STATE OF NEW HAMPSHIRE

In the Year of Our Lord Two Thousand Twenty Three

AN ACT relative to pharmaceutical drug take-back programs.

Be it Enacted by the Senate and House of Representatives in General Court convened:

1 1 New Paragraph; Controlled and Non-Controlled Pharmaceutical Drug Take-Back Programs;
2 Pharmaceutical Drug Take-Back Programs Authorized. Amend RSA 318-E:1 by inserting after
3 paragraph VI the following new paragraph:

4 VII.(a) A long-term care facility, nursing home, or assisted living facility may utilize a drug
5 take-back program, provided that the company or entity providing the take-back service and the
6 long-term care facility, nursing home, or assisted living facility comply with the United States Drug
7 Enforcement Administration regulations, 21 C.F.R. Part 1300 et. seq., and any applicable state and
8 federal laws and regulations.

9 (b) The disposal requirements for controlled drugs stipulated in RSA 318-B:17-a by the
10 board of pharmacy, its officers, agents, and inspectors, shall not apply to controlled drugs collected in
11 accordance with a drug take-back program authorized by paragraph VII of this section.

12 (c) The board of pharmacy shall establish rules and regulations to allow for the take-
13 back program authorized by paragraph VII of this section.

14 2 Controlled Drug Act; Disposal of Controlled Drugs in Possession of a Practitioner. Amend
15 RSA 318-B:17-a to read as follows:

16 318-B:17-a Disposal of Controlled Drugs in Possession of Practitioner. No person other than the
17 pharmacy board, its officers, agents, and inspectors shall destroy any out-dated, deteriorated,
18 excessive or otherwise unwanted or confiscated controlled drugs which are in the possession of a
19 practitioner, veterinarian, pharmacy, peace officer, nursing home, manufacturer, wholesaler, clinic,
20 laboratory, or hospital. No payment shall be made to any person or institution for any drug
21 surrendered for destruction. A record shall be maintained which indicates the name, strength, and
22 quantity of all drugs destroyed; the place and manner of destruction; the date and time destroyed;
23 the name of the practitioner or institution surrendering the drugs; and the signature and title of the
24 person witnessing destruction. Such records shall conform to any federal requirements and shall be
25 open to inspection by all federal or state officers charged with the enforcement of federal or state
26 controlled drug laws. This section shall not apply to residual amounts in hypodermic syringes and
27 needles. ***Notwithstanding any language in this section to the contrary, controlled drugs***
28 ***collected in a long-term care facility, nursing home, or assisted living facility for***
29 ***destruction pursuant to a pharmaceutical drug take-back program authorized by RSA 318-***
30 ***E, shall be disposed of in accordance with the disposal requirements for controlled drugs***
31 ***set forth under RSA 318-E and any applicable federal or state laws or regulations.***
