23 ***484:7***, a sum equal to the taxes which would have been assessed against the real estate or interest

2 improvements thereon or between real estate acquired and that not acquired, if the official

4 thereafter be annually reduced over a 40-year period as above provided. On land, and artificial
5 improvements, the valuations initially established as above provided in a town or city shall be
6 reviewed by the commissioner at least once in every 5 years and more frequently if reasonably
7 necessary and be changed as necessary to make them proportional with the assessed value of all

16 payments for loss of taxes on account of the acquisition of railroad or public utility property shall be

21 complaints and misdemeanors and violation level charges directly related to those felonies shall be

23 The purpose of this project is to more effectively manage the flow of felony cases and related
24 misdemeanors and violation level charges from case initiation through disposition. The general
25 court finds that this will result in significant time savings for the court, lawyers, and litigants,
26 leading to more effective justice earlier in the court process.
