community long term care services. New Hampshire is eligible to participate in this grant opportunity because, as of December 2009, the State spent more on institutional care than on community-based long-term supports and services. The rebalancing will build upon the existing partnerships with Area Agencies and Community Mental Health Centers, utilizing the ServiceLink model. The project will focus on core principles of a) No Wrong Door—Single Entry Process which will be a statewide system to enable consumers to access all long-term services and supports through an agency, organization, coordinated network, or portal b) Core Standardized Assessment for determining eligibility, identifying support needs, and informed service planning, and c) Conflict-free case management services to develop care plans, coordinate services and supports, and conduct ongoing monitoring to assure that services and supports are delivered to meet the beneficiary's needs and achieve intended outcomes. The grant was received on March 1, 2012 and to date the following activities have been completed.

#### Status:

The Department continues to outline long term care system enhancements. A contract for project management services was approved April 17, 2013, which will accelerate progress toward future milestones in support of the objectives to rebalance long term care spending in favor of community services and supports. Efforts are being ramped up in each of the major work plan areas. Next steps include finalization of several required infrastructure deliverables, including the core standardized assessment, standardized informational materials, and the NWD screening, eligibility & options counseling processes. Next steps include finalization of several required infrastructure deliverables, including the core standardized assessment, standardized informational materials, and the NWD screening, eligibility & options counseling processes.

#### INFORMATION TECHNOLOGY

#### Medicaid Management Information System (MMIS)

The Medicaid Management Information System (MMIS,) including its Medicaid claims adjudication and payment functions, is the Department of Health and Human Services' primary system for administering and managing costs for the New Hampshire Medicaid program. The MMIS processes over \$1 billion annually in payments to 14,000 New Hampshire Medicaid providers for services provided to approximately 130,000 eligible recipients under the New Hampshire Medicaid program.

#### Status:

The new system, MMIS Health Enterprise, went live for general use by the state, providers, and trading partners, on March 31, 2013. Since that time, the system has processed 16 financial cycles that result in payments to Medicaid providers. Overall, the system is very stable, considering its size and complexity. The state and Xerox continue to identify, prioritize and resolve remaining issues that will increase the timeliness and accuracy of provider payments, decrease the volume of suspended claims, and enhance reporting capabilities.

On April 1, 2013, the contractor, Xerox Government Healthcare Solutions, began a multi-year commitment as the fiscal agent for the state of New Hampshire. In the coming months, a series of federal- and state-mandated enhancements, including support for the State's Medicaid Care Management program, will be developed and delivered. Meanwhile, the state is preparing for the federal certification that will ensure increased federal reimbursement for the fiscal operations and mandated enhancements.

#### Service Delivery System Transformation - Data Repository

The Department is transforming the service delivery system to be more integrated and efficient while also improving the quality of client care and outcomes. The Service Delivery Transformation (SDST) Project will develop a clear understanding of the way the current service delivery system operates and then will implement changes in polices, procedures, information systems, partnering, contracting, etc. to achieve a more integrated and efficient operation while improving the quality of client care and outcomes. The first step to understand and analyze the current system is to collect data about how the system works. The SDST- Data Repository Project

was defined to create a Master Client-Centric Data Repository that integrates data about services delivered to clients.

Status:

Data from the four agencies participating in the project (Division of Family Assistance, Division of Child Support Services, Division of Children, Youth and Families, and Bureau of Elderly and Adult Services) have been successfully loaded into the software tool from the source systems. User-designed views of the data (called "pages") are being developed by the project team. The first "release" of the system should be available in September for users within the Department.

#### Health Information Exchange

The Department received an award of \$5.5M from the American Recovery and Reinvestment Act of 2009 (ARRA), Title XIII – Health Information Technology, Subtitle B – Incentives for the Use of Health Information Technology, Section 3013, State Grants to Promote Health Information Technology. The purpose of the award is to promote the establishment of a New Hampshire state level Health Information Exchange for information sharing across the health care system. A Strategic and Operational Plan for the Health Information Exchange was developed through the collaboration of stakeholders from across New Hampshire's health care community. Pursuant to Chapter 232 (HB 489), Laws of 2011, the New Hampshire Health Information Organization (NHHIO) was formed to establish and operate a state level Health Information Exchange for New Hampshire. Status:

A contract with Orion Health was signed in February 2013 and the Health Information Exchange technical framework has been built. Test transactions between participants have been successfully exchanged. Full operation is expected to begin within the next few weeks. NHHIO expects to have over 300 providers on the network by end of calendar year. To date NHHIO has received 6 participation agreements with several more expected within the next two weeks, as well as over 30 signed Letters of Intent from large and small hospitals, critical access hospitals, home health and VNAs, community health centers, behavioral health organizations and independent practice organizations.

#### Child Support System (NECSES)

The Division of Child Support Services' New England Child Support Enforcement System (NECSES) information system no longer supports the needs of the program. A plan was developed to implement a solution using software from other states and then build upon that.

Status:

The development effort for the initial release began in June 2012 with a target implementation date of April 2014. The functionality is being developed and tested in four iterations, referred to as "waves". Work on the first wave completed on time in December 2012 and the second wave was completed in June 2013. The development effort for the initial release continues to be on track for implementation in April 2014.

#### New HEIGHTS Modernization

New HEIGHTS is the Department's integrated eligibility system and needs to be modernized making both technical improvements (moving from a 1990's mainframe, client-server technical architecture to a web-based architecture) and functional improvements (such as electronic case files / document imaging and client self service (apply for services on-line, check your benefits, secure e-mail, etc.). Although this is a multi year project that began several years ago and will continue for several more, changes are being made incrementally and technical improvements and enhanced functionality are being implemented on a monthly basis. Also included within the scope of this initiative are all software enhancements required to support authorized elements of the Affordable Care Act, as well as Care Management.

Status:

Affordable Care Act – this includes the new Medicaid eligibility rules (MAGI), Account Transfer From and To CMS (FFM), and the Federal Data Services Hub (FDSH) interface to verify SSN, Citizenship, and Lawful Presence of Non-Citizens. June is the second month of the project following approval of contracts. This project remains a top priority and is fully staffed. We are ahead of the contract timelines for FDSH integration

and are actively working through the 100 scenarios defined by CMS in the formal test environment. Full testing began in June as scheduled. Additional enhancements to NH EASY for a more streamlined application are in process.

Incremental Renewal – Real time transaction phase work completed shows that the resource usage and percentage of work continues to be on track. Conversion of the batch programs phase is under way. A Proof of Concept (POC) has been completed with a test of the new batch solution providing 100% matching results to the COBOL application being replaced with comparable runtime. Core framework has also been completed. The team is now beginning to develop common routines. The reporting "As Is" analysis has also been completed pending formal review and we are evaluating COTS reporting alternatives. Service Modernization - The NH EASY service modernization projects are proceeding on schedule with a successful release of provider/guardian self-service features implemented in June. MITA assessment tasks started in April and continue to be on hold pending release of MITA 3.0 for eligibility by CMS.

#### **Electronic Medical Record**

New Hampshire Hospital (NHH) is in the planning stages for implementation of an electronic medical record (EMR) system. The EMR will be an added module to the Netsmart program already in place. The existing software includes modules for census management, financial components, and report writing. The EMR will include real time documentation of the patient record including admission information, treatment plans, progress notes, and discharge summaries. Initial efforts underway are to review current workflow processes to identify what needs to -be modified in an electronic system and to identify any current redundant processes. Status:

Workflow analysis nearly complete with two departments left – anticipated end date 8/1/2013. Contract with Netsmart to provide implementation services and on-site training expected to go before G & C on 8/14/2013 that will allow the EMR to be loaded into the system. At that time, workflow analysis results to be implemented into a single working model throughout the Hospital to compliment the EMR. Pharmacy software replacement, Rx Connect, will be installed by 9/15/2013 to allow user testing and inventory conversion. The current pharmacy module will no longer be supported as of 12/31/2013.

