12 (d) An adult who is 21 or older may use cannabis on privately owned real property only

16 rental policies that apply to all tenants at the property. However, a tenant may permit an adult who
17 is 21 or older to use cannabis on leased property by ingestion or inhalation through vaporization
18 even if smoking is prohibited by the lease or rental policies. For purposes of this chapter,
19 vaporization shall mean the inhalation of cannabis without the combustion of the cannabis.

20 318-F:17 Enforcement of Contracts. Contracts related to the operation of a cannabis
21 establishment licensed pursuant to this chapter shall be enforceable. No contract entered into by a
22 licensed cannabis establishment or its employees or agents as permitted pursuant to a valid license,
23 or by those who allow property to be used by an establishment, its employees, or its agents as
24 permitted pursuant to a valid license, shall be unenforceable on the basis that cultivating, obtaining,

18 of the following:

19 (a) Engaging in activities allowed by this chapter;

20 (b) A prior conviction for a non-violent cannabis offense that does not involve
21 distribution to minors; or

22 (c) Testing positive for the presence of cannabinoids or cannabinoid metabolites in the
23 urine, blood, saliva, breath, hair, or other tissue or fluid of the individual's body.

24 VII.(a) This section does not prevent an employer from disciplining an employee or
25 contractor for ingesting cannabis in the workplace or for working while impaired by cannabis.

26 (b) The protections provided by this section do not apply to the extent that they conflict
27 with a governmental employer's obligations under federal law or regulations or to the extent that
28 they would disqualify the entity from a monetary or licensing-related benefit under federal law or
29 regulations.

30 (c) This section does not authorize any person to engage in, and does not prevent the
31 imposition of any civil, criminal, disciplinary, or other penalties, including discipline or termination
32 by a governmental employer, any task while under the influence of cannabis, when doing so would
33 constitute negligence or professional malpractice.

34 VIII. For the purposes of medical care, including organ and tissue transplants, the use of
35 cannabis does not constitute the use of an illicit substance or otherwise disqualify a person from
36 needed medical care and may only be considered with respect to evidence-based clinical criteria.

IX. Notwithstanding any other provision of law, unless there is a specific finding that the individual's use, cultivation, or possession of cannabis could create a danger to the individual or another person, it shall not be a violation of conditions of parole, probation, or pre-trial release to:
