### **Senate Republicans: Property tax relief a top priority**

**CONCORD, NH** – Senate President Chuck Morse (R-Salem) issued the following statement regarding SB118 being tabled during today’s session:

“Property tax relief is a top priority for Republicans. When the Senate begins work on the budget in April, we will have a much clearer picture regarding the state’s revenue numbers. This will allow us to make the best and most informed decisions regarding property tax relief. We are committed to continuing to help property taxpayers through aid to municipalities and laying legislation like SB 118 on the table at this time gives us the flexibility we will need in the coming months.”
