#### **Funding Our Community College Education Scholarship**

**Concord, NH** – Senator Tim Lang (R- Sanbornton) on the passage of SB 104, supporting our community college education scholarship fund through online gambling:

“Affordable education for New Hampshire students is essential to the growth and development of our state,” stated Senator Lang.

“Senate Bill 104 regulates online gambling, provides consumer protections, and directs the net proceeds to a newly established Community College Education Scholarship Fund. At a time when college is not affordable to many students, this fund will help alleviate some of that burden, and is a resource to encouraging job and career opportunity for Granite Staters.”
