Statement by Senate President Morse regarding today's Executive Council Meeting

CONCORD, NH - Senate President Chuck Morse (R-Salem) issued the following statement regarding today's Executive Council Meeting:

"I fully support Governor Sununu's decision to postpone today's Executive Council meeting due to the threatening behavior by protestors that was directed towards the governor, councilors, and state employees. This behavior is totally unacceptable because it tears at the very fabric of New Hampshire's long tradition of respectful civil discourse. Government must be allowed to carry out the people's business free from intimidation and disruption."