Working with DHHS OIS to determine which document scanning solution is best to convert paper medical records into electronic form for seamless retrieval once system goes live. Also working with DHHS OIS to prepare for the 10/1/2014 federal mandate deadline for the implementation of the new inpatient coding system upgrade from ICD-9 to ICD-10 as well as the upgraded psychiatric diagnostic coding from DSM-4 to DSM-5. Both these mandates will require upgrading the Hospital's current software to updated versions.

#### **WISDOM**

Division of Public Health Services (DPHS) is in the second year of developing a Web-Based System for Direction and Outcome Measures (WISDOM). The WISDOM application allows users, both named and anonymous, to access interactive reports of DPHS health indicator data and uses a content management database to organize reports and provide context to the user. This will include a performance management application (PMA) to manage information in the database, to enter indicator source data when other data sources are not available, and report back on the data interactively. Status:

DPHS is implementing a project plan so that each DPHS program has at least one performance objective entered into the PMA by the target date of September 30th. Phase 1 of the initiative involves training appropriate program staff and populating the system with basic program information. This phase should be completed by August 1st. Next, each program area will identify and define a Key Performance Indicator and objective, complete a detailed description of the indicator, and enter the indicator and its most current data into the PMA system. Over the late fall and winter, additional indicators will be added as appropriate. These program "dashboards" will be reviewed quarterly and used as an integral tool in the Division's performance management/quality improvement efforts.

#### STATE OF NEW HAMPSHIRE

July 1, 2013

The Honorable Mary Jane Wallner, Chairman Fiscal Committee of the General Court New Hampshire State House Concord, NH 03301

#### **INFORMATIONAL ITEM**

In accordance with Chapter 277:4, Laws of 2006, the Department of Resources and Economic Development and the New Hampshire Insurance Department respectfully submit this twice a year report to retain domestic insurers and recruit foreign insurers to redomesticate in New Hampshire.

#### **EXPLANATION**

Since the filing of our last report on January 17, 2013, in accordance with Chapter 277:4, Laws of 2006, the Department of Resources and Economic Development and the New Hampshire Insurance Department have continued to work jointly on marketing the State's lowering of the insurance premium tax to 1.25%. The following companies have redomesticated as of July 17, 2013. There have been no new companies since our last report in January.

- Number of new, out of state companies as of November 09:
  - 1. John Hancock: 100,000 square feet and 300 new employees (not a redomestication, but a substantial expansion to New Hampshire).
  - 2. Acadia Insurance: 10,000 square feet and 9 employees
  - 3. Washington International Insurance Company, 0 employees
  - 4. Verlan Fire Insurance Company, 0 employees
  - 5. Colorado Casualty Insurance Company, 0 employees*
  - 6. Safeco National Insurance Company, 0 employees*
  - 7. Liberty Personal Insurance Company, 0 employees*
  - 8. Allied World Reinsurance Company, 0 employees
  - 9. Golden Eagle Insurance, 0 employees*
  - 10. Liberty Life, currently in NH with approximately 250 employees
  - 11. Campmed Casualty & Indemnity Company, Inc. of Maryland, 0 employees
  - 12. First National Insurance Company of America, 0 employees*
  - 13. General Insurance Company of America, 0 employees*
  - 14. Safeco Insurance Company of America, 0 employees*
  - 15. Safeco Surplus Lines Insurance Company of America, 0 employees*

- 16. The Midwestern Indemnity Company, 0 employees*
- 17. Mid-American Fire & Casualty Company, 0 employees*
- 18. American Fire and Casualty Company, 0 employees*
- 19. Ohio Security Insurance Company, 0 employees*
- 20. The Ohio Casualty Insurance Company, 0 employees*
- * Liberty Mutual owned companies.

Note that the marketing funds for this project were taken out of the budget as of July 1, 2011, therefore on-going work has been general sales performed by recruitment, but no further proactive marketing has been done on this project.

Respectfully submitted,

N.H. Department of Resources and Economic Development

#### Section 1 Refunds Issued This Month

This section is generated from the Lawson Financial System. It is the refunds processed by the Department of Revenue in the calendar month in question. (When looking at cash flow the actual refund for July will be sent out in a subsequent month.)

#### Section 2 Current Claims Pending This Month

This is all refunds pending that have not been processed. A pending refund can be the result of any of the following: a taxpayer request, system generated, or audit findings.

- a.) <u>Taxpayer Requested Refunds</u>: These are only refunds initiated by taxpayers received and data entered in the month reported on. These refunds can be from original or amended returns. Does not necessarily mean they will be granted.
- b.) System Generated Refunds: The DRA computer system identifies out of balance accounts and all of those out of balance accounts that favor taxpayers will appear as 'system refunds'. Most of these system generated refunds are resolved without actual refunds being paid. Example: an estimate credited to the wrong year would generate a system tax notice in one year and a system refund in another correctly transferring the estimate. The estimate resolves both the refund and the tax notice.
- c.) Refunds as a Result of Audit: Some audits result in refunds because evaluation of taxpayer records subsequent to an audit in July will result in the identification of a legitimate refund.

#### Section 3 Taxpayer Requested Refunds This Month

These are only refunds initiated by taxpayers received and data entered in the month reported on. These refunds can be from original or amended returns.

RE: Medicaid Family Planning Expansion Update

#### **Information**

Pursuant to Chapter Law 92, Laws of 2013, the Department of Health and Human Services is providing the Fiscal Committee of the General Court with a status update on the Medicaid Family Planning Expansion (Family Planning Medical Assistance Program).

#### Explanation

Chapter Law 92, Laws of 2013, requires the Department of Health and Human Services (DHHS) to implement the Medicaid Family Planning Expansion to provide statewide access to quality contraceptive and related reproductive health services for low income individuals that would not otherwise be eligible for Medicaid. The Department originally planned to implement this service via a federal family planning waiver pursuant to RSA126-A: 4-c. Since 2010, States are allowed to provide family planning services and supplies for the expansion group through a State Plan Amendment. This new optional categorically needy group is established under Sec 1902(a)(10)(A)(ii) of the Social Security Act.

In 2013, the legislature passed SB 194, Chapter law 92, which required DHHS to implement the Medicaid Family Planning Expansion as provided under RSA 126-A: 4-c no later than July 1, 2013 through a State Plan Amendment. SB 194 states that if the traditional claims payment systems are unavailable for implementation within the time frame indicated in the legislation, the Commissioner shall manually process the payment of claims or contract with a third party administrator to ensure timely provider payment capacity and uninterrupted access to eligible recipients. Time constraints made the traditional automated eligibility and claims payment system modifications impossible to implement for July 1, 2013. Therefore, DHHS implemented the Family Planning Expansion on July 1, 2013 through a manual eligibility determination and claims payment process. The manual system was developed by a multi-divisional team, which included Division of Family Assistance (DFA), Division of Client Services (DCS), Division of Public Health (DPH), Office of Medicaid Business and Policy (OMBP), and Office of Business Operations (OBO). DFA and DCS are responsible for the development of policy and

The Honorable Mary Jane Wallner, Chairman August 23, 2013 Page 2 of 2

> procedures, determining eligibility and processing applications for this new eligibility group. OMBP is responsible for processing the payment of claims that are submitted by the enrolled family planning providers. The Division of Business Operations is responsible for reporting to Centers for Medicare and Medicaid (CMS) in order for DHHS to receive the 90/10 enhanced federal match.

> In April 2013 an outreach effort was made to identify external stakeholders that would participate in working with the Department's internal team to assist with provider communication. The Community Action Program (CAP) Belknap/Merrimack County, Lamprey Health Center, and Planned Parenthood of Northern New England represented external stakeholders. The team met every week until the program was implemented. Family Planning Providers were informed of the details of the program through two-training sessions that were mandatory for them to attend. The training was a full day and covered topics such as how to determine recipient eligibility, claims processing, covered services, forms, contact information, and other related materials. Another training is scheduled for August 27th. In July, the State Plan Amendment was submitted to the Centers for Medicare & Medicaid Services to obtain its approval for this new eligibility group.

