1 Amend RSA 126-AA:3, I as inserted by section 1 of the bill by replacing it with the following:

2

3 I. There is hereby established the New Hampshire granite advantage health care trust fund
4 which shall be accounted for distinctly and separately from all other funds and shall be non-interest
5 bearing. The fund shall be administered by the commissioner and shall be used solely to provide
6 coverage for the newly eligible Medicaid population as provided for under RSA 126-AA:2, and to pay
7 for the administrative costs for the program. The commissioner may accept any gifts, grants,
8 donations, or other funding from any source and shall deposit all such revenue received into the
9 fund. No state general fund appropriations shall be deposited into the fund. All moneys in the fund
10 shall be nonlapsing and shall be continually appropriated to the commissioner for the purposes of
11 the fund. The fund shall be authorized to pay and/or reimburse the cost of medical services and
12 cost-effective related services, including without limitation, capitation payments to managed care
13 organizations. An amount not to exceed \$1,500,000 from the fund for the biennium ending June 30,
14 2019 may be used to reduce barriers to work for childless adults age 25 and older, consistent with
15 the requirements of the Granite Workforce pilot program.
