EXPLANATION

Hampstead Hospital has served an important role as New Hampshire has adapted its behavioral health system to meet population needs across the lifespan. This includes moving pediatric services outside of the New Hampshire Hospital campus to ensure appropriate focus on child-specific treatment needs while allowing more treatment and space options for transitional and supported housing for New Hampshire Hospital's adult patients. Through its contract with DHHS, Hampstead Hospital has been an important partner in addressing the needs of children.

To build on this foundation while serving an even greater number of children and types of behavioral health needs, New Hampshire is purchasing Hampstead Hospital. This item is to budget the operating budget through FY2023. This operating budget has been created as a collaborative effort between the Chief Financial Officer (CFO) of DHHS, the CFO of NHH, and current employees of Hampstead Hospital. The methodology for each line is described in detail below, but it is critical to note that until DHHS has owned the facility for a few years, the budget will include many assumptions and will likely change throughout the year.

Funds will be budgeted as follows:

000-400338 FEDERAL FUNDS

ARPA Funds. When budgeted for FY24/25, these are anticipated to be general funds.

001-484947 TRANSFER FROM OTHER AGENCY (NHH)

These are General Funds currently appropriated to NHH for the existing Hampstead agreement.

001-484947 TRANSFER FROM OTHER AGENCY (MEDICAID)

Calculated based on a non-certified rate of 25%, and a collections rate of 60%, which is an appropriately conservative approach based on NHH's historical DSH collections on pediatric claims.

009-405921 AGENCY INCOME

Average (or anticipated) payment per day X current (or anticipated) census X number of billable days X historical pediatric collections rate at NHH. Assumes 45 beds at acquisition, an additional 11 beds after 3 months, and an additional 12 Psychiatric Residential Treatment Facility (PRTF) beds after 3 months. The number of beds is only an estimate for budgeting revenue, and actual available beds will depend on a number of factors.

012-500128 PERSONAL SERVICES UNCLASSIFI

Half a year of wages, in anticipation that the JCEC process will be completed by January 2023 and funds budgeted for non-classified in purchase accounting unit.

018-500106 OVERTIME

Estimated as 15% of class 50

019-500105 HOLIDAY PAY

Calculated based on state holidays for Facilities staff

020-500200 CURRENT EXPENSES

Estimation for office supplies and miscellaneous items

023-500291 HEAT ELECTRICITY WATER

Based on cost per bed at NHH. Added 10% because of increasing utility costs.

024-500225 MAINT OTHER THAN BUILD-GRN

Based on cost per bed at NHH, plus \$100,000 for year 1.

026-500251 ORGANIZATIONAL DUES

Hospital Association Fees, plus \$30,000 for the Joint Commission accreditation fee that will be required for the PRTF.

027-582703 TRANSFER TO DOIT
