11 individual or organization.

12 II. "Government entity" means municipal, county state or federal department, agency,

21 IV. "Third party providers of information and services" means individuals or organizations
22 that collect personal information about an individual in connection with providing the following
23 kinds of services to that individual: cellular and land-line telephone, electric, water, or other

1 (a) Such individual has given explicit consent for the disclosure of such information to
2 one or more others;

3 (b) The third-party provider of information and services has reason to believe that such
4 disclosure is necessary to prevent, detect, protect against, or respond to past, present, or expected
5 criminal or fraudulent conduct, identity theft, harassment, or deceptive or malicious activity;

6 (c) An emergency exists where there is an immediate danger of death or serious physical
7 injury to an individual or substantial loss or destruction of property if the information is not

9 (d) The information is disclosed in accordance with RSA 507-H:3.

10 II. If a third party provider of information and services seeks to obtain consent from an
11 individual to disclose to others personal information given to or held by such provider, the procedure
12 by which it does so shall meet the following requirements:

13 (a) The communication to the individual by which consent is sought shall be simple,
14 clear, and unambiguous; and shall state the purpose or purposes for which the information is to be
15 disclosed;

16 (b) The communication shall be separate from any other communication sent to the
17 individual by the third party provider of information and services; and

19 by performing an affirmative act to “opt in” in order to grant consent.

25 or adjudicative body or agency acting within the scope of its authority.

26 (b) When required to do so by a subpoena duly issued by a government investigative,
27 regulatory, administrative, or adjudicative body or agency acting within the scope of its authority, by
28 a duly empaneled grand jury, or by a court.

29 (c) When compelled to do so pursuant to a duly issued search warrant or pursuant to a
30 judicially recognized exception to the requirement for a search warrant.

31 (d) When requested by the division of emergency services and communications for
32 purposes of responding or assisting with emergency 911 telecommunications.

33 (e) In an emergency, where the immediate danger of death or serious physical injury to
34 an individual or substantial loss or destruction of property requires the disclosure, without delay, of
35 personal information concerning a specific individual, telephone number, username, or other unique
36 identifier, and where judicial process cannot be obtained in time to prevent the identified danger.

II. When a government entity seeks the disclosure of personal information from a provider of information and services pursuant to RSA 507-H:3, I(a) or I(b), the request or demand for such information shall not require production of the information sooner than 10 days from the date the request or demand is made. Within 5 days of receiving such request or demand, the provider shall notify the individual to whom the information pertains that the request or demand has been made so that such individual has an opportunity to pursue judicial remedies to prevent compliance with the request or demand if there are valid grounds to do so; provided, however, that no such notice shall be given if (i) the government entity seeking the information demands that such notice not be provided and furnishes the provider with the basis of its authority to make such demand; or (ii) a court has issued an order that such notice not be given.

III. When a provider of information and services discloses personal information of an individual in an emergency situation covered by RSA 507-H:2, I(c), or when a government entity seeks disclosure of personal information from a provider of information and services pursuant to RSA 507-H:3, I(c), I(d), or I(e), the provider shall contemporaneously with such disclosure provide notice that it has made the disclosure to the individual to whom the information pertains; provided, however, that no such notice shall be given if (i) the government entity seeking the information demands that such notice not be provided and furnishes the provider with the basis of its authority to make such demand; or (ii) a court has issued an order that such notice not be given.

507-H:4 Waivers. No third party provider of information and services may require a waiver from the provisions of this chapter as a condition for any individual to do business with it.

507-H:5 Remedies.

I. Any person who knowingly violates the provisions of this chapter shall be guilty of a violation if a natural person, or guilty of a misdemeanor if any other person.

II. The attorney general shall have exclusive authority to bring a civil action against any third party provider of information and services who violates this chapter to recover on behalf of the public or any individual or entity aggrieved by such violation. In any such action, the attorney general shall be entitled to recover the greater of actual damages or \$1,000 for each violation of this chapter.

III. Nothing in this chapter shall be construed as providing the basis for, or be subject to, a private right of action for violations under this chapter.

507-H:6 Federal Preemption. If federal law preempts any provision of this chapter, that provision shall not apply.

2 Regulation of Biometric Information; Collection of Biometric Data Prohibited. Amend RSA 359-N:2, I(c) to read as follows:

(c) Obtain, retain, or provide any individual's biometric data except as set forth in this chapter *or in RSA 507-H*.

3 Effective Date. This act shall take effect on January 1, 2025.
