METHODOLOGY:

This bill, effective January 1, 2024, modifies the requirements for child passenger restraints in a motor vehicle for children under the age of two (2), to which those found guilty are subject to a violation level offense. It is not possible to estimate how many new cases may arise because of this change, if any, however the Judicial Branch estimates the potential cost of violation level cases to be \$119 in FY 2023 and \$122 in FY 2024. Additionally, violations of this statute carry a fine of \$50 for first offense and \$100 for subsequent offenses. Therefore, this bill may increase revenue to the state highway fund.
