Subject: Redistricting

Dear Senate Election Law Committee,

I oppose the Congressional and Executive Council maps as presented (HB 52 and SB241). These maps are not fair or competitive and are clearly gerrymandered. The public wants fair maps, as reflected in the most recent UNH poll. https://scholars.unh.edu/cgi/viewcontent.cgi?article=1688&context=survey_center_polls

The maps should be amended, and the public given time to see the amended maps and then have a chance to comment on the amendments.

Please do your part to make redistricting a fair and open process,

Ellen Farnum
