Statement by Senate President Morse on the death of former Safety Commissioner Dick Flynn

CONCORD, NH -- Senate President Chuck Morse (R-Salem), issued the following statement today:

“Dick Flynn was the ultimate public servant. His reputation as a commissioner is simply unparalleled. He ran the Department of Safety with amazing efficiency and foresight but most importantly, Dick always put the people he served first. His door was always open to legislators as well because he believed so deeply in good government, a spirit that he clearly inspired in his dedicated staff and frontline workers. Dick’s legacy lives on – Susan and I are keeping his family in our thoughts and prayers.”
