SB 39-FN- FISCAL NOTE
AS INTRODUCED

AN ACT relative to criminal history checks for school transportation monitors.

LOCAL:

Revenue	\$0	\$0	\$0	\$0
Expenditures	\$0	Indeterminable	Indeterminable	Indeterminable

METHODOLOGY:

The Department of Education states this bill would fix a “loophole” in the current law as it pertains to the criminal history background check for transportation monitors. Currently, RSA 189:13-a specifically excludes bus drivers and transportation monitors from the extensive criminal background check for purposes of employment at a school district. The Department states this bill may increase local expenditures since the district would now be responsible for conducting the criminal background check on an individual who is applying to be a transportation monitor. To the extent there are more criminal records requests, there may be increased revenue and expenditures to the Division of State Police criminal records fund.
