EPSOM, NEW HAMPSHIRE 03234

April 12, 2021

Dear Senator John Reagan,

On March 9, 2021 the Town of Epsom voted to urge that the General Court of NH, when redrawing the maps of political districts within the state following the census, will ensure fair and effective representation of New Hampshire voters without gerrymandering. Additionally, the voters urge the General Court of NH to carry out the redistricting in a fair and transparent way through public meetings, include communities of interest, and minimize multi-seat districts. The voters in Epsom want to petition to the General Court of NH for its own exclusive seat(s) in the NH House of Representatives, ensuring that the State Representatives properly represent the town's interests. The Article passed 507 to 172.

Sincerely,

Laura Scarbo
Epsom Town Clerk
