STATE OF NEW HAMPSHIRE

In the Year of Our Lord Two Thousand Twenty Three

AN ACT relative to pharmaceutical drug take-back programs.

Be it Enacted by the Senate and House of Representatives in General Court convened:

1 58:1 New Paragraph; Controlled and Non-Controlled Pharmaceutical Drug Take-Back Programs;
2 Pharmaceutical Drug Take-Back Programs Authorized. Amend RSA 318-E:1 by inserting after paragraph
3 VI the following new paragraph:

4 VII.(a) An authorized collector may establish and maintain a pharmaceutical drug take-back
5 program at the site of a long-term care facility, nursing home, or assisted living facility, provided that all
6 parties comply with the United States Drug Enforcement Administration regulations, 21 C.F.R. Part 1300
7 et. seq., and any applicable state and federal laws and regulations. A long-term care facility, nursing
8 home, or assisted living facility may utilize a collection receptacle under such a drug take-back program
9 on behalf of the ultimate user residing at, or who has resided at, the long-term care facility, nursing home
10 or assisted living facility.

11 (b) The disposal requirements for controlled drugs stipulated in RSA 318-B:17-a by the board
12 of pharmacy, its officers, agents, and inspectors, shall not apply to controlled drugs collected in
13 accordance with a drug take-back program authorized by paragraph VII of this section.

14 (c) The board of pharmacy shall establish rules and regulations to allow for the take-back
15 program authorized by paragraph VII of this section.

16 58:2 Controlled Drug Act; Disposal of Controlled Drugs in Possession of a Practitioner. Amend RSA
17 318-B:17-a to read as follows:

18 318-B:17-a Disposal of Controlled Drugs in Possession of Practitioner. No person other than the
19 pharmacy board, its officers, agents, and inspectors shall destroy any out-dated, deteriorated, excessive
20 or otherwise unwanted or confiscated controlled drugs which are in the possession of a practitioner,
21 veterinarian, pharmacy, peace officer, nursing home, manufacturer, wholesaler, clinic, laboratory, or
22 hospital. No payment shall be made to any person or institution for any drug surrendered for destruction.
23 A record shall be maintained which indicates the name, strength, and quantity of all drugs destroyed; the
24 place and manner of destruction; the date and time destroyed; the name of the practitioner or institution
25 surrendering the drugs; and the signature and title of the person witnessing destruction. Such records
26 shall conform to any federal requirements and shall be open to inspection by all federal or state officers
27 charged with the enforcement of federal or state controlled drug laws. This section shall not apply to
28 residual amounts in hypodermic syringes and needles. ***Notwithstanding any language in this section to
29 the contrary, controlled drugs collected in a long-term care facility, nursing home, or assisted living facility
30 for destruction pursuant to a pharmaceutical drug take-back program authorized by RSA 318-E, shall be
31 disposed of in accordance with the disposal requirements for controlled drugs set forth under RSA 318-E
32 and any applicable federal or state laws or regulations.***
