### **Senate pushes the building of Exit 4A off I-93**

**CONCORD, NH** -- Senators Regina Birdsell (R-Hampstead) and Sharon Carson (R-Londonderry) issued the following statement today regarding the passage of SB116 which green lights the final stage of construction for Exit 4A on Interstate 93:

“Completing Exit 4A on I-93 has been one of our top priorities this session. SB116 directs the state’s Department of Transportation to complete this vital and long-delayed transportation project within the time frame included in New Hampshire’s 10-year Highway Plan. We look forward to the legislation being signed into law. It will have a tremendously positive impact on the citizens of Derry and Londonderry as well as the economic development projects in the area that will follow.”
