CONSENT CALENDAR REPORTS

EXECUTIVE DEPARTMENTS AND ADMINISTRATION

HB 130, relative to administration by the retirement system of certain health care premium deductions.

Inexpedient to Legislate, Vote 5-0.

Senator Carson for the committee.

This bill clarifies the deduction by the Retirement System of a member's or beneficiary's health care premium costs as determined by the Department of Administrative Services. The Committee heard testimony that this bill stems from a highly technical dispute between the Retirement System and the Department of Administrative Services regarding a specific deduction for certain retirees for a supplemental benefit that is no longer able to be enrolled in. The Committee felt it was better for the Retirement System and the Department to discuss the issue between themselves and then, if needed, bring an agreed-upon solution to the General Court.

HB 186, repealing certain inactive committees and revising the membership or duties of certain committees, councils, and boards.

Ought to Pass with Amendment, Vote 5-0.

Senator Cavanaugh for the committee.

This bill repeals certain inactive committees and revises the membership and duties of others. This is part of a multi-year review process through the HB 1245 (2020) Review of Non-Regulatory Entities 'Committee on Committees' and serves to clean up the statutes, repeal inactive committees, and ensure that the duties and membership of active committees are appropriate. The Committee Amendment makes a handful of changes to the bill as amended by the House, including removing the repeal of the State Historical Records Advisory Board at the request of the State Archivist, repealing the Weights and Measures Advisory Board at the request of the Commissioner of the Department of Agriculture, Markets, and Food, altering the membership of the County-State Finance Commission at the request of the 'Committee on Committees', and maintaining the current membership requirements for the Advisory Committee on Marine Fisheries at the request of the Fish and Game Department.

Important Notice

Due to the COVID-19 pandemic, the General Court is conducting legislative activities remotely with the exception of publicly noticed sessions in the House or Senate Calendar. During this time, the State House and Legislative Office Building remain closed to visitors.

HB 218, repealing RSA 320 relative to hawkers and peddlers and RSA 321 relative to itinerant vendors.

Re-refer to Committee, Vote 5-0.

Senator Carson for the committee.

This bill repeals RSA 320, relative to hawkers and peddlers, and repeals RSA 321, relative to itinerant vendors. It was brought to the Committee's attention that there may be potential problems with repealing the statutes involved. Rereferring HB 218 will allow for conversations to take place to ensure that there is clarity and that there are no unintended consequences to the repeal of RSA 320 and RSA 321.

HB 499, relative to the use of face recognition technology.

Inexpedient to Legislate, Vote 5-0.

Senator Cavanaugh for the committee.

This bill permits the state to use face recognition technology if it has a warrant supported by probable cause. The Committee heard testimony that raised concerns about the potential impact HB 499 would have on counties and municipalities. The Committee also heard that HB 499 could have a negative impact on the ability of law enforcement to conduct investigations into, and prosecute cases against, child sex offenders and human traffickers. For these reasons, the Committee felt it was best to recommend Inexpedient to Legislate on HB 499.

HB 509, relative to portraits and memorial objects in the state house, legislative office building, and Upham Walker house.

Ought to Pass with Amendment, Vote 5-0.

Senator Prentiss for the committee.

This bill clarifies the responsibilities for placement of portraits, flags, busts, statues, or other memorial objects within or on the State House, Legislative Office Building, and Upham Walker House. This bill seeks to clarify in statute what has been done in practice for an extended period of time by the Joint Legislative Historical Committee. The Committee Amendment adds additional clarity and delineates areas of the State House complex that are under the authority of the Governor, the Executive Council, and the Secretary of State.

HB 567, permitting certain military personnel, emergency medical technicians, and paramedics to apply for licensure as a nursing assistant.

Ought to Pass, Vote 5-0.

Senator Prentiss for the committee.

This bill permits certain military personnel, emergency medical technicians, and paramedics to apply for licensure as a nursing assistant. This bill recognizes the training that military personnel, emergency medical technicians, and paramedics go through in the course of their work and allows them to take the licensed nursing assistant exam without having to take the standard courses. This will help address the long-term shortage of nursing staff in New Hampshire, which has only been exacerbated during the COVID-19 pandemic. Because the text of this bill references specific military code designations, future legislators will need to remain aware of any potential code designation changes and file legislation accordingly in order to keep the statute up to date.

HB 575, relative to licensure of applicants for cosmetology, esthetics, and manicuring through apprenticeship programs.

Inexpedient to Legislate, Vote 5-0.

Senator Carson for the committee.

This bill expands the use of apprenticeship programs in qualifying for licensure as a cosmetologist, manicurist, or esthetician by the board of barbering, cosmetology, and esthetics. The Committee did not hear from the Board of Barbering, Cosmetology, and Esthetics, the Office of Professional Licensure and Certification, or from any member of the industry on the potential impacts of changing the requirements of qualification for licensure. Without hearing about those potential impacts, the Committee felt it was best to recommend Inexpedient to Legislate.

Due to the COVID-19 pandemic, the General Court is conducting legislative activities remotely with the exception of publicly noticed sessions in the House or Senate Calendar. During this time, the State House and Legislative Office Building remain closed to visitors.