> Currently there are eleven (11) provider agencies participating in the Family Planning Medical Assistance Program. Several of these agencies have multiple locations. Planned Parenthood of Northern New England (PPNNE) has seven (7) sites in New Hampshire and one (1) in Vermont that services NH As of August 8, 2013 there have been 604 applications processed from six (6) family residents. planning agencies. Of the 604 applications, there were 187 applications denied, 148 open and 269 pended. Of the denied applications, the majority was related to failure of the client to provide mandatory documentation. Applications entered into the database still waiting for an eligibility determination are pended until determination is complete. The majority of the applications were from Planned Parenthood of New England with a total of 522 applications.

#### Summary

The Family Planning Medical Assistance Program is in its infancy with 45 days of data to report to the fiscal committee. Planned Parenthood of Northern New England is the primary provider participating in this new program. Other providers are slow to implement this manual process. There is a learning curve for the Family Planning providers and DHHS as this is not the traditional method of operating the Medicaid program. A full report of the Family Planning Medical Assistance Program (Medicaid's Family Planning Expansion) is attached for your review.

Respectfully submitted,

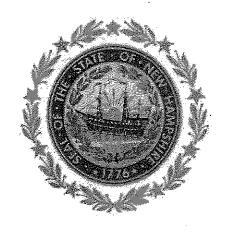

Kathleen A. Dunn, MPH Associate Commissioner

Medicaid Director

#### 1 Introduction

## 1.1 Purpose

The purpose of this report is to update the legislative fiscal committee on the New Hampshire Family Planning Medical Assistance Program, Medicaid's Family Planning Expansion Program that was mandated by SB 194, Chapter Law 92, Laws of 2013. This legislation requires the Department of Health and Human Services (DHHS) to implement the Medicaid Family Planning Expansion to provide statewide access to quality contraceptive and related reproductive health services for low-income individuals that would not otherwise be eligible for Medicaid.

# 1.2 Background

Section 2302 of the Affordable Care Act (ACA) established a new Medicaid eligibility group for family planning services and family planning-related services for individuals otherwise ineligible for Medicaid. Originally, DHHS planned to implement this new program via a federal family planning waiver and pursuant to RSA 126-A: 4-c. However, with the enactment of the ACA, States were provided the option to offer this program, under State plan authority, and avoid the more complicated and time-consuming federal waiver process. States that elected the option were mandated to offer to this new eligibility group all family planning services that are currently available under Medicaid, as described in Section 1905(a)(4)(c) of the Social Security Act. Additionally, States were required to include some "family planning related" services. These are certain diagnosis and treatment services and pharmaceutical supplies provided pursuant to a family planning service in a family planning setting. States were given flexibility to decide which family planning related services would be offered. Family planning services receive 90/10 federal matching funds, while family planning related services and supplies are paid at 50/50 federal match.¹

In 2013, the legislature passed SB 194 (Appendix 1), Chapter law 92, which required DHHS to implement the Medicaid Family Planning Expansion as provided under RSA 126-A: 4-c no later than July 1, 2013 through a State Plan Amendment. Legislation requires that if the traditional claims payment systems are unavailable for implementation within the timeframe identified as July 1, 2013, the Commissioner shall manually process the payment of claims or contract with a third party administrator to ensure timely provider payment capacity and uninterrupted access to eligible recipients. Since time constraints made traditional automated eligibility and claims payment systems impossible

¹ DFA SR 13-30.

to implement for July 1, 2013, a manual application and claims payment process was implemented on July 1, 2013. ²

## 1.3 Program Overview

The Family Planning Medical Assistance program is a program with no age or gender discrimination. The only requirements for eligibility are that women are not pregnant and income does not exceed the income eligibility of 185% Federal Poverty Level (FPL). 3 Services and supplies available to this expansion group are limited to family planning services and supplies and some related services in a family planning setting.⁴ Funding for family planning services as defined by CMS is at a 90/10 match. Utilizing the 90/10 match to provide family planning services will allow the State to deploy limited state resources to avoid unintended pregnancies, births, and enrollees that would otherwise be covered by Medicaid. For family planning related services, the federal match is 50/50. In order to implement this program in a short turnaround time, DHHS established a multi-divisional/multi-disciplinary team of subject matter experts to develop and implement the new family planning expansion program, which is called "Family Planning Medical Assistance Program." The internal DHHS team includes Division of Family Services (DFA), Division of Client Services (DCS), Division of Public Health (DPH), Office of Medicaid Business and Policy (OMBP), and Office of Business Operations (OBO). External Stakeholders were included to participate in all phases of Administrative Rules He-W 626 Technical Requirements for the Family Planning Expansion Category of Medical Assistance and He-W 509 Family Planning Expansion Category (FPEC) (Appendix 2) were adopted as of July 1 2013. A multi-user database was designed for efficient process flow between Divisions processing applications, paying claims, and reporting to CMS to claim the 90/10 match.

#### 1.4 Workflow

DFA and DCS determine eligibility for recipients of this program. The Division created and/or revised several application related forms to support this program (Appendix 3). The Children's Medicaid Unit (CMU), which is part of DCS, receives all applications from the family planning providers participating in the program through e-mail, fax, or postal mail. Family Services Specialists process applications and enter them into the database. Presumptive Eligibility is available for clients if they need it. Presumptive eligibility allows qualified entities (QE) to make presumptive eligibility decisions for Family Planning medical assistance. Presumptive eligibility is a process by which a qualified entity acts on behalf of DHHS and makes an initial eligibility determination for Family Planning medical assistance using verifications collected from the applicant at the time of the medical appointment. Presumptive Eligibility guarantees payment for

² Chapter 92, HB 194-FN Session 2013.

http://www.familiesusa.org/resources/tools-for-advocates/guides/federal-poverty-guidelines.html

⁴ Centers for Medicare and Medicaid Services, Family Planning Services Option, July 2, 2010.

covered services for a 10-day period. Within that 10-day period, the provider must submit all required client documentation to DHHS to confirm or deny final eligibility.

OMBP is responsible for processing and requesting payment for claims that are submitted by the family planning providers. It was determined that the all family planning claims would be submitted on a CMS 1500 claim form. A provider-billing manual was developed and distributed to providers during training that took place in June 2013. The billing manual includes a table that lists all covered services and supplies by procedure and diagnosis codes.⁵ The Family Planning Provider Billing Manual was distributed during provider training that took place in June 2013.

#### 2 External Stakeholder Involvement

In April 2013, an outreach effort identified external stakeholders that would participate in working with the Department's internal team to assist with provider communication for the family planning expansion program. The Community Action Program (CAP) Belknap/Merrimack County, Lamprey Health Center, and Planned Parenthood of Northern New England represented external stakeholders. The team met weekly until the program was implemented.

## 3 Provider Participation

Currently there are eleven (11) provider agencies participating in the Family Planning Medical Assistance Program. Several of these agencies have multiple locations. Planned Parenthood of Northern New England (PPNNE) has seven (7) sites in New Hampshire and one (1) in Vermont that serve NH residents (Appendix 4).

Family Planning providers must ensure that application assistors at their facilities are trained by DHHS to process applications and claim forms manually. All Family Planning Service Providers participating in this program must be enrolled as a Medicaid provider in order to receive payment. They must also have a retail drug distribution license and be a Public Health Clinic to be able to dispense contraceptives and/or other prescribed drugs. Since this is a manual process and recipients are not eligible for traditional Medicaid, recipients will not have a Medicaid card to bring to a pharmacy to fill prescriptions.

### 4 Provider Communication and Training

DHHS has communicated with the family planning providers participating in this program throughout each phase of program implementation. External stakeholder representatives are responsible for sharing information with their provider community to ensure that all-important elements of the manual process are shared. Training has been coordinated through the Division of Public Health. Training was conducted on June 24th

⁵ http://www.dhhs.nh.gov/dfa/presumptive/documents/fp-benefit-prov-manual.pdf.

and June 28th to distribute guidance and technical assistance on eligibility and billing procedures. This guidance was posted to the DHHS website along with published flyers for program recipients explaining the covered and non-covered services in English, Spanish, and French. The training was a full day and covered topics such as how to determine recipient eligibility, claims processing, covered services, forms, contact information, and other related materials. Another training is scheduled for August 27th, as some providers did not attend either of the two already conducted. Training materials were distributed at the training and made available on the DHHS website.

