Subject: I oppose the Senate District Proposal

I write today to oppose the Senate redistricting plan in particular as to the make of District 9 and 10.

As a 30 year resident of Cheshire County, District 9 seems like nothing more than an attempt to secure a seat that can be won by a popular candidate from Bedford. The plan breaks natural constituencies from one another breaking natural county lines and school district alignment.

Please consider the natural boundaries provided for by county lines and include Hinsdale, Winchester, Richmond, Fitzwilliam in District 10 where they belong by any rational community of common interest rubric.

Thank You