HB 606, exempting services provided without remuneration from license requirements for barbering, cosmetology, and esthetics.

Ought to Pass, Vote 5-0.

Senator Ricciardi for the committee.

This bill clarifies that a person may provide barbering, cosmetology, or esthetics services without remuneration and not be in violation of the regulations of barbering, cosmetology, and esthetics. Under the current statute, anyone who trims a spouse's hair or paints a child's nails without a license to do so is in violation of the law and committing a misdemeanor. This was an oversight in the crafting of the statute, as the criminal violations were only intended for individuals who were being paid for performing these services while unlicensed. HB 606 will bring the statute in-line with the practice that individuals performing these services for free, such as to a spouse or child, without a license are not in violation of the law.

HEALTH AND HUMAN SERVICES

HB 143, relative to an electronic prescription drug program.

Ought to Pass with Amendment, Vote 5-0.

Senator Whitley for the committee.

This bill requires electronic prescribing for controlled drugs under certain circumstances. The bill also establishes under the board of mental health practice additional levels of social work licensure available at the associate's or bachelor's degree levels and requirements for licensure and conditional licensure. As amended, this bill addresses the mental health workforce shortage and provides opportunity for adequate reimbursement for mental health workers. The mental health workforce shortage has been one of the problems contributing to the mental health crisis in New Hampshire.

REGULAR CALENDAR REPORTS

COMMERCE

HB 610-FN, requiring certain licensing and reporting functions be conducted through the Nationwide Multistate Licensing System and Registry, and relative to background investigations of trust officers, to certain filing fees, assessments, and interest rates, and to the transmission of consumer complaints by the banking department.

Ought to Pass, Vote 5-0.

Senator Bradley for the committee.

EDUCATION

HB 278, relative to the use of unused district facilities by chartered public schools.

Pending Motion: Ought to Pass, SJ 16.

Senator Hennessey.

Ought to Pass with Amendment, Vote 5-0.

Senator Carson for the committee.

HEALTH AND HUMAN SERVICES

HB 220, establishing medical freedom in immunizations.

Ought to Pass with Amendment, Vote 3-2.

Senator Bradley for the committee.

Due to the COVID-19 pandemic, the General Court is conducting legislative activities remotely with the exception of publicly noticed sessions in the House or Senate Calendar. During this time, the State House and Legislative Office Building remain closed to visitors.

Amendment to HB 417

Amend the title of the bill by replacing it with the following:

AN ACT relative to the powers of the governor during a declared state of emergency.

Amend the bill by replacing all after the enacting clause with the following:

1 Emergency Powers; Termination at 30 Days. Amend RSA RSA 4:45, I(d) and II to read as follows:

(d) Duration of the state of emergency, if less than ~~[21]~~ **30** days.

II.(a) A state of emergency shall terminate automatically ~~[21]~~ **30** days after its declaration unless it is renewed under the same procedures set forth in paragraph I of this section. The governor may, by executive order, renew a declaration of a state of emergency as many times as the governor finds is necessary to protect the safety and welfare of the inhabitants of this state.

(b) If the governor finds that maintaining the state of emergency is no longer justified, the governor shall issue an executive order terminating the state of emergency.

(c) The legislature may terminate a state of emergency **or any emergency order issued thereunder** by concurrent resolution adopted by a majority vote of each chamber. The governor's power to renew a declaration of a state of emergency shall terminate upon the adoption of a concurrent resolution under this subparagraph; provided, however, that such resolution shall not preclude the governor from declaring a new emergency for different circumstances under paragraph I of this section.

2 New Paragraphs; State of Emergency; Procedure. Amend RSA 4:45 by inserting after paragraph III the following new paragraphs:

IV. Members of the legislature shall be exempt from any emergency orders that would infringe on their ability to travel and conduct their business as representatives of the people.

V. Notwithstanding any other provision of law, under circumstances requiring expedited action for the immediate health, safety and welfare of the citizens of New Hampshire, the governor has the sole authority to accept and expend funds hereunder.

Due to the COVID-19 pandemic, the General Court is conducting legislative activities remotely with the exception of publicly noticed sessions in the House or Senate Calendar. During this time, the State House and Legislative Office Building remain closed to visitors.

VI. Under this section, the governor shall submit an item to the chairperson of the fiscal committee of the general court for consideration by the fiscal committee. If the fiscal committee of the general court does not render a rejection or acceptance within 5 business days, the governor shall be able to accept and expend the funds without further action by the fiscal committee.

3 New Section; Homeland Security; Governor Duty. Amend RSA 21-P by inserting after section 43 the following new section:

21-P:43-a Governor Duty. The governor shall provide a list of all expenditures pursuant to this subdivision under a state of emergency to the executive council for informational purposes only, in order to ensure transparency.

4 Applicability of Act. The provisions of this act shall take effect upon the latter of either the passage of this act or 30 days after the termination of the COVID-19 state of emergency, as certified to the secretary of state and the director of legislative services by the office of the governor.

5 Effective Date. This act shall take effect as provided in section 4 of this act.