# 5 Utilization of the Family Planning Medical Assistance Program

# 5.1 Eligibility/Applications

As of August 8, 2013 there have been 604 applications processed at the CMU from six (6) Family Planning agencies. Of the 604 applications, there were 187 applications denied, 148 opened and 269 pended. See Figure 1. Of the denied applications, the majority are related to failure of the client to provide mandatory documentation. Applications entered into the database still waiting for an eligibility determination are pended until determination is complete The majority of the applications are from Planned Parenthood of Northern New England with a total of 522 applications. See Figure 2 for a breakdown of applications by Planned Parenthood of Northern New England location.

## 5.2 Family Planning Claims

CMS 1500 claim forms are processed in OMBP finance with one staff person entering claims into the database and another arranging for payment to providers. As of August 15, 2013 there have been 225 claims processed. Of those claims, 10 were submitted from

CAP Belknap/Merrimack Valley and 215 from Planned Parenthood of Northern New England. Payments to family planning providers to date are \$26,858.51 (Figure 2). The FMAP for family planning services is 90/10. The FMAP for family planning related services is 50/50. Procedure codes that will be paid as part of this program have been categorized by the Federal match. Procedure codes for related services are group as Category 1. These codes are eligible for a 50/50 match and will be paid only if the visit is for family planning purposes with the appropriate diagnosis code. Category 2 procedure codes are also only reimbursed if related to a family planning diagnosis code and Category 3 are always considered family planning and always reimbursed and matched at 90/10. Figure 2 is a summary of payments to providers by Category 1, 2, and 3 codes from July 1, 20913 to August 15, 2013 (Figure 3).

Total Funds	\$1,181.84	\$9,197.85	\$26,707.06

## 6 Quality Oversight

DCS created an excel spreadsheet sorted by family planning provider, which is used to troubleshoot issues with applications and identify areas where further communication and/or training is needed. Presumptive Eligibility (PE) is allowed under this program with 95% of all applications requesting PE. DCS tracks PE applications to determine if providers are accurately screening applicants. The DCS supervisor will complete case reviews on all applications until Family Service Specialist are fully trained. Applicant information and claims detail information for recipients is entered into the multi-user database. This database allows OMBP to verify eligibility of a recipient before a claim is approved for payment. Claims that are incomplete or incorrectly completed are returned to the provider and providers are contacted to discuss any issues with the completion of the claim. DCS and OMBP work closely together to make sure that DCS and OMBP applications and claims reconcile. DCS and OMBP have the ability to run report queries in the database to complete quality reviews and continues oversight for this program.

# 7 Projections

SB 194 Fiscal Note states that based on fiscal year 2012 date, the Department calculated an average annual cost of \$287 per client for family planning services. The department assumed an additional 1,300 individuals would be eligible for services under the expansion. It is to early to say whether projections are accurate due to pent up demand.

#### 8 Conclusion

The Family Planning Medical Assistance Program is in its infancy with 45 days of data to report to the fiscal committee. Planned Parenthood of Northern New England is the primary provider participating in this new program. Other providers are slow to implement this manual process. There have been challenges with implementing a manual workaround including a learning curve for providers and DHHS staff, as this is not the traditional method of operating for a program expansion with a high volume of recipients. The next report to the fiscal committee is in July 2014.

### In the Year of Our Lord Two Thousand Thirteen

AN ACT requiring the department of health and human services to implement the Medicaid family planning expansion.

Be it Enacted by the Senate and House of Representatives in General Court convened:

92:1 New Paragraph; Commissioner's Duties; Family Planning Waiver. Amend RSA 126-A:5 by inserting after paragraph XXI the following new paragraph:

XXII. The commissioner shall fully implement expanded coverage of Medicaid family planning services as required by RSA 126-A:4-c no later than July 1, 2013. At the time of implementation, the state's Medicaid plan shall be amended to enable the state to accept federal matching funds. As provided in RSA 126-A:4-c, the department shall ensure that the state realizes the 90 percent federal Medicaid match available for the family planning services. If the traditional claims payment systems are unavailable for implementation within the time frame indicated in this paragraph, the commissioner shall manually process the payment of claims or contract with a third party administrator to ensure timely provider payment capacity and uninterrupted access to eligible recipients. At least 30 days in advance of program implementation, the commissioner shall conduct an outreach effort to all participating Medicaid family planning providers to distribute guidance and technical assistance regarding patient enrollment procedures, eligibility criteria, and covered medical services and supplies. Within 60 days after program implementation as required under this paragraph and annually thereafter, the commissioner shall make a report relative to the Medicaid family planning services program to the joint legislative fiscal committee.

92:2 Effective Date. This act shall take effect upon its passage.

Approved: June 20, 2013

Effective Date: June 20, 2013

# Appendix 2

#### Adopt He-W 626 to read as follows:

PART He-W 626 TECHNICAL REQUIREMENTS FOR THE FAMILY PLANNING EXPANSION CATEGORY (FPEC) OF MEDICAL ASSISTANCE

He-W 626.01 <u>Purpose</u>. The purpose of the Family Planning Expansion Category (FPEC) of medical assistance is to offer family planning and family planning-related services and supplies, pursuant to He-W 509, to needy individuals who are ineligible for other Medicaid programs and meet the eligibility requirements set forth in this part.

He-W 626.02 Family Planning Expansion Category (FPEC).

- (a) All general, categorical, technical, and financial factors related to the determination of categorically-needy medical assistance shall apply to applicants and recipients of FPEC, except as specified otherwise in He-W 626.
- (b) Individuals shall be eligible for FPEC medical assistance, pursuant to 42 USC 1396a(a)(10)(A)(ii)(XXI), as amended, when the individual:
  - (1) Applies for medical assistance, as defined in He-W 601.17;
  - (2) Is not pregnant;
  - (3) Is not eligible for any other category of financial or medical assistance offered by the department; and
  - (4) Has net income that does not exceed the income limit described in He-W 641.06(b).
- (c) FPEC applicants and recipients shall not be subject to the maximum resource limits for medical assistance.
- (d) Redeterminations of eligibility for FPEC shall be scheduled pursuant to He-W 684.02(c).
- (e) Pursuant to 42 USC 1396a(d)(ii)(3), as amended, each FPEC applicant and recipient shall be considered to be:
  - (1) A budgetary unit of 1; and
  - (2) A household of 2.
  - (f) When applying the criteria described in (e)(1) above, the Department shall:

- (1) Count only the income of the FPEC applicant or recipient;
- (2) Not deem income from spouse to spouse or parent to child; and
- (3) Allow the following verified deductions or disregards to be subtracted from the budgetary unit's gross income when determining financial eligibility for FPEC:

## a. A \$90 employment expense deduction, pursuant to He-W 641.02(b)(2);

# b. The shelter payment allowance for unsubsidized housing, pursuant to He-W 658.02(e)(2); and

# c. Other allowable deductions, pursuant to He-W 654.14, He-W 654.19, and He-W 654.20.

- (g) Eligible individuals who choose not to receive FPEC, or the eligible individual's authorized representative, shall notify the department of this decision by providing the department with the following written information terminating FPEC services:
  - The casehead's printed name;
  - (2) The name of the person for whom the casehead is requesting the termination of FPEC assistance;
  - (3) The case number, recipient identification number (RID), or medical identification number (MID) assigned to the case; and
  - (4) The casehead's signature.
- (h) The date the department receives the completed information described in (g) above, shall be the individual's FPEC eligibility end date.

#### He-W 626.03 Presumptive Eligibility (PE) for FPEC.

- (a) A qualified entity as defined in He-W 520.01(h) shall determine an individual presumptively eligible for FPEC for the PE period described in (d) below, if the individual meets the criteria in He-W 626.02(b)(2) and (b)(4).
- (b) The qualified entity shall consider a verbal statement from the individual to be sufficient documentation for the criteria described in (a) above.
- (c) Within 5 business days of making the FPEC PE determination, the qualified entity shall provide the department with the following information:
  - (1) The complete name, address, and date of birth of the individual for whom the FPEC PE determination was made; and
  - (2) The date the PE determination was made.

