Senate votes to remove Merrimack Tolls at Exit 10

CONCORD, NH – Senator Gary Daniels (R-Milford), today issued the following statement on the passage of SB117 supporting the removal of the toll ramps at Exit 10 in the town of Merrimack which includes the north and south bound ramps on the F.E. Everett Turnpike:

“The tolls were constructed in 1990 with the agreement that when the bond that built them was paid off, they would be removed. Well, the bond has expired, and now it’s the government’s turn to keep its promise. I am pleased the Senate voted to take down the Exit 10 tolls, ending the unfair burden on Merrimack residents. That moves state government one step closer to maintaining its trust with local communities.”
