Amendment to HB 526-FN

1 Amend the bill by replacing section 1 with the following:

2

3 1 New Subdivision; Temporary Traffic Control Personnel. Amend RSA 236 by inserting after
4 section 134 the following new subdivision:

5 Temporary Traffic Control Personnel

6 236:135 Temporary Traffic Control Personnel. A municipality may require the use of uniformed
7 police officers, non-police flaggers, and/or cones, signs, barricades, or other appropriate devices when
8 the municipality believes it to be reasonably necessary for traffic control in connection with
9 construction on class IV and class V highways. The use of uniformed police officers shall only be
10 required when the municipality has determined that traffic volume, roadway visibility, or other
11 specific safety-related circumstances render other alternative traffic control measures inadequate to
12 protect the public. Furthermore, a municipality's decision to require the use of uniformed police
13 officers should utilize and consider any work zone guidelines adopted by the commissioner of
14 transportation.