- (d) The FPEC PE period shall:
  - (1) Begin on the date the qualified entity determines PE pursuant to (a) above; and
  - (2) End on the earlier of the following dates:
    - a. The last day of the month following the month in which the individual was determined presumptively eligible; or
    - b. The day on which the department determines the individual's eligibility for FPEC pursuant to He-W 626.02.
- (e) Once an individual has been determined presumptively eligible for FPEC pursuant to (a) above, that individual shall not be allowed another PE determination except as described in (f) below.
- (f) An individual shall be allowed to have another PE determination pursuant to (a) above, if the individual:
  - (1) Was determined FPEC-eligible by the department pursuant to He-W 626.02;
  - (2) Received FPEC after the PE period ended; and
  - (3) Then subsequently became ineligible for FPEC.

#### Adopt He-W 509, to read as follows:

# PART He-W 509 FAMILY PLANNING EXPANSION CATEGORY (FPEC)

He-W 509.01 <u>Purpose</u>. The purpose of this part is to describe the family planning and family planning related services and supplies available to individuals who are determined eligible, in accordance with He-W 626, for this expanded Title XIX eligibility category. In accordance with Section 1902(a)(10)(A)(ii) of the Social Security Act [42 U.S.C. 1396a(a)(10)(A)(ii)], FPEC recipients shall not be eligible for any other Title XIX programs or services, except as provided for in this part.

#### He-W 509.02 Definitions.

- (a) "Department" means the New Hampshire department of health and human services.
- (b) "Family planning expansion category" means a category of recipients who meet the technical eligibility requirements established by the department for the family planning services and/or family planning related services specified in this rule, but who are not eligible for any other Title XIX services not specified in He-W 509.
- (c) "Family planning-related services" means certain medical diagnosis and treatment services and pharmaceutical supplies that are provided pursuant to a family planning service in a family planning setting and that do no receive an enhanced rate of 90% federal match.

- (d) "Family planning services" means family planning services and supplies described in section 1905(a)(4)(c) of the Social Security Act (42 U.S.C. 1396d(a)(4)(c)), including medical services, medical procedures, and pharmaceutical supplies and devices provided by or under the supervision of a physician or other health professional that allow an individual to prevent or delay pregnancy or to otherwise control family size, and which receive an enhanced match rate of 90% federal match.
  - (e) "Hysterectomy" means a surgical procedure for the purpose of removing the uterus.
- (f) "Institutionalized individual" means "institutionalized individual" as defined in 42 CFR 441.251.
- (g) "Mentally incompetent individual" means "mentally incompetent individual" as defined in 42 CFR 441.251.
- (h) "Sterilization" means any medical procedure, treatment or surgical procedure which is intended to render an individual permanently incapable of reproducing.
- (i) "Title XIX program" means the joint federal-state program described in Title XIX of the Social Security Act.

#### He-W 509.03 Eligibility.

- (a) Individuals shall be eligible for family planning services and family planning related services, as described in (b) and (c) below respectively, and in accordance with He-W 509 if the individual meets the division of family assistance eligibility requirements specified in He-W 626; and
  - (1) Once determined eligible in accordance with (a) above, the FPEC recipient has reached reproductive maturity; and
  - (2) If female, is not known to be pregnant.
- (b) Acceptance of any family planning services shall be voluntary on the part of the individual.
- (c) FPEC recipients shall not be considered to be Title XIX recipients for the purposes of receipt of services other than those as described in He-W 509.

He-W 509.04 <u>Provider Participation</u>. All participating family planning providers shall be:

- (a) Licensed by the state in which s/he practices or be a NH certified midwife; and
- (b) A New Hampshire enrolled Title XIX provider.

He-W 509.05 <u>Service Limits</u>. Family planning services and family planning related services for FPEC recipients shall be subject to the limits described in He-W 530.

### He-W 509.06 Covered Services.

- (a) The services in (b) and (c) below shall be covered as family planning services and family planning related services only if the services, supplies and procedures are clearly provided or performed for family planning purposes.
  - (b) The following services shall be covered as family planning services:
    - (1) Those physician services in accordance with He-W 531, certified midwife services in accordance with He-W 538, and advanced registered nurse practitioner services in accordance with He-W 534, provided for family planning purposes;
    - (2) Contraceptive devices or drugs, both prescription and non-prescription, in accordance with He-W 570;
    - (3) Pregnancy tests and screening for sexually transmitted diseases only when performed routinely as part of an initial, regular, or follow-up family planning visit; and
    - (4) Sterilization, in accordance with 42 CFR 441.253 and 42 CFR 441.254, as follows:
      - a. The FPEC recipient shall be at least 21 years old at the time consent is obtained;
      - b. The FPEC recipient shall not be a mentally incompetent individual;
      - c. The FPEC recipient shall not be an institutionalized individual;
      - d. The FPEC recipient shall voluntarily give informed consent in accordance with the requirements at 42 CFR 441.257 through 42 CFR 441.258;
      - e. The provider shall submit a sterilization consent form meeting the requirements of 42 CFR 441, Subpart F, to the department prior to the department's payment for the sterilization claim;
      - f. At least 30 days, but not more than 180 days, shall have passed between the date of informed consent and the date of sterilization, with the exception of cases of premature delivery or emergency abdominal surgery as described in g. below;
      - g. A FPEC recipient may consent to be sterilized at the time of an emergency abdominal surgery if at least 72 hours have passed since he or she gave informed consent for the sterilization; and

# h. Treatment of surgical or anesthesia-related complications resulting from or during a covered sterilization procedure shall be covered; and

- (5) Family planning-related services that were provided as part of, or as follow-up to, a family planning visit in which a sterilization procedure took place.
- (c) The following services shall be covered as family planning related services:
  - (1) Services to treat adverse reactions to, or medical complications of, family planning procedures, services, treatments or therapies including, but not limited to:
    - a. Treatment of perforated uterus due to an intrauterine device insertion; and
    - b. Treatment of severe menstrual bleeding caused by Depo-Provera injection;
  - (2) Drugs, in accordance with the following:
    - a. Drugs shall be for the treatment of sexually transmitted diseases (STDs), except for HIV/AIDS and hepatitis, when the STD is identified or diagnosed during a routine or periodic family planning visit; and
    - b. Title XIX providers shall comply with the provisions of He-W 570 regarding pharmaceutical services when prescribing or dispensing drugs covered in (a) above;
  - (3) A follow-up visit after prescribing drugs for the treatment of an STD, including a re-screen for the STD;
  - (4) Drugs and other treatment for lower genital tract and genital skin infections/disorders, and urinary tract infections, when the infection/disorder is identified/diagnosed during a routine/periodic family planning visit;
  - (5) A follow-up visit for drugs and other treatment of the lower genital tract and genital skin infections or disorders where the infections or disorder is identified during a family planning visit; and
  - (6) Vaccinations to prevent cervical cancer that are routinely provided pursuant to a family planning service in a family planning setting.

He-W 509.07 <u>Non-Covered Services</u>. The following services shall not be covered as family planning or family planning related services:

- (a) Sterilizations which do not meet the requirements of He-W 509.06(b)(4) above;
- (b) Hysterectomies;

- (c) Abortions;
- (d) Medical, surgical, or pharmaceutical treatment for the purpose of enhancing, promoting or restoring fertility;
- (e) Diagnostic examination of the cervix or vagina by means of a special microscope, colposcopy, biopsy or cryotherapy of the cervix or vagina; and
- (f) Any medical service, procedure, or pharmaceutical supply or device provided to a FPEC recipient who is known to be pregnant.

## He-W 509.08 Transportation.

- (a) FPEC recipients shall be ensured assistance with locating or being reimbursed for transportation to Title XIX providers in order to access necessary family planning and family planning related services described in He-W 509.
  - (b) FPEC recipients who wish to be reimbursed for transportation shall:
    - (1) Enroll in the transportation provider system in accordance with He-W 574.10 (b) (e); and
    - (2) Be known as a recipient driver only for enrollment and payment purposes.
- (c) FPEC recipients shall only be reimbursed for transportation under the following circumstances:
  - (1) Transportation shall be to in-state or border Title XIX enrolled providers, except as described in (2) below;
  - (2) Transportation to out of area providers shall be authorized in advance in accordance with He-W 574.08;
  - (3) There is no transportation available free of charge or payable by any other agency;
  - (4) Only one trip per day, whether one-way or round trip, shall be covered;
  - (5) Only the actual number of miles driven from the individual's residence to the Title XIX provider and return to individual's residence shall be reimbursed; and
  - (6) Transportation shall be to the nearest available provider of the necessary covered family planning services or family planning related services via the shortest, most economical route, as described in He-W 574.14(b).
  - (d) FPEC recipients shall submit transportation claims in accordance with He-W 574.06.

