**Attachments:** New Hampshire Congressional Redistricting Proposal.pdf

Dear members of the committee,

My name is Alex Silveri of Hudson, NH.

I know our state's redistricting process has encountered some hurdles along the way. I also realize the time for public input has likely expired. Regardless, I would like to take this moment to submit my proposal for New Hampshire's new congressional map (attached). This is the same proposal that I submitted to the House redistricting committee last year.

My proposed map divides the state into near-equal districts (populations deviate only by 2 or 3 people). It also keeps most communities of interest intact and maintains the state's tradition of having two competitive districts (i.e. no strong partisan lean in either district).

I hope you find this proposal of merit. As always, feel free to contact me if you have any questions.

Best regards,  
Alex Silveri
