1 Amend RSA 149-M:9, XV as inserted by section 1 of the bill by replacing it with the following:

2

3 XV. The department may enter into a written agreement with the applicant for the
4 department to retain, at the applicant's expense, an independent licensed professional engineer or
5 hydrogeologist to assist the department in determining what information is necessary to render the
6 application technically complete, assessing during the technical review of the application whether it
7 meets the requirements for approval in this chapter and the rules adopted under RSA 149-M:7, and
8 ensuring that the department processes the application in a timely manner as required by this