- (e) The above transportation claims shall be paid in accordance with He-W 574.07.
- (f) The provisions of He-W 574.12 and He-W 574.14 regarding hearings and utilization review and control shall apply to FPEC recipients.
- (g) FPEC recipients who request transportation assistance via wheelchair van in order to access family planning services or family planning related services shall qualify for wheelchair van transportation if they meet the requirements in He-W 573.02(a)(1) and (2), except that eligibility as an FPEC recipient shall be substituted for the requirements in He-W 573.02(a) to be a Title XIX recipient.
- (h) FPEC recipients utilizing wheelchair van transportation shall be subject to the provisions of He-W 573.04, He-W 573.10, He-W 573.11 and He-W 573.12 regarding service limits, prior authorization to exceed service limits, utilization review and control and third party liability.
- (i) FPEC recipient shall utilize Title XIX enrolled wheelchair van providers who meet the requirements of He-W 573.
- (j) FPEC recipients shall be eligible to be transported by volunteer drivers in accordance with He-W 574 only for the purpose of accessing family planning services or family planning related services.

He-W 509.09 <u>Co-Payments</u>. Co-payments for family planning pharmaceutical products shall not be required.

He-W 509.10 <u>Utilization Review and Control</u>. The department's surveillance and utilization review of subsystems unit (SURS) shall monitor utilization of family planning services in accordance with 42 CFR 455 and 42 CFR 456.

He-W 509.11 <u>Third Party Liability</u>. All third party obligations shall be exhausted before Title XIX shall be billed, in accordance with 42 CFR 433.139.

#### He-W 509.12 Payment for Services.

- (a) Rates of payment for family planning and family planning related services shall be established by the department in accordance with RSA 161:4, VI(a).
  - (b) The provider shall submit claims for payment to the department's fiscal agent.
  - (c) The provider shall maintain supporting records, in accordance with He-W 520.

#### DEPARTMENT OF ADMINISTRATIVE SERVICES

OFFICE OF THE COMMISSIONER 25 Capitol Street – Room 120 Concord, New Hampshire 03301

> JOSEPH B. BOUCHARD Assistant Commissioner (603) 271-3204

August 20, 2013

The Honorable Mary Jane Wallner, Chairman Fiscal Committee of the General Court State House Concord, NH 03301

#### Informational

Pursuant to Chapter 144:32, Laws of 2013, Cost Containment Plan for Retiree Health Care Program, the Department of Administrative Services (DAS) presents this report on the funding plan for the Retiree Health Care Program for the period of July 1, 2013 through June 30, 2015.

## **Explanation**

Pursuant to Chapter 144:32 (HB2), section 32, Laws of 2013, the Commissioner of the DAS "shall develop a comprehensive and cohesive plan outlining cost containment options and managed care techniques available through the underlying insurer and other managed care vendors to generate additional savings for the state of New Hampshire retiree health care program." The DAS Commissioner is required to develop the plan no later than September 15, 2013 and submit the plan to the fiscal committee.

Since passage of the FY 14/15 budget and HB 2, DAS has been analyzing the Retiree Health Care budget to determine the adequacy of funding. DAS began this process by reviewing the funding for retiree health care in the budget and comparing that funding to the amount of funding DAS needs to provide retiree health care (Maintenance):

	FY 14	FY 15
Budget	\$68,408,248	\$69,490,368
Maintenance	\$68,080,392	<u>\$73,553,660</u>
Surplus/ (Deficit)	\$327,856	(\$4,063,292)

DAS then analyzed this projected FY 14 surplus and FY 15 deficit in light of other funding, including Retiree Health Plan savings, that could be used to address the overall shortfall. Chief among the funding sources is the requirement in HB 2, section 65, that the Community College System of the New Hampshire "remit to the state the sum of \$957,295 for

The Honorable Mary Jane Wallner, Chairman Fiscal Committee of the General Court August 20, 2013 Page 2 of 2

the fiscal year ending June 30, 2014 and the sum of \$1,048,862 for the fiscal year ending June 30, 2015 for retiree health care benefits." To these sums, DAS added savings that it anticipates it will realize through the procurement of a contract for Pharmacy Benefit Management Services that will be before the Governor and Council for approval in September 2013. Finally, DAS also took into account the savings that it anticipates it will receive if it implements on January 1, 2015 an Employer Group Waiver Program (EGWP) for retirees over 65 years of age.

	FY 14	FY 15
Budget	\$68,408,248	\$69,490,368
Maintenance	<u>\$68,080,392</u>	<u>\$73,553,660</u>
	\$327,856	(\$4,063,292)
		a .
CCSNH Revenue	\$957,295	\$1,048,862
Procurement Saving	gs \$325,000	\$650,000
EGWP Savings		<u>\$500,000</u>
Surplus (Deficit)	\$1,610,151	(\$1,864,430)

In sum, DAS determined that it can cover the 2015 deficit with surplus funds for retiree health in the Fund 60 account that is a dedicated service fund for active and retiree health care. Accordingly, DAS does not need to make plan design changes at this time to meet the health care needs of the state retirees and their dependents. Should DAS experience retiree health care costs that are materially different from the plan presented herein, whether because of higher retiree enrollment, working rates (premiums) or medical costs, then it will return to the Fiscal Committee with a revised spending plan.

Respectfully Submitted,

Jula M Hoylor

Linda M. Hodadon

Commissioner

#### Other Funding Sources

CCSNH - HB2, section 65 - The CCSNH revenue will be additional retiree health revenue in the Budgeted AU 2903. It will increase the Retiree Health Transfer revenue in the Budget.

Procurement Savings - Assumes \$3.9M savings over the contract period of 1/1/14-12/31/16.

EGWP - Assumes \$1M in CY15. If implemented, EGWP starts 1/1/15.

Retiree Surplus - The Retiree Surplus is the remaining surplus, after all payables and receivables and reserves.

# Chapter 144 HB-2-FN-A-LOCAL-FINAL VERSION

144:32 Cost Containment Plan for Retire Health Care Program. The commissioner of the department of administrative services shall develop a comprehensive and cohesive plan outlining cost containment options and managed care techniques available through the underlying insurer and other managed care vendors to generate additional savings for the state of New Hampshire retiree health program. The cost containment plan shall be developed no later than September 15, 2013 and the commissioner of the department of administrative services shall make a report to the fiscal committee of the general court.

# State of New Hampshire

#### DEPARTMENT OF ADMINISTRATIVE SERVICES

OFFICE OF THE COMMISSIONER 25 Capitol Street – Room 120 Concord, New Hampshire 03301

August 19, 2013

JOSEPH B. BOUCHARD Assistant Commissioner (603) 271-3204

The Honorable Mary Jane Wallner, Chairman Fiscal Committee of the General court State House Concord, New Hampshire 03301

## **Informational Item**

Pursuant to Chapter 224:206, Laws of 2011, this informational item is being presented to the Fiscal Committee in compliance with Chapter 224:206, II, for the period ending June 30, 2013.

# **Explanation**

Chapter 224:206 reads as follows:

206 Freeze of Executive Branch Hiring, Purchases, and Out-of-State Travel.

"I. Except as provided in paragraph II, all full-time classified and unclassified employees positions funded in whole or in part by the general fund which are vacant on July 1, 2011 of become vacant after that date shall remain vacant until June 30, 2013 with the exception of direct care, custodial care, and law enforcement positions. The appropriation for each such position shall lapse to the salary adjustment fund under RSA 99:4 and employee benefit adjustment account under RSA 9:17-c, as applicable. No general fund moneys appropriated for class 30 equipment or appropriated for out-of-state travel shall be expended or encumbered on or after July 1, 2011.

II. Individual exceptions to any of these provisions may be requested by any department in writing to the governor. Any exception granted by the governor shall be transmitted to the fiscal committee of the general court at its next meeting."

Governor Margaret Wood Hassan has delegated her waiver-granting authority to a committee consisting of Gerard Murphy, the Governor's Budget Director; Linda Hodgdon, Commissioner, Department of Administrative Services; Robert M. Beaulac, Senior Business Supervisor, Department of Administrative Services-Budget Office; and Karen Hutchins, Director of Personnel, Department of Administrative Services (personnel waivers only).

The attached documentation provides detail of the exceptions to Chapter 224:206, I, which have been granted through the Office of the Governor. The period covered is from July 1, 2012 through June 30, 2013. The intent of the committee is to inform the fiscal committee of the general court at the next meeting after a waiver has been granted; however based on other deadline requests of HB-2 along with limited personnel resources available to compile this report, this item covers the period of July 1, 2012 through June 30, 2013.

Respectfully Submitted,

Kinda M. Hodgdon Commissioner

# Department of Administrative Services Budget Office

## Waiver Summary Fiscal Year 2013

Chapter 224:206, Laws of 2011

For the period July 1, 2012 through June 30, 2013

POSITIONS	•	FY 2013 General Fund Dollar Value			
Total General Fund Appropriation Available (1), (2)	ESTIMATED	\$	10,892,534		
Anticipated cost of waivers approved	Classified	\$	7,356,628		
	Unclassified	\$	291,676		
Remaining Balance		\$	3,244,230		
EQUIPMENT					
Total General Fund Appropriation Available		\$	1,889,092		
Anticipated cost of waivers approved		\$	980,165		
Remaining Balance		\$	908,927		
<b>OUT OF STATE TRAVEL</b>					
Total General Fund Appropriation Available		\$	492,307		
Anticipated cost of waivers approved		\$	123,235		
Remaining Balance		\$	369,072		
TOTAL REMAINING APPROPRIATION	•	\$	4,522,229		

- (1) This does not reflect the reductions that will be occurring from back of the budget cuts or other personnel savings which may become necessary.
- (2) Many of the positions are in recruitment so actual salary & benefit costs may be different than shown. Salary and Benefit amounts consist of actual amounts through 3/31/13 with estimated amounts through 6/30/13.
- (3) This amount does not reflect the addition of available appropriation which will be derived as the result of positions which become vacant after July 1, 2012.
- (4) Chapter 224:206, Laws of 2011 only requires the reporting of class 030-Equipment funds. The committee has chosen to include requests for equipment which are appropriated in class 037-Technology Hardware and class 038-technology Software. When a request to use class 037 or 038 appropriations are approved, the approved general fund amount is included in the 'Total General Fund Appropriation Available' starting balance.

#### DEPARTMENT OF ADMINISTRATIVE SERVICES

OFFICE OF THE COMMISSIONER 25 Capitol Street – Room 120 Concord, New Hampshire 03301

> JOSEPH B. BOUCHARD Assistant Commissioner (603) 271-3204

August 8, 2013

The Honorable Mary Jane Wallner, Chairman Fiscal Committee of the General Court State House Concord, New Hampshire 03301

Dear Representative Wallner:

#### INFORMATIONAL ITEM

In accordance with Chapter 319:32, Laws of 2003, State Employee Health Insurance; Administrative Services Reporting, I respectfully submit this report regarding the self-funded Health Benefits Program.

A. <u>Program Activity:</u> The beginning Cumulative Cash Fund Balance as of July 1, 2013 was \$42.3m. To this balance add \$2.6m, which represents Revenue less Expenditures from July 1, 2013 through July 31, 2013. The Ending Cumulative Cash Fund Balance at July 31, 2013 is \$44.9m.

	FY 2013 (000's)
Cumulative Cash Fund Balance (July 1, 2013)	
Plus: Program Revenue Collected	<u>\$ 18,028</u>
Less: Total Expenditures	\$ 15,427
Revenue less Expenditures (July 1 – July 31, 2013)	\$ 2,601
Cumulative Cash Fund Balance (July 31, 2013)	.\$ 44,891

Note: The above amounts are cash basis only and do not take into consideration IBNR, statutory reserve, accounts payable or receivables.

Source: NH FIRST

B. <u>Cumulative Cash Fund Balance</u>: As indicated above, the Program's cumulative cash fund balance as of July 31, 2013 is \$42.3m. When claims incurred but not reported (IBNR) of \$13.5m and the statutory reserves of \$15m are taken into consideration, the Program has an adjusted cash fund balance of \$16.3m (all funds). The surplus balance amount does not take into consideration outstanding receipts and payables, which amount to approximately \$4.8m at the time of reporting. When the payables and receivables are

Fiscal Committee of the General Court August 8, 2013

applied, the overall remaining surplus balance of \$11.5m (total funds) represents approximately 4.3% of the estimated FY2014 annual Program expenditures. It is important to note that working rates are set on a calendar year basis based on an average rate for the midpoint of the year. Accordingly, working rates generate a surplus at the beginning of the calendar year that are spent down in the last six months of the year. A surplus at this time is therefore anticipated and necessary.

C. <u>Pharmacy Benefit Management Procurement:</u> The Department of Administrative Services (DAS) has issued a comprehensive RFP for a pharmacy benefit manager to administer the prescription drug portion of the employee and retiree health benefit program. DAS is interested in contracting with a qualified, cost-effective vendor that will offer a three-year contract, with an option to extend for up two years, commencing January 1, 2014.

I am available to address any questions you may have.

Respectfully Submitted,

Linda M. Hodgdon Commissioner

33 CAPITOL STREET CONCORD, NEW HAMPSHIRE 03301-6397

JOSEPH A. FOSTER ATTORNEY GENERAL

ANN M. RICE DEPUTY ATTORNEY GENERAL

August 19, 2013

The Honorable Mary Jane Wallner, Chairman Fiscal Committee of the General Court State House Concord, Hew Hampshire 03301

Her Excellency, Governor Margaret Wood Hassan And the Honorable Council State House Concord, New Hampshire 03301

Re: Informational Item

Pursuant to RSA 318-B:17-c,II, we submit the attached report on the grants provided by the Drug Forfeiture Fund. As you are aware, this fund consists of both judicial and administrative forfeitures of money and property seized in drug-related activity. In accordance with RSA 318-B:17-b, after deductions, 10% of the money is forwarded to the Division of Drug and Alcohol Prevention and Recovery, 45% is returned to the agency responsible for the seizure, and the balance is deposited into the Drug Forfeiture Fund. Grants are then made from this fund to agencies for drug use prevention and enforcement purposes.

In accordance with our statutory responsibilities, we respectfully submit this annual report on the Drug Forfeiture Fund.

Respectfully submitted.

Joseph A. Foster
Attorney General

JAF/rf Enc.

#939891

#### State Drug Forfeiture Fund July 1, 2012 through June 30, 2013

Beginning	Revenue		Balance
Balance	Received	Expended	6/30/2013
\$387,558	\$118,556	(\$55,225)	\$450,889

Expenditures consist of one grant to the Berlin PD in the amount of \$19,886.

The remaining expenses (\$35,339) are the reimbursements to law enforcement agencies for drug forfeiture cases and expenses at the NH Attorney General's Drug Task Force.

Catherine A. Provencher New Hampshire State Treasurer 25 Capitol Street Room 121 Concord, NH 03301

#### Informational Item

Re: Report of Income and Expenditures of the Judicial Branch Information Technology Fund: RSA 490:26-h, IV

Dear Chairwoman Wallner and State Treasurer Provencher:

RSA 490:26-h, IV requires that the judicial branch report on income and expenditures of the judicial branch information technology fund to the fiscal committee of the general court and to the state treasurer 60 days after the close of each fiscal year. This report covers the period from July 1, 2012 through June 30, 2013.

The legislature created the judicial branch information technology fund in the 2009 legislative session. This fund has provided a necessary, dependable, and user-supported revenue stream "for maintenance and infrastructure renewal of judicial branch information technology, including both hardware and software...", pursuant to RSA 490:26-h (b). Judicial branch projections of funding needs and revenue have been accurate and the fund has been a very successful mechanism for paying for judicial branch hardware and software maintenance and renewal outside of general fund appropriations.

About one year ago, we identified \$1.3 million in additional hardware and software maintenance costs related primarily to:

- New Hampshire e-Court Project software maintenance;
- 2. Enterprise Cloud computing;
- 3. Carrier Ethernet data lines;
- 4. Supreme court software upgrades; and
- 5. Increases in supreme court and trial court software maintenance

To meet this ongoing need, the judicial branch proposed an amendment to RSA 490:26-h to increase revenue to the judicial branch information technology fund while preserving the existing stream of revenue to the general fund. The legislature adopted the proposed amendment which changed the percentages of entry fees that are directed into the judicial branch information technology fund and made other minor statutory changes, effective July 1, 2013. Consistent with these legislative changes, the New Hampshire Supreme Court amended filing fee schedules to increase most filing fees in the amounts necessary to yield the \$1.3 million increase to the judicial branch information technology fund.

Expenditures projected for FY 2014 include support of hardware and software maintenance described in the five items above, using additional revenue that will be generated in implementation of the amendments to RSA 490:26-h.

Please contact me if you have any questions concerning this report.

Sincerely,

Donald D. Goodnow, Esq.

Director

Unencumbered balance from FY 2012		\$120,938	
FY 2013 Revenue		\$1,448,861	
Total	\$1,738,931	\$1,569,800	\$1,563,947

# Appendix B

# New Hampshire Judicial Branch RSA 490:26-h, IV (Dedicated IT Fund) FY 2013 Actual Expenditures

# Operations (including Software Maintenance)

#### Software Maintenance

Support and maintenance for business, development, and utility application software. Seventyeight percent of the funds in this section are dedicated to the maintenance agreement on the Odyssey trial court case management system.

The range and scope of software maintenance expenditures were consistent with past expenditures.

### Server/Disk Infrastructure

Replacement of an aged core server and storage infrastructure to a server virtualization framework, providing less cost, less consumed physical space, improved administrative support, decreased disaster recovery time, less staff down time, decreased power usage, improved scalability, and reduced maintenance costs. Plans are for a six-year replacement cycle. At thirty-five percent, the data storage area is the highest cost in this section.

Additional components of the server virtualization framework were purchased and implementation continued in fiscal year 2013, including the replacement of a decade old e-Mail server with a Microsoft Exchange server.

# Infrastructure Upgrade Cycle

Maintenance of an industry accepted hardware upgrade cycle for court system staff including workstations, monitors, printers, and satellite court servers. Expenditures related to the five-year replacement cycle for staff desktop PCs account for half of the funds dedicated in this section.

Due to a considerable acceleration of the workstation and software update portions of our fiveyear infrastructure upgrade cycle to accommodate a release of our case management system in

1

fiscal year 2010, and a strategic cost saving shift towards enterprise licensing, seventy-three percent of FY2013 expenditures in this area went towards a Microsoft Enterprise License in support of court wide upgrade to Microsoft Office 2010.

#### Network Infrastructure

Maintenance of an industry accepted upgrade cycle for the network hardware that allows the courts and the AOC to communicate with the core server framework through the SPOTS network.

We spent more money than originally planned for routers and switches in FY2013 as we continued to update our network infrastructure for three reasons:

- 1. We must reduce the risks related to demands on our aged network routers and switches;
- 2. We are migrating to Carrier Ethernet to provide the bandwidth needed for videoconferencing, the NH E-Court Project, and Voice Over Internet Protocol telephone services; and
- 3. We now provide wireless network access to court staff and are planning to provide wireless Internet access to the public in all courthouses.

#### Hardware Maintenance

Maintenance costs for service contracts on court system information technology hardware.

Due to the acceleration of the workstation upgrade cycle and its inherent influx of vendor warranties with the new units, the number of billable workstation service calls was significantly minimized and resulted in a smaller expenditure in this area then expected. The IBM maintenance contracts for court servers and printers were the largest expenditures in Hardware Maintenance, as anticipated.

## Telecommunications Lines, Internet/CMS

Licensing costs to maintain T1 communication with the SPOTS network needed for trial court connection to Odyssey and access to the Internet.

FY2013 expenditures in this area were seventy percent higher than projected, due to increased line costs for Carrier Ethernet and a newly introduced nine dollar per PC fee charged by the Department of Safety for use of their network.

2 8/29/2013

# Payments to Tyler outside the J-ONE grant

Although federal funds are providing enhancements to Odyssey in support of the J-ONE initiative, there is an on-going need for funds to support other business process improvement modifications to Odyssey.

We took resources away from Odyssey enhancement projects so we could assign staff to the NH E-Court Project. Consequently, expenditures in this area were 30 % lower than projected.

# Supreme Court CMS Software Maintenance

The cost of support and maintenance for the Supreme Court's case management system, C-Track.

The general range and scope of the Supreme Court CMS Software Maintenance expense was as expected.

#### Public Access Servers/Server Farm

The estimated cost of the planned infrastructure to allow the court system to provide case information access and eFiling capability to the public.

We plan to incorporate public access and server farms into the NH E-Court Project. Consequently, there were no expenditures in this area in FY2013.

# Administrative Systems Replacement

Estimated cost to replace the court system's administrative, financial, and personnel applications which are maintained on an aging and unsupported application and database.

Due to lower costs for hardware and software on which the new application framework will reside, there were no expenditures in this area.

## **Document Imaging**

Cost to replace and maintain the aged and unsupported document imaging process in the probate courts.

Due to limited staff resources and a need to consolidate imaging functionality with the newly initiated NH E-Courts Project, there were no expenditures in this area.

# Appendix D

# New Hampshire Judicial Branch

RSA 490:26-h, IV (Dedicated IT Fund)

FY 2014 Projected Expenditures

# Operations (including Software Maintenance)

#### Software Maintenance

Support and maintenance for business, development, and utility application software. Funds in this section will support critical application software maintenance, including maintenance of the case management systems, the jury management system, NH E-Court, and Microsoft Enterprise licensing.

We are expecting the general range and scope of software maintenance expenses to be lower than originally projected, due to the full rollout of NH E-Court.

#### Server/Disk Infrastructure

Maintenance and renewal of a server virtualization framework, providing less cost, less consumed physical space, improved administrative support, decreased disaster recovery time, less staff down time, decreased power usage, improved scalability, and reduced maintenance costs.

The core components of the server virtualization framework were purchased in fiscal years 2011 and 2012. In 2013, we added substantial processing power and storage space in anticipation of NH E-Court. We are expecting to make significant additional strides in this area of critical infrastructure renewal to provide a durable and scalable server/storage environment for the future.

# Infrastructure Upgrade Cycle

Maintenance of an industry accepted hardware upgrade cycle for court system staff including workstations, monitors, printers, and satellite court servers.

We will install Windows 7, in preparation for the NH E-Court Project. To accomplish this upgrade, we will accelerate our workstation upgrade plan. Hardware expenditures in this area will likely exceed earlier projections.

#### Network Infrastructure

Maintenance of an industry accepted upgrade cycle for the network hardware that allows the courts and the AOC to communicate with the core server framework through the SPOTS network.

We are expecting to spend more money than originally planned for routers and switches to provide wireless Internet access to the public in all courthouses.

#### Hardware Maintenance

Maintenance costs for service contracts on court system IT hardware.

We are expecting the general range and scope of Hardware Maintenance expenses to be consistent with earlier projections.

# Telecommunications Lines, Internet/CMS

Licensing costs to maintain Carrier Ethernet communication with the SPOTS network needed for court connection to the Case Management Systems, the Jury Management System, Videoconferencing, NH E-Court and access to the Internet.

We are expecting the general range and scope of Telecommunications Line expenses to be consistent with earlier projections.

# Software Application Enhancements

There is an on-going need for funds to support business process improvement modifications to our existing software applications. This includes application software such as the Case Management Systems, the Jury Management System and NH E-Court.

We are expecting the general range and scope of Software Application Enhancements expenses to be lower than earlier projections as business and IT development resources are focused on implementation of NH E-Court.
